AL	Richard Shelby, Doug Jones	Mo Brooks (05)	Mid-Lauderdale Volunteer Fire Department Inc.	\$150,000		This Rural Development investment will be used to purchase new equipment for the Mid-Lauderdale Volunteer Fire Department (VFD) to better serve the community. The new extrication equipment, air packs and tanks are needed because some of the current equipment is reaching the end of its useful life and is costly to repair. Mid-Lauderdale VFD has been in operation for more than 30 years, providing services to 20,519 residential customers.
AL	Richard Shelby, Doug Jones	Mo Brooks (05)	Mid-Lauderdale Volunteer Fire Department Inc.	\$300,000		This Rural Development investment will be used to purchase a new fire truck and equipment for the Mid-Lauderdale Volunteer Fire Department (VFD) to better serve the community. The new fire truck and equipment are needed because some of the current equipment is reaching the end of its useful life and is costly to repair. Mid-Lauderdale VFD has been in operation for more than 30 years, providing services to 20,519 residential customers.
AL	Richard Shelby, Doug Jones	Mike Rogers (03)	Calhoun County Fair Inc.	\$76,000		This Rural Development investment will be used to purchase land for the Calhoun County fair. Calhoun County currently rents this property. The land purchase will provide parking for county fair events. The fair has been in operation for more 30 years.
AR	John Boozman, Tom Cotton	Rick Crawford (01)	White River Planning And Development District Inc.	\$350,000		This Rural Development investment will be used to provide additional financing to build a new, larger office building outside of the flood zone. The new facility will enable the organization to better serve the community without having services interrupted due to shutdowns caused by flooding events.
CA	Kamala Harris, Dianne Feinstein	Doug LaMalfa (01)	Auburn Interfaith Food Closet Inc.	\$700,000		This Rural Development investment will be used to construct a facility for a food closet in Auburn, Calif. Each month, the Auburn Interfaith Food Closet provides food for 700 low-income, homeless and needy families in the Greater Auburn area. Currently, the organization leases space. Constructing its own facility will improve accessibility for customers and help ensure expenses remain stable. Additionally, the energy efficient building will result in lower overhead costs. Exceptional community support has contributed to the capital campaign, which will provide more than half of the project's costs.
ID	Mike Crapo, James Risch	Russ Fulcher (01)	Wilderness Ranch Owners Association	\$1,470,000		This Rural Development investment will be used to replace the Rush Creek and Water Treatment Plant bridges over Mores Creek. The bridges are unsafe and weight restricted, making access to the water treatment plant and to the subdivision difficult. The new bridges will ensure safe and unrestricted access over Mores Creek for the 678 residents of Wilderness Ranch Homeowners Association.

IL	Richard Durbin, Tammy Duckworth	Cheri Bustos (17)	Morrison Community Hospital District	\$17,000,000		This Rural Development investment will be used to expand and renovate Morrison Community Hospital District. The hospital will be renovated and expanded with a new emergency services department, a mental health room for safety, relocation of the business and administrative offices, a surgical suite, front entrance and lab services department, new elevator, roof replacements, additional parking, and landscaping. The hospital district serves approximately 54,000 people in Whiteside County.
KS	Jerry Moran, Pat Roberts	Steve Watkins (02)	City of Frankfort	\$265,700		This Rural Development investment will be used to establish an official truck route for semis, heavy trucks and other traffic passing through Frankfort. Frankfort is small rural community with a population of 726. The proposed new route will redirect traffic around the city, rather than through downtown. Two city blocks will be improved, along with curbs, gutters, sidewalks and the stormwater drainage system. The improvements are necessary to make the intersection safer.
ME	Susan Collins, Angus King	Chellie Pingree (01)	Cumberland County Soil & Water Conservation District	\$425,000		This Rural Development investment will be used to purchase and upgrade the property leased by the Conservation District. The building will continue to be used as administrative offices.
MI	Debbie Stabenow, Gary Peters	Jack Bergman (01)	City of Iron River	\$200,000		This Rural Development investment will be used to purchase a street sweeper that will replace one destroyed by a fire. Replacing this essential equipment will help the city maintain safe and clean streets.
MI	Debbie Stabenow, Gary Peters	John Moolenaar (04)	Gladwin County	\$4,000,000		This Rural Development investment will be used to construct a road commission building. The building will be 20,000 square feet and will hold the administrative and maintenance departments of the road commission.
MO	Josh Hawley, Roy Blunt	Sam Graves (06)	Hopkins Township Road Association	\$88,000	\$60,000	This Rural Development investment will be used to purchase a new motor grader for the Hopkins Township Road Association. This unit will replace an older motor grader that has become unreliable due to its age and the amount of use it has received. The equipment will be used for snow removal and maintenance on more than 50 miles of roadways throughout Hopkins Township.
MO	Josh Hawley, Roy Blunt	Sam Graves (06)	Shelby County Improvement Corp.	\$40,000	\$15,000	This Rural Development investment will be used to purchase a new backhoe for the Shelby County Road and Bridge Department. This backhoe will replace current equipment that is near the end of its serviceable life. The county is responsible for maintaining 540 miles of rural roadway and 64 bridges that serve 6,373 people in rural Shelby County.

