

Value-Added Producer Grant

Program Description : Provides funds for economic planning activities or eligible working capital expenses to enable viable Agricultural Producers to develop businesses that produce and market Value-Added Agricultural Products and to create marketing opportunities for such businesses.

State	Cong. District	Recipient	Grant	Project Description
AL	01	BON SECOUR VALLEY INGREDIENTS, LLC	\$250,000	To launch the process of food dehydration chicory, butternut squash, sqeet potatoes, and carrots to form powders, granules, and extracts to be used in human food, health supplement and in pet food.
AL	07	PR SAUCES, LLC	\$250,000	To launch Smokin' Joe's Pleasant Ridge BBQ Sauce made from tomatoes and onions grown on their farm in Eutaw, Greene County, Alabama, a persistently poor, Strike Force county. Funds will be used on processing, packaging, labor, and development of retail marketing channels.
AL	03	ROBERT ADAMS DBA LITTLE CREEK FARMS	\$42,000	To support a feasibility study for processing goat milk into farmstead cheese.
AZ	01	BLACK MESA RANCH INC	\$45,158	To help the applicant increase their customer base and market share for a goat milk fudge product.
AZ	04	CADUCEUS CELLARS	\$250,000	To help increase customer base and market share for bottled wines.
AZ	09	UNITED DAIRYMEN OF ARIZONA	\$250,000	To help the applicant process, package, and market Lactoferrin, a dietary supplement
AZ	04	ARIZONA STRONGHOLD VINEYARDS, LLC	\$250,000	To increase customer base and market share for bottled wines.
AZ	03	SCHULZ FARMS, LLC	\$46,000	To offset the cost of a feasibility study and business plan to sell processed pork products.
AR	02	ARKANSAS FOODSHED COOPERATIVE	\$24,000	To pay a consulting firm to determine the feasibility of producing and packing specific organic vegetables for wholesale markets.
AR	03	ARKANSAS RIVER VALLEY FARMS, LP	\$250,000	To pay for packaging of finished rice product that will be milled on the applicant's farm, and for packaging, marketing distribution and transportation.
AR	02	ARKANSAS SUSTAINABLE LIVESTOCK COOPERATIVE	\$239,369	To support increased personnel capacity for processing pork and beef as well as sales and marketing to support expansion and development of profitable markets for smallholder farmers in rural Arkansas.
CA	02	ACME SONOMA PROPERTIES, LLC DBA LIVE OAK	\$49,994	To expand the branding, promotion and packaging of tomatoes and parsley as local and organic produce.
CA	09	ARBURUA ENTERPRISES, INC.	\$30,000	To provide working capital to turn lamb into lamb jerky sticks with a trademarked name. Slaughter/de-boning, processing, product promotion, and distribution will be included in the project.
CA	21	BARBARA & TONY MARTIN DBA DAIRY GODDESS	\$49,000	To provide working capital to expand sales of bottled, non-homogenized/vat pasteurized whole chocolate milk, fromage blanc cheese and curds. Funds will be used for marketing, website development, attendance at the San Francisco Fancy Food show and for signage.
CA	06	BLUE DIAMOND	\$250,000	To provide working capital to expand marketing and promotional support for the sale of flavored almonds in China and Japan.
CA	01	CALROSE CO-OP	\$64,666	To assess the feasibility and marketability of flavored packages of rice intended specifically for sale to the "rice cooker" market.
CA	02	FIBERSHED	\$73,355	To develop a feasibility study and a business/marketing plan to support the regional processing of wool. The study will also include a determination of the feasibility of development of a Community Supported Agricultural program for the sale of cloth, felt and bedding products.
CA	03	FULL BELLY FARM	\$45,000	To help a small farm turn 12 agricultural commodities (fruits, vegetables, legumes) into janes, pickled products, syrups, and oils. Funding will help support packaging, supplies and labor costs for this project.
CA	02	KRUEGER, JOANNE	\$47,399	To provide working capital to turn organic apples into apple granola and apple candy. Branding, packaging design, the development of marketing materials, website development, and product roll-out and sales outreach will all be part of this project.
CA	36	NORTH SHORE GREENHOUSES, INC.	\$250,000	To provide working capital to package organically-grown herbs into Organic Living Herbs, packaged in specially designed clam shells.
