

Technical Assistance grants to nonprofit organizations/public housing agencies to assist in the preservation of Section 515 maturing mortgage projects - selection results

Section 771 of the Consolidated Appropriations Act, 2017 (Pub. L. 115-31) appropriated \$1,000,000 to provide grants to qualified non-profit organizations and public housing authorities (PHA).

The four responders selected are:

- Enterprise Community Partners for the Western Region
- Tierra Del Sol Corporation for the Southern Region
- Minnesota Housing Partnership for the Mid-West Region
- The Genesis Fund for the North East Region.

Selected grantees will use the funds to provide financial and legal Technical Assistance (TA) to the Rural Housing Service (RHS) Multi-Family Housing (MFH) loan applicants to facilitate the acquisition of RHS Section 515 properties with maturing Rural Development (RD) mortgages, in areas at risk of losing affordable housing. The Request For Proposal (RFP) was published on February 27, 2018 in the Federal Register, This Request for Proposals (RFP) solicited proposals from qualified non-profit organizations and Public PHA to provide the TA in four regions.