MO	Josh Hawley, Roy Blunt	Sam Graves (06)	La Plata Community Betterment	\$15,300	\$18,700	This Rural Development investment will be used to purchase a pickup truck for the city of La Plata's Street Department. This truck will replace an aging vehicle that is in need of repairs that will cost more than the truck's market value. Buying a new truck will allow the city to continue to provide timely repair, snow removal and foreign object removal on roads in this rural northeast Missouri community.
MO	Josh Hawley, Roy Blunt	Billy Long (07)	Fairview Auxiliary	\$19,000	\$23,200	This Rural Development investment will be used to purchase a new tractor and loader. This new equipment will be leased to the city of Fairview, enabling city personnel to better maintain the roads and sidewalks for the city's 383 residents.
NC	Richard Burr, Thom Tillis	George Holding (02)	Town of Sharpsburg	\$18,000	\$53,000	This Rural Development investment will be used to purchase a new police vehicle and install equipment for the town's police department. The town also will purchase a new public works vehicle. The vehicles need to be replaced due to safety concerns associated with high mileage. Replacing them will ensure the safety of the officers and employees. It will also reduce the town's maintenance costs.
NC	Richard Burr, Thom Tillis	G. K. Butterfield (01)	Town of Warrenton	\$33,800	\$41,200	This Rural Development investment will be used to purchase two police vehicles and install equipment for the town's police department, including two security cameras. The vehicles need to be replaced due to safety concerns associated with high mileage. Replacing them will ensure safety of the officers who use them. It will also reduce the town's maintenance costs. The security cameras will assist the police department with investigating and training.
NC	Richard Burr, Thom Tillis	G. K. Butterfield (01)	Town of Louisburg	\$200,000	\$100,000	This Rural Development investment will be used to purchase a new fire truck. The new apparatus is a 2018 Pierce Enforcer custom cab. This will have seating for six firefighters. The new apparatus will come equipped with new ground ladders to meet National Fire Protection Association (NFPA) 1901 standards to include a 24-foot extension ladder, a 14-foot roof ladder and a 10-foot folding ladder. The fire apparatus that is being replaced is a 1994 model.
NC	Richard Burr, Thom Tillis	G. K. Butterfield (01)	Town of Norlina	\$40,000	\$74,000	This Rural Development investment will be used to purchase four new police vehicles and install equipment for the town's police department. These vehicles need to be replaced due to safety concerns associated with high mileage. Replacing the vehicles will ensure the safety of the officers who use them. It will also reduce the town's maintenance costs.

State	Sen.	Rep.	Recipient	Loans	Grants	Project Description
OH	Sherrod Brown, Rob Portman	Steve Stivers (15) Michael Turner (10)	Fayette County	\$20,000,000		This Rural Development investment will be used to construct a 54,443-square-foot law enforcement complex to house administrative offices, a 911 call center and a detention center. The existing facilities were constructed in the early 1900s and no longer meet the requirements of a modern law enforcement operation. The expanded detention center will help alleviate overcrowding and allow for better separation of male and female internees. Additionally, the new administrative offices and 911 call center will help foster more efficient operations and improve first responder times. Additional funding includes a \$2,056,277 applicant contribution.
OH	Sherrod Brown, Rob Portman	Steve Stivers (15)	Deerfield Township - Morgan County	\$27,200	\$50,000	This Rural Development investment will be used to buy a truck with a snow plow and salt spreader. The truck will replace an older model that is no longer serviceable. The equipment will be used to maintain nearly 25 miles of roads.
OH	Sherrod Brown, Rob Portman	Bill Johnson (06)	Warwick Township - Tuscarawas County	\$73,000	\$47,000	This Rural Development investment will be used to purchase a tractor, loader and boom mower to help maintain more than 22 miles of Warwick Township roads in Tuscarawas County. The tractor and equipment will replace older, no longer serviceable models, helping ensure road safety for more than 2,803 township residents.
OH	Sherrod Brown, Rob Portman	Bill Johnson (06)	Summit Township	\$36,700	\$44,800	This Rural Development investment will be used to purchase a truck with a snow plow and salt spreader. The equipment will be used to help maintain more than 30 miles of township roads used by nearly 650 rural residents in Monroe County's Summit Township. Previous funding includes \$266,000 in USDA loans and grants.
PA	Patrick Toomey, Robert Casey	Glenn Thompson (15)	Centre Care Inc.	\$1,539,000		This Rural Development investment will be used to provide additional financing to construct a 240-bed, 136,000-square-foot, three-story skilled nursing facility. This project is located in College Township in Centre County.
PA	Patrick Toomey, Robert Casey	Glenn Thompson (15)	Horton Township VFD	\$21,100	\$22,800	This Rural Development investment will be used to purchase a 2018 Ford F-Series vehicle to be outfitted as a brush truck. Also, 20 radios will be purchased. All equipment will be housed at the fire department. This project will benefit approximately 1,452 people.
SD	Mike Rounds, John Thune	Dusty Johnson (At Large)	Lake Andes-Ravinia Rural Fire Pro	\$36,800	\$34,200	This Rural Development investment will be used to replace the Lake Andes-Ravinia Fire Protection District's 1989 Ford Grass Rig, as it has outlived its useful life. The district serves parts of Charles Mix county. Along with the replacing the chassis, the District is purchasing a 300-gallon tank to mount on the chassis, along with other important fire protection equipment. This investment will improve the efficiency and delivery of fire protection services throughout the District's service area.