CA	26	REGENERATIVE EARTH, LLC	\$75,000	To develop a feasibility study , a processing plan and business and marketing plans for turning Fuyu persimmons into persimmon vinegar.
CA	03	RIVERDOG FARM	\$183,946	To increase the processing of pork into bacon, sausage, ham, and packaged pork cuts. These products will expand the farm's operation at farmer's markets and at its farm stand, and increase marketing via its Community Supported Agriculture program.
CA	22	SAN JOAQUIN FIGS, INC.	\$49,999	To design, package and market organic-dried figs and to purchase additional inventory for new markets.
CA	16	TOP LINE MILK COMPANY INC.	\$245,000	To process whole milk into farm bottled "low and slow" pasteurized milk. Funds will be used for the processing, bottling, marketing, advertising sales outreach, and the purchase of additional packaging supplies.
CA	24	TOP O'THE MORN FARMS	\$250,000	To expand farm fresh milk sold in recyclable glass bottles into new geographic markets in Southern California. Funds will be used for the increased processing, distribution, promotion and sales support.
CA	02	HAVERTON HILL LLC	250000	To help a dairy to turn sheep milk fluid into sheep milk ice cream. Funds will be used to increase their processing, packaging, marketing, and distribution of several new flavor lines.
CO	03	SWEETGRASS COOPERATIVE	\$49,000	To process up to 100 more grass fed/organic cattle for Sweet Grass's members. Award funds will also assist with entering new markets in New Mexico and Colorado.
CO	03	THREE GUYS FARMS, INC.	\$49,650	To market and process farm grown vegetables, pork, and eggs into sorbet, wafels, and ground meat.
CO	01	AMERICAN GRASSFED ASSOCIATION	\$75,000	To develop a marketing plan and branding recognition for the group's 400 plus members that provide grass fed meats to the market.

State	Cong. District	Recipient	Grant	Project Description
CO	03	KW FARMS	\$49,500	To cover processing, marketing and delivery expenses related to the applicants grass fed meat operation.
CT	02	CATO CORNER FARM LLC	\$250,000	To expand a dairy and creamery by establishing new types of cheeses, and to increase production of existing cheeses by buying milk from other local farmers.
DE	25	FIFER ORCHARDS, INC.	\$250,000	To expand marketing efforts for a family-owned apple orchard. The orchard sells its produce directly through its Farm and Country Store, Farmers' Markets, and wholesale to schools, restaurants, and grocery stores.
FL	01	C & B FARMS INC	\$48,000	To expand markets for C&B Farms by enabling them to produce a packaged product of sealed, bagged organic green beans that can be offered to major retailers.
FL	01	CHAUTAUQUA VINEYARDS AND WINERY INC	\$250,000	To help expand the market for bottled Muscadine grape wins and bulk grape juice and wine products.
FL	03	DELVEY DICKS FARM	\$100,000	To support marketing activities of Delvey Dicks Farm's North Florida Natural Black Angus. The project will help to create a new revenue stream for the farm via a new interactive e-commerce farm store website with online marketing, promotional videos and billboard advertising.
FL	04	THF HUBERY, LLC	\$15,000	To help fund a feasibility study and support marketing, sales and distribution activities.
FL	02	JUBILEE ORCHARDS LLC	\$75,000	To support costs associated with product expansion of organic southern high bush blueberry juice and juice concentrate lines. Marketing efforts will include creating a brochure, internet marketing and product tasting and demonstrations at trade shows, farm markets, retail stores and a variety of agri-tourism events.
GA	12	CLARK, AL	\$250,000	To process, package, market and distribute USDA Certified Organic peanuts in Georgia and neighboring states.
GA	11	CLEARWATER VINEYARDS LLC	\$240,000	To help process and market grape products (wines).
GA	09	HIGHTOWER CREEK VINEYARDS LLC	\$24,962	To help process and market grape products (wines).
GA	13	LITTLE VINE VINEYARDS, INC	\$160,000	To help process and market grape products (wines).
MI	01	MICHIGAN BLUEBERRY GROWERS ASSOCIATION	\$250,000	To process blueberries into a private label to reach a new demographic.
GA	08	TILFORD WINERY LLC	\$31,500	To help with business planning activities.
