

CNA Provider Information – RD-MO

If you are interested in being added to the USDA Rural Development – Missouri (RD-MO) Capital Needs Assessment (CNA) Provider Directory, please complete this form and return it to the RD-MO State Office.

The Directory serves as a reference for property owners and any other party interested in Capital Needs Assessments. Being placed on the Directory does not constitute an endorsement by USDA RD-MO. Providers that are determined to be unqualified, that repeatedly submit poor quality reports including reports that require more than two rounds of revisions to satisfactorily address RD-MO's comments, or do not submit reports or revisions to reports within a reasonable time frame (see RD's CNA UL and RD-MO's CNA Provider Guidance for time frame expectations) will be removed from the RD-MO Directory.

By completing this form, you are authorizing USDA RD-MO to release the following information as part of the CNA Provider Directory.
