

Earth Day – April 22, 2015

Water and Environmental Program Loans and Grants

State	Recipient	Loans	Grants	Total	Purpose
AR	City of Horseshoe Bend		\$395,000	\$395,000	Wastewater collection system expansion
FL	Central Water Works, Inc.	\$906,000	\$682,300	\$1,588,300	Waterline replacement
ID	City of Kellogg	\$4,410,000	\$4,980,000	\$9,390,000	Sewer collection system replacement
IL	Village of Carrier Mills	\$1,944,000	\$1,043,000	\$2,987,000	Water system upgrades
IA	City of Humeston	\$1,102,000	\$1,401,000	\$2,503,000	Sewer system improvements
IA	City of Scarville	\$250,000	\$575,000	\$825,000	New wastewater system
KS	City of La Cygne	\$2,603,000	\$2,054,000	\$4,657,000	Water system improvements
KY	Christian County Water District	\$1,800,000	\$700,000	\$2,500,000	Water system improvements
KY	City of Harrodsburg	\$8,840,000	\$2,560,000	\$11,400,000	Wastewater system improvements
ME	City of Calais	\$500,000	\$1,300,000	\$1,800,000	Sewer main and pump station replacement
MD	The Commissioners of Henderson		\$175,000	\$175,000	Emergency improvements to water system
MI	Standish Township	\$786,000	\$2,355,000	\$3,141,000	New sewer collection system
MI	Standish Township	\$593,000	\$1,776,000	\$2,369,000	New water distribution system
MI	Village of Mesick	\$1,732,000	\$1,155,000	\$2,887,000	Sewer system improvements
MN	City of Hoffman	\$1,137,000	\$801,000	\$1,938,000	Water/Sewer system improvements
MS	G.T. & Y. Utility District	\$559,000	\$436,870	\$995,870	Water system improvements
MT	City of Fort Benton	\$2,500,000	\$827,000	\$3,327,000	Upgrade wastewater lagoons and treatment facility
NE	City of Crete	\$717,000		\$717,000	New wastewater treatment construction

Earth Day – April 22, 2015

State	Recipient	Loans	Grants	Total	Purpose
NC	Town of Chadbourn	\$1,150,000	\$2,651,000	\$3,801,000	Sewer treatment facility upgrades
NC	Town of Chadbourn	\$596,000	\$377,000	\$973,000	Rehabilitate water supply well
NC	West Carteret Water Corporation	\$8,216,000		\$8,216,000	Water system improvements
ND	Barnes Rural Water District	\$1,964,200		\$1,964,200	Water distribution system expansion
OH	Village of Arcanum	\$3,000,000	\$1,700,000	\$4,700,000	Wastewater treatment facility upgrades
OR	City of Myrtle Point	\$2,854,000	\$1,100,451	\$3,954,451	Wastewater improvements
PA	Borough of Jim Thorpe	\$6,129,000	\$4,549,000	\$10,678,000	Sewer rehabilitation
SC	Town of Greeleyville	\$1,061,000	\$2,172,000	\$3,233,000	Sewer upgrades
TN	City of McEwen	\$3,447,000	\$3,955,900	\$7,402,900	Wastewater treatment plant replacement
TX	City of Alton	\$240,000	\$731,000	\$971,000	Sewer improvements
TX	San Jacinto Special Utility District	\$1,103,000	\$1,202,000	\$2,305,000	Distribution system improvements
TX	Tri Special Utility District	\$3,363,000		\$3,363,000	Water improvements
TX	Duval County Conservation & Reclamation District	\$351,000	\$588,000	\$939,000	Arsenic removal media filter
VA	Town of St. Paul	\$275,000		\$275,000	Wastewater treatment plant
VA	Wise County PSA Stonega	\$49,000	\$992,000	\$1,041,000	Sewer improvements
WA	Sunrise Water Association	\$559,000	\$448,000	\$1,007,000	Wastewater treatment facility upgrades
WV	Town of Gilbert	\$500,000	\$1,050,000	\$1,550,000	Waterline extension
WI	Bad River Band of Lake Superior Tribe of Chippewa Indians	\$459,000	\$1,997,000	\$2,456,000	Water system improvements
WY	Town of LaGrange		\$231,000	\$231,000	Sewer rehabilitation
TOTAL		\$65,695,200	\$46,960,521	\$112,655,721	

