

This is a supplement to the Architect Agreement and proposed Contract Documents. Check the item(s) that apply:

This Certification is for the Architect Agreement.

This Certification is for the Contract Documents.

Modifications to the AIA and Rural Development documents may be necessary and all modifications to these documents are made by either **BOLD fonts** for add items and strikethrough font (~~Strikethrough~~) for items to be deleted.

I hereby certify that we have only made changes to the AIA and the Rural Development documents by fill in the blank, deleted the items allowed in the documents as either/or, and by bold fonts or strikethrough fonts only.

I have reviewed the Environmental Assessment and have reviewed the mitigation measures required for this project. The project as designed meets the mitigation requirements.