GA	08	WOODLAND IMPROVEMENTS LLC	\$250,000	To help the company create wood chips that will be burned in a boiler as renewable energy.
GA	09	YONAH MOUNTAIN VINEYARDS, LLC	\$250,000	To help process and market grape products (wines).
ID	01	FIREBALL ALPACAS	\$65,436	To help support processing and marketing costs necessary to expand the market presence of recipient's line of Alpaca fiber based yarns, roving, batting, rug yarn, and felted material.
ID	01	HARLAN MOUNTAIN FARMS, LLC	\$44,000	To provide planning assistance to assess the feasibility of establishing an on-farm creamery for the production of fresh farmstead cheese using milk from recipient s herd of Nubian goats.
ID	01	MAYES, BRANDI	\$42,732	To provide working capital to increase production capacity and wholesale market presence for the company's line of herbal enhanced body care products.
ID	02	NEVILLE FARMS, INC.	\$250,000	To provide working capital to assist with processing and marketing costs necessary to expand market for value added forage cubes (horse feed) made from alfalfa and other hay.
ID	02	ONSEN FARM	\$161,455	To provide working capital to assist with marketing costs necessary to expand customer base for a line of locally-produced agricultural food products, consisting of a wide variety of fresh produce sold year round.
ID	01	PARMA RIDGE WINE & SPIRITS CO., LLC	\$49,990	To provide working capital to assist with processing and marketing costs necessary to expand recipient s production capacity and market presence for its new line of artisan wines.
ID	02	THOUSAND SPRINGS WINERY, LLC	\$250,000	To provide working capital to assist with processing and marketing costs necessary to expand market for wines.
IL	17	GRETTA'S GOAT MILK SOAP, INC.	\$41,299	To support day-to-day operating expenses associated with this farm-based goat milk soap and cheese production business.
IL	16	MORAGRA PJ FARMS	\$250,000	To assist the farming operation with the handling, verification, sales, marketing and other working capital expenses for their identity-preserved, non-GMO corn production business.
IL	16	WHISKEY ACRES DISTILLING COMPANY	\$250,000	To establish or expand markets for the farm-based distillery business.
IL	15	ROLLING LAWNS FARM LLC	\$248,000	To assist this family-owned dairy farm in processing, bottling, and selling raw milk and for toll processing of raw milk into pasteurized, homogenized, fortified and separated milk and cream products that will be packaged and sold. Funds will also be used for inventory (bottles, labels, caps) associated with this process.
IN	04	DAILY FARMS ENTERPRISES INC	\$61,532	To determine feasibility of producing the bio solvent butanol from sorghum and corn through ABE fermentation.
IN	09	GOAT MILK STUFF, LLC	\$250,000	To process goat milk into cheeses, pasteurized milk, yogurt, and other milk products. Working capital funds will be used to pay for distribution, promotional and processing expenses to convert fresh goat milk into several goat milk products.
IN	08	STECKLER, JEROME P	\$78,000	To expand sales and marketing of the family's organically raised meat, poultry, eggs, and cheese through retailers and their on farm store.
IA	01	DAN AND DEBBIE'S CREAMERY, INC.	\$151,544	To process, package and market the dairy farm's milk products, such as pasteurized milk, ice cream and cheese curds.
IA	04	PISEL, KIRK J	\$49,575	To finalize the brand and assist with creating markets for the new product CYburdog.
IA	02	BATEY, LTD.	\$49,900	To expand and develop food grade wood pellet production and marketing.

State	Cong. District	Recipient	Grant	Project Description
IA	01	GREAT RIVER MAPLE LLC	\$49,520	To package and market organic maple syrup products. The new organic produce will expand the customer base and revenue.
IA	04	NORTH IOWA FRESH LLC	\$20,756	To develop a feasibility study to assess the economic, market, technical, financial, and management capabilities of the business's expectation for success.
IA	04	SIouxLAND ENERGY COOPERATIVE	\$250,000	To pay expenses related to the development and marketing of cellulosic ethanol from locally processed corn grain.
KS	04	B'S CVF INC	\$49,948	To add value to the company's non-GMO corn, soybeans and oats ag commodity. The applicant will process the grains into non-GMO livestock feeds to fulfill the increasing customer demand of food produced GMO free.
