NEW RUS FORM 395

Fiscal Year 2017 Workshops

November 15th from 2:00 to 3:00 pm EST

November 29th from 2:00 to 3:00 pm EST

In November, the Rural Utilities Service (RUS) will host webinars focused on the New Equipment Contract, RUS Contract Form 395 for Telecommunications and Broadband Borrowers, which was published in the Federal Register on October, 18th, 2016. These webinars will inform participants about the streamlined contractual process for equipment procurement - Replacing type-specific Equipment Contracts, RUS Forms 397, 398, 525, 545, and the associated documents (Forms 231, 396, 396a, 397b, 397c, 397d, 397f, 397g, 397h, 517, 525a, 744, 752a, 754, and addenda) with a new, unified Equipment Contract, RUS Form 395 and the associated close-out documents (Forms 395a, 395b, 395c and 395d).

There will also be time for participants to ask the speakers specific questions about the New RUS Contract Form 395.

Due to the limited amount of room available for each session, please register by visiting <https://livemeeting.com/register> and selecting the session you wish to attend. Register soon to ensure your spot in the session you want to attend.