TN	Lamar Alexander, Marsha Blackburn	Chuck Fleischmann (03)	Campbell County Rural Fire Service Inc.	\$11,300	\$49,500	This Rural Development investment will be used to purchase fire and rescue equipment for Campbell County Rural Fire Service Inc., located in LaFollette. The equipment will help the department improve service to the city, which has seen an increase in rescue calls.
VA	Mark Warner, Tim Kaine	Robert J. Wittman (01)	Town of Quantico	\$17,800	\$21,600	This Rural Development investment will be used to purchase a new 2018 Ford F-150 police truck to provide reliable public safety services for the town of Quantico's 400 residents. This new vehicle will replace a 27-year-old, high mileage truck.
VA	Tim Kaine, Mark Warner	Ben Cline (06)	Town of Stanley	\$29,300	\$35,700	This Rural Development investment will be used to purchase two Dodge Durangos to provide public and emergency services in Page County.
VA	Tim Kaine, Mark Warner	Morgan Griffith (09)	Town of Pennington Gap	\$269,000	\$50,000	This Rural Development investment will be used to purchase a new, properly equipped pumper truck. The proposed truck is a 2019 crew cab pumper with a 1,250-gallon-per-minute pump and a 1,000-gallon tank. The new truck will replace a 1987 pumper that has a 1,000-gallon-per-minute pump. The new truck will be able to transport up to five people instead of only two as allowed in the old truck.
VA	Tim Kaine, Mark Warner	Morgan Griffith (09)	Town of Marion	\$180,000	\$50,000	This Rural Development investment will be used to purchase a properly equipped 4x4 Type 1 ambulance. The town took over Marion Rescue Squad in 2014. The current ambulances are 10 to 21 years old. Call volume has increased 71.4 percent during the last four years. The town is located adjacent to Interstate Highway 81, which accounts for a large number of automobile accident calls. The town has also been affected by the opioid crisis in southwestern Virginia, which has increased the number of ambulance calls for the Emergency Services Department. The present ambulance fleet is not sufficient to provide adequate coverage and services for the town and surrounding areas.
VA	Tim Kaine, Mark Warner	Morgan Griffith (09)	City of Galax	\$23,700	\$25,000	This Rural Development investment will be used to purchase two police vehicles. The police vehicles are used 24 hours a day/7 days a week by three rotating shifts. They accumulate high mileage quickly, averaging 40,000 miles a year. Some of the older, high-mileage vehicles need to be replaced because they are no longer considered safe and reliable.

VA	Tim Kaine, Mark Warner	Elaine Luria (02)	Town of Cape Charles	\$23,000	\$11,000	This Rural Development investment will be used to purchase a police vehicle. Each of the town of Cape Charles' six police officers has a vehicle. The policy is to rotate the vehicles every six years, taking the oldest or the one with the most mechanical problems out of service. The six-year rotation policy is for the safety of their officers and town residents. The town of Cape Charles is in Northampton County.
VA	Tim Kaine, Mark Warner	Elaine Luria (02)	Town of Exmore	\$58,000	\$50,000	This Rural Development investment will be used to purchase a six-wheel sanitation vehicle to serve the town of Exmore's residents and businesses. The town has two trucks for trash pickup. One of those vehicles was retired due to its age and poor condition, leaving one high-mileage, 10-year-old truck to service the entire town. The town of Exmore is in Northampton County.