KS	02	HOLY FIELD VINEYARD & WINERY LLC	\$81,460	To process grapes into wine and expand the current product line. Project funds will be used for marketing, processing wine, and procurement of 3rd party grapes.
KS	01	HOLY GOAT CREAMERY LLC	\$160,000	To process the goat milk into farmstead cheese and utilize funds for supplies, marketing, and food safety measures.
KS	01	MUNSON ANGUS FARMS LLC	\$250,000	To process beef into prime meat cuts and sell directly to Munson's Prime restaurant. The applicant will develop recipes to utilize all cuts of the ag commodity and expand marketing to increase the sale of their value-added product.
KS	02	SCHENKER FAMILY FARMS	\$220,000	To launch commercial processing of value-added meat products including broth, soups and entrees.
KS	03	WHITE TAIL RUN WINERY LLC	\$24,532	To process grapes into wine, expanding the current line of award-winning wines. Project funds will be used to process and market the wine, purchase of third party grapes, and hire additional personnel.
KY	02	FARMER JOE'S, LLC	\$224,167	To process and package pasteurized chicken, duck, turkey, and pork to be sold wholesale and retail in Kentucky and Cincinnati, Ohio areas.
KY	06	LANMARK FARM, LLC	\$48,853	To support processing costs and marketing activities to sell finished wool products from farm raised sheep.
KY	02	LEE'S PLANT FARM, INC.	\$250,000	To support the costs of increased processing, packaging, and marketing of locally grown produce to retail and wholesale customers in the local region.
KY	06	SIX RIDGES BEEF, LLC	\$226,598	To market, process, and distribute packaged beef, expanding the customer base and increasing revenue.
KY	04	CHELSEY'S EGGS, LLC	\$243,025	To pay for packaging, labeling, advertising and processing of local, pastured duck and chicken products serving the local community.
KY	05	CAVE HILL WINERY, LLC	\$98,875	To support processing and marketing of grapes into wine at the Winery's market expansion project.
KY	05	FOUR PETAL FARM, LLC	\$40,438	To harvest wild Appalachian Elderflower, Spicebush, Sourwood, Sumac, Autumn Olive for simple syrup products to deliver natural high quality products locally, regionally and nationally.
KY	06	HOMEgrown DIRECT, LLC	\$250,000	To market locally grown produce including various types of vegetables.
KY	05	WILDCAT MOUNTAIN CHEESE, LLC	\$95,071	To increase production and sales of farmstead artisan cheese and cheese curds from 100 pounds of cheese to 300 pounds of cheese a week.
KY	02	HINTON'S ORCHARD & FARM MARKET	\$81,618	To pay labor costs to package, market, and distribute local fruits and vegetables to retail and wholesale markets.
KY	01	PALMER FARMS MEAT, LLC	\$49,995	To support processing fees, labor, marketing and shipping of grass fed beef.
KY	06	RIVER HILL RANCH, LLC	\$49,999	To process alpaca finished products. Funds will be used for labor, manufacturing, packaging, labeling and promotional expenses.
KY	02	STILWELL, BRENDA	\$49,972	To pay processing fees, marketing costs and purchase of additional products to produce "The Original Goat Jerky Snack Stick" from fresh farm raised goats.
LA	02	BATON ROUGE SHRIMP COMPANY, INC.	\$250,000	To support an initiative to develop a cooked product line that will deliver fresh, affordable, and convenient shrimp products to families across the nation.
LA	06	CANE LAND DISTILLING, LLC	\$250,000	To extract molasses and fresh sugar cane juice from Alma Plantation sugar cane and ferment and distill it into three product types: Rhum Agricole, Heavy Rum, and Light Rum. Cane Land has commitments from customers and two distributors in each market segment.
ME	01	AMERICAN UNAGI, LLC	\$49,400	To assess the feasibility and marketability of processed products made from farm-raised American eels. Planning funds will support hiring a marketing consultant, performing consumer testing, nutritional analysis and development of a business plan.
ME	01	AVENA BOTANICALS	\$250,000	To assist with personnel, processing, and marketing costs to increase sales of organic, herbal products.
ME	02	BRAUTIGAM, NOAMI	\$24,145	To assist with the branding, processing, marketing and distribution of organic winter greens.
