CHESHIRE COUNTY**

\$13,631,984

Town/City of Project	Project Name	Description	Program	FY	Amount
Jaffrey	New England Wood Pellet LLC	Wood pellet manufacturing.	Biofuel Assistance Program	2015	\$17,620
Keene	Monadnock Economic Development Corp.	Funds will be used to add a 7,000 square foot addition to support the growth needs of Samson Manufacturing.	Business and Industry Guaranteed Loan	2015	\$150,000
Keene	Monadnock Economic Development Corp.	Funds will be used to refinance existing debt, resulting in significantly lower debt service which enables MEDC to continue and expand its mission.	Business and Industry Guaranteed Loan	2015	\$690,000
Keene	TFG Tree-Free, Inc.	This project will install a solar system to provide electricity to a small business that will displace 123% of their energy usage. The proposed system is projected to generate enough electricity to power the equivalent of 5 homes.	Rural Energy for America Program Grant	2015	\$29,291
Marlborough	Pierce House	Rural Development Funds will be used to rehab this 32 unit affordable housing complex.	Multi-Family Housing Preservation and	2015	\$1,090,793.87
Stoddard	Town of Stoddard	To purchase and install network equipment, computers, furniture, and an outdoor gazebo for the Davis Public Library of Stoddard. The gazebo will provide a place where the patrons can access the library's free Wi-Fi when the library is closed.	Economic Impact Initiative Grant	2015	\$22,500
Winchester	Town of Winchester	To purchase a new police vehicle to replace one that is no longer reliable due to age and high mileage. This project enables the Police Department to continue to provide reliable emergency services to the Town of Winchester and mutual aid to surrounding towns.	Economic Impact Initiative Grant	2015	\$3,900
Winchester	Town of Winchester	See above.	Community Facility Grant	2015	\$10,000
Winchester	Winchester Economic Development Corporation, Inc.	To provide technical assistance to small and emerging businesses wishing to expand/locate in the Town of Winchester by providing referrals, data and research support. Establish a database mechanism to track business support inquiries and corresponding WEDC follow-up.	Rural Business Development Grant	2015	\$47,000
Total				2015	\$2,061,105

CHESHIRE COUNTY HOUSING PROGRAMS		
Single Family Direct Loans	6	\$773,950
Single Family Guaranteed Loans	75	\$10,695,559
Housing Repair Grants	7	\$50,870
Housing Repair Loans	3	\$50,500

Labor Housing Loans	0	\$0
Total		\$11,570,879

**USDA RURAL DEVELOPMENT INVESTMENT IN
COOS COUNTY
\$18,214,362**

Town/City of Project	Project Name	Description	Program	FY	Amount
Berlin	City of Berlin	To construct two shelters at a community park and playground for the USDA Summer Food Program which offers lunches and snacks Monday-Friday to school age children. The permanent shelters will hold up during inclement weather, be more aesthetically pleasing, and likely to attract more residents to use the park and playground.	Economic Impact Initiative Grant	2015	\$2,400
Colebrook	Town of Colebrook	To replace aged, deteriorating, and deficient water and sewer mains on Main Street. The systems experience significant water loss and infiltration/inflow in sewers. These improvements are necessary in order to maintain the functioning of the downtown.	Water and Waste Disposal Loan and Grant	2015	\$4,742,000
Errol	Percy Tackle Inc. d/b/a LL Cote	This project involves installing over 450 new energy-efficient lights at the business. The new lights will reduce the company's electricity usage by 56%, savings over \$13,000 annually.	Rural Energy for America Program Grant	2015	\$18,000
Gorham	Family Resource Center at Gorham	To purchase computers and equipment for departments including the Administrative Office, Afterschool Program, and Family Support Program. This upgrade will more effectively and efficiently meet the Family Resource Center's mission "To build healthier families and stronger communities through positive relationships, programs, and collaborations in the North Country".	Economic Impact Initiative Grant	2015	\$9,000
Gorham	Mt. Washington Auto Road	To install two pellet boilers that will replace 100% of the fuel oil previously used.	Rural Energy for America Program Grant	2015	\$29,250
Gorham	Education Services Agency, Inc.	To upgrade and extend a distance learning network to 21 high schools in northern New Hampshire and one Native American school (Indian Island School) in Maine.	Distance Learning and Telemedicine Grant	2015	\$496,612
Groveton	Groveton Regional Economic Action Team	To hire a professional consultant for site redevelopment including but not limited to infrastructure planning and design, lot layout, assessing business needs in terms of water, sewer, power, and internet access.	Rural Business Development Grant	2015	\$49,000
Lancaster	Northern Community Investment Corporation	To provide technical assistance and professional consulting to private small and emerging business to assist in growth, expansion, and create employment opportunities.	Rural Business Development Grant	2015	\$28,000
Lancaster	Town of Lancaster	To repair and replace aging sewer system infrastructure. A significant portion of the wastewater collection system is an aged combined sewer system which results in excessive infiltration/inflow to the waste stream and places a significant burden on the collection system and treatment plant. This project will eliminate the excessive wear and premature need for replacing the treatment facility.	Water and Waste Disposal Loan and Grant	2015	\$4,538,000
Milan	Mahoosuc Inn	To install a solar system as well as make upgrades to a pellet boiler system. The proposed system will displace almost 100% of the Inn's energy usage, and is projected to generate enough electricity to power the equivalent of 3 homes.	Rural Energy for America Program Grant	2015	\$28,906

