

CERTIFICATION OF NUMBER OF USERS

I hereby certify that the _____
(name of association)

has _____ duly executed and binding User's Contracts (a copy of which is attached)
(number)

Which provide _____ service to _____ improved
(water) (sewer) (number)

occupied properties and _____ vacant properties or for existing systems service is
(number)

currently being provided to _____ improved properties.
(number)

The owner of each occupied property within the service area of the proposed system has been offered an opportunity to become a user of the system.

The attached map accurately shows the location of each property for which a User's Contract has been executed and also those occupied properties declining to accept service. This map is required for new projects only or extensions to previously unserved areas.

(SEAL)

(Secretary) (Clerk)

(President) (Chairperson)

Date _____

The map will show the location of all improved properties within the service area. Each property will be numbered. A numbered list of users and of non-users to coincide with the number on the map will be attached.
