Due to heavy demand, the Rural Utilities Services (RUS) will host a third webinar will be held on June 17th focused on the Distance Learning and Telemedicine (DLT) Grant Program. This webinar will inform participants about the major eligibility and regulatory requirements of the program and will provide detailed guidance on how to submit a successful grant application. There will also be time for participants to ask the speakers specific questions about putting together an application.

Due to the limited amount of room available for this session, interested parties must preregister with the RUS Loan Origination and Approval Division. Seats for the session will be reserved in the order in which requests are received by the RUS. Contact us soon to ensure you can attend the workshop that works best for your schedule!