Northumberland	Town of Northumberland	To replace aging water and sewer mains. The systems are experiencing significant water loss and infiltration/inflow in sewers. The improvements are critical to providing customers with safe and efficient water and sewer services.	Water and Waste Disposal Loan and Grant	2015	\$2,837,300
Stewartstown	West Stewartstown Water Precinct	To improve the water main supply and distribution system of West Stewartstown. The project will correct low water pressure in the system. Once complete, the system will have appropriate system pressure and a significant health hazard will be eliminated.	Water and Waste Disposal Loan and Grant	2015	\$1,275,000
Stratford	Town of Stratford	To improve the town garage by installing a new metal roof and refurbishing overhead doors and a main door. The improved garage will provide a secure and dry storage space for town vehicles, including fire and police vehicles.	Economic Impact Initiative Grant	2015	\$15,000
Total				2015	\$14,068,468

COOS COUNTY HOUSING PROGRAM		
Single Family Direct Loans	21	\$1,728,195
Single Family Guaranteed Loans	23	\$2,201,799
Housing Repair Grants	21	\$143,400
Housing Repair Loans	13	\$72,500
Housing Loans	0	\$0
Total		\$4,145,894

**USDA RURAL DEVELOPMENT INVESTMENT IN
GRAFTON COUNTY
\$24,739,807**

Town/City of Project	Project Name	Description	Program	FY	Amount
Ashland	Highland	To rehabilitate a 24 unit complex which provides affordable family housing.	Multi-family Housing Preservation and Revitalization	2015	\$1,229,948
Bethlehem	Bethlehem School District	To replace one of two oil-fired hot water boilers at the Bethlehem Elementary School with capacity vacuum wood pellet hot water boilers. Using wood pellets as a primary heat source will provide cost and environmental benefits as well as boost the local economy by using a locally produced product.	Community Facility Grant	2015	\$30,000
Canaan	Mascoma Community Healthcare	To construct a healthcare clinic in Canaan, NH. The clinic will provide medical, mental health and dental care with lab, x-ray, pharmaceutical and physical therapy services. The emphasis will be on low to moderate income households and the uninsured or underinsured. This project allows for expanded and more convenient access to health care services for Canaan and surrounding communities.	Community Facility Direct Loan	2015	\$2,805,000
Canaan	Mascoma Community Healthcare	See above.	Community Facility Direct Loan	2015	\$478,000
Concord	Community College System of NH	To purchase the former Lebanon College building located in Lebanon, NH. Lebanon College had provided low cost educational opportunities out of this building since 1956. They closed last year leaving a void in education opportunities. The Community College System was asked by the community and area businesses to open a facility at this location.	Community Facility Direct Loan	2015	\$1,600,000
Lebanon	Grafton County Senior Citizens Council, Inc.	To construct and furnish an addition to the Horse Meadow Senior Center's existing building in Haverhill, NH. Currently the dining room also serves as the space for the health and wellness and education activities. The addition is essential for the facility to operate properly.	Economic Impact Initiative Grant	2015	\$12,400
Lebanon	Grafton County Senior Citizens Council, Inc.	See above.	Community Facility Grant	2015	\$27,600
Lebanon	South Main Street Housing Trust	To purchase the former Pine Tree Lane and Beechwood apartments. These apartments were ready to mature out of the USDA's rental assistance program. This purchase will preserve 100 units of affordable housing in the Upper Valley.	Multi-family Housing Preservation and Restoration	2015	\$6,775,526
Littleton	Cloutier Brothers Partnership, dba The Tannery Marketplace	This renewable energy project involves installing two wood pellet boilers that will replace almost 80% of the Tannery Marketplace's historical heating oil consumption.	Rural Energy for America Program Grant	2015	\$28,688
Littleton	Crane Street	To renovate a 33 unit complex which provides affordable family housing.	Multi-family Housing Preservation and Revitalization	2015	\$1,613,614

