

Higher Blends Infrastructure Incentive Program (HBIIIP) Transportation Fueling Facility Applicant (Rail/Marine) Deep Dive

Questions and Answers

General Information

1. When will the PowerPoint be posted?

ANSWER: All webinar recordings, PowerPoints, and other information will be posted to the program website under the Events tab as soon as they are made available to program staff.

Project Eligibility

1. What if we are both a fuel distribution terminal and provide fleet fuel for rail and marine?

ANSWER: Rail and marine applicants are eligible as fleet facilities to fuel their own fleet. In this case, it sounds like your entity would be a fuel distribution facility applicant.
