

USDA Rural Development Listening Session: The Role of Broadband in Providing STEM Education in Rural Communities

INVITATION

USDA Rural Development cordially invites you to participate in a Listening Session to hear your concerns about Broadband in rural areas and the role of Broadband in providing Science, Technology, Engineering and Mathematics (STEM) Education in Rural Communities.

Join USDA, Rural Development Staff to provide input on STEM education in rural areas and how the [Distance Learning and Telemedicine \(DLT\) Program](#) can help with providing STEM education to rural schools.

This meeting is open to the public.

USDA is an equal opportunity provider, employer and lender.

Date: Thursday, March 22, 2018

Location: Middle Georgia Regional Commission, 175 Emery Highway, Macon, Georgia 31217

Time: Listening Session 10:00a.m. – Noon (Eastern), DLT Workshop 1:00p.m. – 2:30p.m. (Eastern)

RSVP: Please reply to confirm your attendance by March 16, 2018 to Gregory Dale by phone at (202) 568-9558 or by email at gregory.dale@wdc.usda.gov

Special Accommodations: If you will require special accommodations, please contact Reggie Taylor by Friday, March 16, 2018 by phone at (229) 319-5542 or by email at reggie.taylor@ga.usda.gov