Littleton	North Country Council, Inc.	To provide technical assistance to 51 communities to improve planning and management of solid waste sites. To work with community leaders to identify waste alternatives that increase recycling, reduce the waste stream and help communities become more efficient and cost effective.	Solid Waste Management Grant	2015	\$110,000
Littleton	Town of Littleton	To complete a preliminary engineering report for the purpose of evaluating the alternatives to address infiltration and inflow. Reducing the infiltration/inflow will allow for more consistent and efficient operation of the treatment plant.	Pre-Development Planning Grant	2015	\$30,000
North Haverhill	White Mountain Biodiesel LLC	Biodiesel manufacturing.	Biofuels Assistance Program	2015	\$151,778
Total				2015	\$14,892,554

GRAFTON COUNTY HOUSING PROGRAMS		
Single Family Direct Loans	10	\$1,454,900
Single Family Guaranteed Loans	57	\$8,321,353
Housing Repair Grants	5	\$33,000
Housing Repair Loans	6	\$38,000
Labor Housing Loans	0	\$0
Total		\$9,847,253

**USDA RURAL DEVELOPMENT INVESTMENT IN
HILLSBOROUGH COUNTY**

\$27,242,881

Town/City of Project	Project Name	Description	Program	FY	Amount
Hancock	Main Street Cheese, LLC	Rural Development funds will be used for working capital to pay operating expenses to produce, package, market and distribute farmstead goat's milk cheeses.	Value-Added Producer Grant	2015	\$35,684
Henniker	Riverside Precision Sheet Metal Inc.	Funds will be used to purchase land and construct a new manufacturing facility in Hillsborough, NH, allowing for business expansion, retention of 15 high-paying jobs and addition of two new jobs.	Business and Industry Guaranteed Loan	2015	\$1,160,000
Wetersborough	Froling Energy	Woodchip manufacturing.	Biofuel Assistance Program	2015	\$128
Total				2015	\$1,195,812

**USDA RURAL DEVELOPMENT INVESTMENT IN
MERRIMACK COUNTY
\$25,150,670**

Town/City of Project	Project Name	Description	Program	FY	Amount
Canterbury	Canterbury Spirits, LLC	Rural Development funds will be used as working capital to pay operating expenses to produce and market farmstead distilled spirits (including brandy, gin and whiskey) made from farm grown apples and rye.	Value-Added Producer Grant	2015	\$58,056
Canterbury	Windswept Farm, LLC	This project involves installing a 22.4kW solar photovoltaic system at Windswept farm. The system will generate 137% of the operation's electricity needs.	Rural Energy for America Program Grant	2015	\$20,000
Franklin	City of Franklin	To hire a Downtown Business Coordinator. The Coordinator will provide assistance to existing and emerging downtown businesses including marketing, website, workshops, signage assistance. Anticipates 29 jobs being created/saved.	Rural Business Development Grant	2015	\$50,000
Loudon	D.S. Cole Growers, Inc.	To install a high efficiency natural gas boiler that will replace two existing boilers. It is estimated that the new system will save enough energy to equate to the amount of electricity it takes to power 41 homes.	Rural Energy for America Program Grant	2015	\$38,210
Loudon	Just Wash It, LLC	This project involves installing a solar thermal system at that will provide about 20% of the operation's hot water needs.	Rural Energy for America Program Grant	2015	\$19,944
Loudon	Northern Design Precast, Inc.	This project will install a 39.4 kw solar photovoltaic system that will provide 29.79% of a concrete precast form company's annual energy usage. Projected annual energy generated from the solar system is estimated at 40,873kw, enough energy to equate to the amount of electricity it takes to power 3 homes.	Rural Energy for America Program Grant	2015	\$5,318
Total				2015	\$191,528

MERRIMACK COUNTY HOUSING PROGRAMS		
Single Family Direct Loans	8	\$1,145,900
