

## USDA Rural Development's Community Programs are Open

USDA Rural Development is accepting applications for funding through the Community Facility and Water and Environmental Programs. Funds may be used by municipalities and non-profits to finance improvements to essential community facilities (healthcare facilities, municipal buildings, educational facilities and more) and to invest in water, wastewater and stormwater systems.

Application deadlines for the upcoming 2019 fiscal year are fast approaching. Apply by the "State Pool" deadline to maximize your access to funding. See program deadlines in the table below:

2019 Community Programs Deadlines			
	Deadline: State Pool (competitive)	Deadline: National Pool (more competitive)	2018 Funding in Vermont and New Hampshire
Community Facilities	December 7, 2018	April 19, 2019	\$80 Million
Water & Environmental Programs*	December 21, 2018	April 19, 2019	\$40 Million

*\*Engineers are strongly encouraged to submit Preliminary Engineering Reports (PERs) and Environmental Reports (ERs) in draft form from Oct. 5 thru Dec. 21.*

To submit a competitive application, please reach out to the Rural Development specialist servicing your area for support in developing your project and submitting your application. Find contact information included on the back.
