From: State Director, Maximiliano J. Trujillo

Date: June 22, 2023

Subject: Invitation – Renewable Energy Funding Availability

The United States Department of Agriculture (USDA) Rural Development, Puerto Rico State Office cordially invites you to **Powering Affordable Clean Energy** event.

Who: Renewable Energy Stakeholders, Federal, State & Municipality Governments, For-Profit & Non-Profit Organizations and Academics.

What: The event will highlight USDA Rural Development’s recently announced renewable energy programs, Powering Affordable Clean Energy (PACE) and Empowering Rural America (New ERA), whose purpose is to deploy clean energy and to power our rural communities. The program will also inform on efforts by EPA, DOE, NREL and other stakeholders relating to clean energy.

When: Wednesday, June 28th, 2023 From 8:00AM – 6:00PM

Where: In-person at **El Portal de El Yunque**, conference área At El Yunque National Forest. Location: **Road 191 km 4.0**

RSVP: Limited Space. Please contact my office (787) 766-5308 and or register using your email address @ SM.PUERTORICORD@USDA.GOV
