

Rural Energy for America Program (REAP)

This program provides loan guarantees and grants to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

| State | Congressional District | Recipient | Grant | Loan | Project Description |
|-------|------------------------|---|-----------|--------------|---|
| AK | 01 | Gwitchyaa Zhee Utility Company* | \$250,000 | \$0 | To purchase and install a biomass boiler renewable energy system. |
| AL | 02 | 4C Land & Cattle Company | \$31,902 | \$0 | To make energy efficiency improvements with the retrofitting of a poultry house. |
| AL | 07 | Alabama Catfish LLC | \$200,826 | \$0 | To make energy efficiency improvements with control units for the oxygen monitoring system. |
| AL | 07 | Anna Bryant McKibbens ^{&} | \$81,859 | \$0 | To make energy efficiency improvements with new control units for the oxygen monitoring system. |
| AL | 07 | Beeker Catfish & Cattle Farm Inc. ^{&} | \$47,564 | \$0 | To make energy efficiency improvements with new control units for the oxygen monitoring system. |
| AL | 01 | Bon Secour Valley Ingredients LLC | \$35,370 | \$0 | To purchase and install a solar renewable energy system. |
| AL | 04 | Brent A. Satterfield ^{&} | \$61,132 | \$0 | To purchase and install a solar renewable energy system. |
| AL | 05 | Fabius Poultry LLC | \$26,250 | \$0 | To purchase and install a solar renewable energy system. |
| AL | 04 | Randall Wade Adams | \$32,691 | \$0 | To purchase and install a solar renewable energy system. |
| AL | 04 | Reece Farm Inc. | \$23,670 | \$0 | To purchase and install a solar renewable energy system. |
| AL | 03 | Wadley Holdings LLC | \$81,925 | \$0 | To make energy efficiency improvements to the lighting system. |
| AL | 04 | Wootten Farms Inc. | \$38,811 | \$0 | To make energy efficiency improvements to the grain dryer. |
| AR | 04 | Dequeen Medical Center Inc.* ^{&} | \$146,576 | \$0 | To make energy efficiency improvements to the boiler and chiller. |
| AR | 04 | Duvall Enterprises Inc. | \$40,349 | \$0 | To make energy efficiency improvements to the lighting and HVAC systems. |
| AR | 04 | E & M Oil Company LLC ^{&} | \$39,291 | \$0 | To make energy efficiency improvements to the lighting system. |
| AR | 01 | Eagle Lake Farms Partnership ^{&} | \$49,829 | \$0 | To make energy efficiency improvements to the grain dryer. |
| AR | 01 | Riceland Seed Company | \$258,955 | \$0 | To purchase and install a solar renewable energy system. |
| AZ | 01 | WOF SW GGP 1 LLC ^{&} | \$444,000 | \$0 | To purchase and install an anaerobic digester renewable energy system. |
| CA | 21 | Albert Goyenette Dairy ^{&} | \$27,250 | \$0 | To make energy efficiency improvements to the refrigerator. |
| CA | 51 | Desert View LLC | \$88,111 | \$0 | To purchase and install an anaerobic digester renewable energy system. |
| CA | 21 | Lone Oak Energy LLC | \$438,899 | \$0 | To purchase and install an anaerobic digester renewable energy system. |
| CA | 50 | NLP Granger A82 LLC | \$0 | \$5,000,000 | To purchase and install a solar renewable energy system. |
| CA | 16 | Parreira Almond Processing Co. | \$70,990 | \$0 | To purchase and install a solar renewable energy system. |
| CO | 03 | Del Norte Bank, a Savings and Loan Association ^{&} | \$46,450 | \$0 | To purchase and install a solar renewable energy system. |
| CO | 02 | Hays Market of Berthoud LLC ^{&} | \$47,733 | \$0 | To make energy efficiency improvements to the refrigerator. |
| CO | 04 | Heritage Dairy LLC* | \$78,936 | \$0 | To purchase and install a wind renewable energy system. |
| CO | 03 | Mary Ann Gaston | \$11,694 | \$0 | To purchase and install a hybrid solar and hydroelectric renewable energy system. |
| CO | 03 | Snowy River Investments LLC | \$34,462 | \$0 | To purchase and install a solar renewable energy system. |
| CO | 03 | White River Electric Association* | \$177,725 | \$0 | To purchase and install a hydropower renewable energy system. |
