Jan 24th from 1:00 to 3:00 pm EST

The Rural Utilities Service (RUS) will host webinars focused on the Community Connect Grant Program. These webinars will inform participants about the major eligibility and regulatory requirements of the program and will provide detailed guidance on how to submit a successful application. There will also be time for participants to ask the speakers specific questions about putting together an application.

Due to the limited amount of room available for each session, you must register with the RUS Loan Origination and Approval Division. Please register by visiting <https://livemeeting.com/register> and selecting the session you wish to attend. Register soon to ensure your spot in the session you want to attend.
