RURAL DEVELOPMENT VERMONT COMMUNITY FACILITY LOAN AND/OR GRANT PRE-APPLICATION GUIDE

This Guide is provided for the purpose of informing applicants of the items to be included in a Community Facility Loan and/or Grant Pre-Application.

You are advised against incurring obligations which would limit the range of alternatives to be considered, or which cannot be fulfilled without USDA Rural Development funds until the funds are actually made available. Therefore, you should refrain from such actions as initiating final engineering, architectural or legal work, taking actions which would have an adverse effect on the environment, taking options on land rights, developing detailed plans and specifications, or soliciting for or hiring a contractor until you are notified by USDA Rural Development to do so.
