

## **Community Connect Awards - Missouri**

### **2011 GRANT AWARDS**

**Plateau Wireless, LLC**

**Brumley Town, Missouri**

**Grant Amount: \$570,800**

**Contact: James Bradley, (603) 763-7390**

**County: Miller**

**Congressional District: MO9 (project); NH2 (awardee)**

Plateau Wireless, LLC will use Rural Utilities Service funds to provide broadband services to the rural community of Brumley Town, Missouri through a fixed wireless network. The network will provide high speed Internet services to all critical community facilities, residents and businesses. A community center will be established as part of the project and the awardee plans on scheduling free training and educational classes for residents. The Miller County Sheriff's Office, Brumley Fire Department, Miller County Ambulance District, Osage Beach Ambulance, Post Office and community center will all receive broadband service free of charge for two years.

**Plateau Wireless, LLC**

**Olean Town, Missouri**

**Grant Amount: \$570,800**

**Contact: James Bradley, (603) 763-7390**

**County: Miller**

**Congressional District: MO9 (project); NH2 (awardee)**

Plateau Wireless, LLC will use Rural Utilities Service funds to provide broadband services to the residents, businesses and critical community facilities in the rural community of Olean Town, Missouri through a fixed wireless network. A community center will be established as part of the project and the awardee plans on scheduling free training and educational classes for residents. ## **2008 Grants Awards:**

**Turkeyfoot Construction, LLC. Dba Lake Communications Brownington, Missouri**

**Grant Amount: \$471,905**

**Contact: Tony Gilbert (817) 242-3830**

**County: Henry, 4th Congressional District**

Turkeyfoot Construction will use Rural Utilities Service funds to provide broadband services to the community of Brownington, Missouri. Hybrid fiber coaxial technology will be used to accomplish this goal. A community learning center will be established where local residents will receive free broadband Internet access for two years.

## **2007 Grant Awards:**

**PC One Cable, LLC. Ramsey, New Jersey**

**Grant Amount: \$416,045**

**Contact: Jim Feeney, (201) 825-9090**

**County: Camden**

PC One Cable proposes to implement a Broadband Coax infrastructure with a cable modem termination system as the backbone of its broadband network in Macks Creek, Missouri. Numerous critical community organizations will receive the broadband service free of charge. They include: Township Hall, Police Department, Volunteer Fire Department, Volunteer Rescue Squad, Elementary School, and High School. Grant funds will allow fire and rescue personnel the ability to receive virtual real time warnings bridging the digital divide between Macks Creek and the surrounding communities; allowing for faster requests for emergency medical crews and support. The Macks Creek Community Center will be built on an existing foundation slab owned by the city.
