

Water & Waste Disposal Loan Guarantees

What does this program do?

It helps private lenders provide affordable financing to qualified borrowers to improve access to clean, reliable water and waste disposal systems for households and businesses in rural areas.

Who may apply?

Private lenders may apply for a loan guarantee on loans they make to an eligible borrower who is otherwise unable to obtain commercial credit on reasonable terms.

Eligible borrowers include:

- Most State and local governmental entities
- Nonprofit organizations
- Federally recognized Tribes

What is an eligible area?

Areas that may be served include:

- Rural areas and towns with 10,000 or fewer people - **check eligible addresses**
- Tribal lands in rural areas
- Colonias

How may funds be used?

Construct or improve facilities for:

- Drinking water
- Sanitary sewers
- Solid waste disposal
- Storm water disposal facilities

Depending on the circumstances, some funds may also be used for:

- Legal and engineering fees
- Land acquisition and equipment
- Start-up operations and maintenance
- Capitalized interest
- Other costs determined to be necessary for completion of the project
- For a complete list see **7 CFR, Part 1779.2**

What are the terms of a loan guarantee?

- Maximum guarantee is typically 90 percent of the loan amount
- Interest rates may be fixed or variable as negotiated between the lender and the borrower, subject to USDA approval
- Up to 40 year payback period, based on the useful life of the facilities financed
- Balloon payments are prohibited

Are there additional requirements?

- The borrower must have legal authority needed to construct, operate and maintain the proposed facilities and the services they provide.
- All facilities financed with the aid of a loan guarantee must be used for public purposes.

Who will service the loan?

Loans guaranteed through this program are serviced through the private lender that makes the loan, just as they would be without a guarantee.