Earth Day – April 22, 2015

Energy Audit and Rural Energy Development Assistance Grants

State	Recipient	Amount	Purpose
CA	The Regents of the University of California	\$20,000	To help ag producers and rural small businesses conduct energy audits
CO	Colorado State University	\$50,088	To help 30 or more ag producers conduct solar and wind site assessments
FL	University of Central Florida	\$99,143	To provide energy audits to 26 small businesses
GA	University of Georgia	\$73,340	To help farmers complete energy audits to make energy efficiency upgrades
IL	Jo-Carroll Energy, Inc.	\$90,000	To provide 174 energy audits for ag producers in northwestern Illinois and neighboring counties in Iowa and Wisconsin
IN	Purdue University	\$100,000	To conduct 45 energy audits for ag producers in Indiana, Illinois, Kentucky, Michigan and Ohio, with an emphasis on irrigation, livestock housing and dairy farm operations
KY	University of Kentucky Research Foundation	\$67,169	To help ag producers and rural small businesses make energy efficiency improvements
ME	Greater Portland Council of Governments	\$100,000	To help ag producers and rural small businesses incorporate renewable energy technologies into their operations
MA	Commonwealth of Massachusetts	\$98,490	To conduct 48 energy audits for ag producers and rural small businesses
MI	Michigan State University	\$100,000	To conduct 44 energy audits for ag producers and rural small businesses
MN	University of Minnesota	\$100,000	To help ag producers and rural small businesses identify opportunities for incorporating renewable energy into their operations
MO	University of Missouri	\$100,000	To help ag producers, farmers, ranchers and rural small businesses identify opportunities for energy efficiency improvements

Earth Day - April 22, 2015

State	Recipient	Amount	Purpose
NE	Board of Regents - The University of Nebraska	\$71,363	To conduct energy audits for 36 rural small businesses and 12 ag producers
NM	Town of Silver City	\$83,313	To conduct energy audits for small businesses in a four-county area in southwest New Mexico
NC	Land of Sky COG	\$54,375	To conduct energy audits for 35 ag producers and rural small businesses
NC	Mountain Valleys Resource Conservation & Development Council	\$100,000	To conduct up to 100 renewable energy site assessments for ag producers and rural small businesses in 27 western North Carolina counties
OH	American Municipal Power, Inc.	\$40,000	To complete 36 energy audits for rural small businesses and ag producers
OK	Central Rural Electric Co-op	\$100,000	To provide energy audits for rural small businesses and ag producers
OR	Oregon Department of Energy	\$69,536	To provide renewable energy development assistance to ag producers and rural small businesses
PA	The Pennsylvania State University	\$100,000	To help 60 ag producers and rural small businesses improve the energy efficiency of their operations
SD	Central Electric Cooperative, Inc.	\$2,172	To provide marketing and education materials on solar technologies to rural small businesses and ag producers
TN	University of Tennessee	\$99,800	To help poultry producers plan and implement farm energy conservation and energy efficiency improvements
TX	University of Texas - Pan American	\$99,041	To help ag producers and rural small businesses incorporate renewable energy technologies into their operations
WA	Washington State Department of Commerce	\$94,170	To help farmers, ranchers and small businesses develop renewable energy systems and make energy efficiency improvements
WI	Wisconsin Department of Administration	\$88,000	To help the Wisconsin State Energy Office provide energy development assistance to biogas projects

Earth Day - April 22, 2015

State	Recipient	Amount	Purpose
TOTAL		\$2,000,000
