

## **INTERIM INSPECTION – UTILITIES CONSTRUCTION**

- EEO and Labor posters were displayed.**
- General contractor has a job superintendent on the job at all times.**
- Copies of the resident inspection daily reports and the engineers inspections are being submitted to the local office.**
- Problems exist or the construction is not being completed in accordance with the plans and specifications. The engineer notified the local office and furnished a written review and/or inspection report of deficiencies and corrective actions recommended.**
- Partial payment estimates (accompanied by inspection reports from the engineer) contain a certification by the engineer that all material purchased and all work performed are in accordance with the plans and specifications.**
- Change orders are being appropriately processed.**
- Plans are being redlined and updated for preparation of as-built plans.**

**Revised 01/05**