ME	01	DOWLING, JESSICA LAING	\$177,717	To produce and market artisan cheeses from goat and sheep milk. Working capital funds will be used for marketing, attending & participating in conferences, packaging, labeling, and labor in an effort to expand markets and increase customers.
ME	02	MITCHELL, MARGARET	\$63,856	To promote and produce canned, organic marinara sauce and salsa. Funds will support labor costs for processing, product delivery, and bookkeeping as well as advertising, marketing, jars and product labels.
ME	02	PENOBSCOT MCCRUM, LLC	\$248,000	To assist with personnel, ingredients, and marketing expenses associated with transforming raw potatoes into processed potato wedges.
ME	02	RICKER HILL ORCHARDS	\$250,000	To unify the brand, expand product reach nationally, and to increase production of raw apple cider vinegar, hard cider, fruit wines, and carbonated sweet ciders.
ME	01	THIRTY ACRE FARM, LLC	\$250,000	To expand the marketing and processing of sauerkraut and other fermented products made from organic vegetables.
ME	02	WHITNEY BROOK, LLC	\$250,000	To expand the farm's market for organic seed potatoes and table stock potatoes. Working capital funds will support labor costs, help fund marketing and packaging material expenses, and pay for distribution costs.

State	Cong. District	Recipient	Grant	Project Description
ME	01	DOGPATCH FARM, LLC	\$50,000	To brand and market pork from critically rare Mulefoot Hogs. Working capital funds will support labor costs for production, sales, marketing, and delivery as well as packaging, labeling and promotional expenses.
MD	07	CHESAPEAKE FARM TO TABLE, LLC	\$48,373	To develop and execute strategic, in-person and online marketing promotion, outreach and advertising efforts
MD	01	DUFF, LISA WHEELER	\$187,399	To increase the quantity and marketing activities of Oak Spring Farm local produce, and increase on-farm and staff capacity to promote and operate the expanded CSA operation.
MD	06	MIOLEA ORGANIC FARM	\$11,881	To provide labor to produce the certified organic jams and jellies and marketing and promotional material.
MD	05	P.A. BOWEN FARMSTEAD, LLC	\$250,000	To support processing and packaging for grass-fed meats and cheese; support staff, distribution and marketing
VT	04	OCEAN SPRAY CRANBERRIES, INC.	\$250,000	To assist with marketing and shipping cost for approximately 15,000 cases of Ocean Spray "Whole Berry" 100 percent juice blend, a new line of beverages made from whole, milled cranberries.
MA	02	WALKER FARM AT WHORTLEBERRY HILL	\$9,890	To pay for marketing, advertising and web design to expand a grass fed beef product into new markets and restaurants.
MA	01	PINE ISLAND FARM	\$67,190	To sell carbon credits on the California carbon credit exchange as a result of methane gas production from a dairy farm bio-digester.
MA	02	THE KITCHEN GARDEN LLC	\$49,992	To expand distribution and marketing of locally grown sriracha sauce made from locally grown garlic and peppers.
MI	01	AURORA CELLARS, LLC	\$240,000	To increase the the customer base and sales revenue of the direct-to-consumer wine business.
MI	01	GRAND TRAVERSE CULINARY OILS, LLC	\$7,000	To develop and complete a business plan, marketing study and feasibility study.

MI	11	MICHIGAN HOP ALLIANCE, LLC	\$248,000	To support market expansion of the frozen, pelletized hops business. This project will expand their customer base and increase revenues.
MI	01	PETOSKEY FARMS VINEYARD & WINERY LLC	\$250,000	To support market expansion for estate grown wines. This project will expand their customer base and increase revenue.
MI	11	SUNNYSIDE FARMS	\$49,900	To expand the marketing of local organic products which includes cucumbers, cabbage, garlic and dill.
MI	01	ALGOMAH ACRES HONEY FARM	\$10,500	To expand the marketing and distribution of honey mead and honey soda products.
MN	08	LEECH LAKE RESERVATION BC INC	\$250,000	To increase online marketing presence to increase sales.
MN	08	SPROUT MN	\$181,048	To increase production, distribution and consumption of locally-sourced food.
MN	07	COUNTRY BLOSSOM FARM, LLC	\$250,000	To produce and sell gourmet fruit pies, crisps and caramel apples using fruit from the farm.
