

## USDA RD-Missouri Directory of CNA Providers

Last Updated 5/6/2019 sl

The Directory serves as a reference for property owners and any other party interested in Capital Needs Assessment (CNA). The following providers have asked to be placed on the RD-MO CNA Provider Directory. Being placed on the Directory does not constitute an endorsement by USDA RD. Providers that are determined to be unqualified or that repeatedly submit poor quality reports will be removed from the Directory.

Property owners are advised to request an information package from several CNA providers and to evaluate the information in order to select a provider. The information package should include a list of qualifications, a list of references/client list and a sample CNA report.

This directory will be updated periodically. To be added to the Directory, please contact Sara Loe ([sara.loe@mo.usda.gov](mailto:sara.loe@mo.usda.gov)) or Rachele Long ([rachele.long@mo.usda.gov](mailto:rachele.long@mo.usda.gov)).