MN	02	HASTINGS CO-OPERATIVE CREAMERY CO	\$250,000	To increase sales through the expansion of the company's market line, Mass Market Milk.
MN	01	LANGE, MARK	\$15,000	To conduct a feasibility study assessing local marketing of fluid milk and potential for at least one value-added processed product such as butter.
MN	07	RB'S ORGANIC PELLETIZING, LLC	\$250,000	To support pelletizing forage and grains into organic animal feed.
MN	01	SNO PAC INC	\$250,000	To expand sales of bulk organic vegetables.
MN	01	BURT'S MEAT AND POULTRY	\$48,000	To expand the sales market for locally grown hogs and cattle.
MO	08	AMANZI FARMS, LLC	\$250,000	To support marketing and packaging costs associated with producing hydroponically grown produce (lettuce, tomatoes, bell peppers).
MO	08	BAETJE FARMS, L.L.C.	\$242,000	To market organic goat cheese from the Baetje Family Farm.
MO	01	EARTH DANCE	\$250,000	To process and market produce for EarthDance, an organic farm school that produces 159 varieties of fruits, vegetables, herbs and flowers.
MO	07	EDGEWOOD CREAMERY, L.L.C.	\$250,000	To process and market milk products (cheese and cream-lined bottled milk) derived from the applicant's 260 acre farm in Southwest Missouri.
MO	03	FARM TO YOU, LLC	\$250,000	To support processing and marketing costs of a local food hub which will incorporate area farmers in Washington, MO and surrounding area.
MO	03	GIOFRE APIARIES LLC	\$225,000	To process and market honey ice cream derived from the applicant's honeybee farm in Central Missouri.
MO	04	HONEY CREEK FARM, LLC	\$49,900	To process and market soups composed of locally grown produce and meats.
MO	06	KANSAS CITY BEE COMPANY LLC	\$24,000	To pay for a feasibility study to evaluate the viability of the applicant's apiary located in northern Kansas City, Missouri.
MO	08	M.E.G. FARMS LLC	\$31,250	To fund a feasibility study and business plan for a farmer-owned non-GMO feed enterprise in Southeast Missouri.
MO	03	MISSOURI SOYBEAN ASSOCIATION	\$75,000	To conduct a feasibility study and develop a business plan for a farmer-owned and controlled small-medium size soybean crush and soybean oil refinery for non-GMO/high oleic soybeans.
MO	04	MISSOURI SPECIALTY MEATS, LLC	\$140,000	To process and market Fiesta Dave's Fajitas derived from the applicant's beef and processing facility.
MO	03	SEVEN SPRINGS WINERY, L.L.C.	\$40,000	To fund a feasibility study to determine the viability of wine-infused gelato, grape jams/jellies and grapeseed oil salt scrubs derived from the producer's 160 acre winery and vineyard.
MO	06	SHATTO FARMS, INC.	\$240,000	To process and market farmstead cheese, which is locally produced on the Shatto Family Dairy.
MO	08	WALNUT RIDGE PASTURES, LLC	\$25,000	Funds will be used for a feasibility study to evaluate the viability of pasture-raised chicken eggs.

State	Cong. District	Recipient	Grant	Project Description
MO	07	MCDONALD, VIRGIL	\$44,000	To help pay for a feasibility study to evaluate the viability of an on-farm cheese processing facility in Southwest Missouri. Project is expected to create two jobs.
MT	01	BIG MOUNTAIN CIDERWORKS	\$235,689	To process pears and apples into hard cider and distribute them locally.
NE	03	HEARTLAND NUTS N' MORE	\$49,999	To implement a marketing plan to provide a central market for member producers to sell their high-quality, nut oil from cultivar tree nuts.
NE	03	ROBINETTE FARMS	\$24,834	To process, expand the market area and distribute micro-greens, eggs from pastured hens and pastured boiler chickens.
NE	03	RYAN, NICHOLAS	\$48,996	To process and market wine, including developing materials for packaging and labeling, print materials, signage, and website design.
NE	03	WHISKEY RUN CREEK VINEYARD AND WINERY, L	\$213,350	To expand value-added marketing activities related to the processing of grapes into wine.
NE	03	22 EAGLE RANCH, LLC	\$48,000	To conduct a feasibility to determine the feasibility of establishing a distillery that processes farm raised grains to whiskey or vodka.
NE	03	ELTEE MANGALITSA'S LLC	\$49,950	To process and market Magalitsa pork. Marketing activities include website development, labeling, and advertising.
NE	03	MCKENZIE, WENDY	\$40,579	To support the processing and marketing of goat cheese.
NE	03	NEBRASKA MUSHROOM, LLC	\$154,852	To complete market expansion for packaged mushrooms to be sold to the end user.
NE	03	SANDHILLS HONEY BOTTLING COMPANY LLC	\$49,500	To expand the market of bottled honey, from central Nebraska to statewide.
NE	03	SIX BAR S RANCH PREMIUM MEATS, INC.	\$250,000	To pay eligible operational costs directly related to processing and marketing of value added meat products, including custom processing, packaging and private labeling.
NE	03	VOLCANIC PEPPERS, LLC	\$49,996	To process and marketing of hot pepper sauces - including rebranding, website development, labeling, ingredients, packaging, and advertising.
NE	03	AGRIFORCE PRODUCTS, LLC	\$29,238	To develop a feasibility study to determine the market to produce a gluten free, high-quality protein powder used in health and nutrition products.
NE	03	LAKEHOUSE FARM LLC	\$75,000	To provide a strategic plan to increase regional networking of producers, end-users and consumers, and create a joint steering committee which will be tasked with exploring the development of a Regional Food Hub to the benefit of producers and consumers.
NE	03	LAZY K EGGS, LLC	\$3,607	To expand the marketing and sales of poultry eggs and expand the customer base throughout Nebraska.
NE	03	NUTTELMAN, DENNIS	\$250,000	To provide capital to process and market Omega 3 pork.
NE	02	HELLBUSCH, ANNETTE	\$32,000	To market and distribute vegetables and help cover rental expense for an indoor farmers' market.
NE	03	SCHWARZ FAMILY FARM, LLC	\$15,500	To develop a feasibility study for making and marketing a salsa from leftover produce from the farm.
NV	02	BASIN AND RANGE WINES LLC	\$49,999	To produce and market wine from wine grapes grown by the agricultural producers.
NV	02	CHURCHILL VINEYARDS, LLC	\$49,500	To establish or expand markets for their value-added agricultural products. Grant funds will be used for working capital for producing and marketing malt made from barley grown on the farm.
NH	02	BROOKFORD FARM, LLC	\$163,136	To support increased sales, production and packaging of organic value-added dairy, meat, and diversified vegetable products.
NJ	02	BELLVIEW FARMS, INC.	\$23,978	To increase the quality of lesser known, high-value premium wine varieties, upgrade packaging, create branded items such as new winery signs, a portable event ensemble and point of purchase display racks.
NJ	02	CREAMY ACRES FARM, LLC	\$250,000	To launch an ice cream and bottled milk on-farm processing facility and increase brand awareness.
NJ	07	FOLEY, BRIAN	\$220,000	To expand production and distribution of grass-fed water buffalo meat, cheese and yogurt.
NJ	02	MARR GRANGE, LLC	\$240,000	To launch an on-farm distillery to process specialty grains, including rye, to create distilled craft whiskey. Funds will be used to market and establish the new brand.
NM	02	4-A PACKING, LLC.	\$250,000	To process chile by roasting, peeling, vacuum packaging and freezing chile in a convenient package ready for distribution and consumption.
NM	02	MT AGRICULTURAL ENTERPRISES, LLC	\$80,640	To pay for labor and supply costs associated with promotion and outreach activities to local retailers, restaurants, and "direct-to-consumer" outlets for market expansion.
NM	03	POLLO REAL, INC.	\$40,000	To expand the sale of pastured poultry by diversifying products (introducing new types of meat products and different cuts) and customer base.
NM	03	RUIZ, MESA DBA LA MESA ORGANIC FARMS	\$49,500	To process and market atole (a traditional New Mexico type of corn meal), and cider, etc. and increase distribution in the main farmers' market of Northern New Mexico.
NM	03	VIVAC WINERY, LP	\$98,121	To process grapes and package wine in kegs for ready distribution and consumption.
