U.S. Agricultural Cooperative Data in Excel Format

USDA collects U.S. agricultural cooperative statistical data annually. This data is analyzed in aggregate terms and an annual statistical report is developed. The latest completed report is for 2016 statistics: https://www.rd.usda.gov/files/publications/SR80_CooperativeStatistics2016.pdf). A new report with 2017 data will be forthcoming in October 2018.

To obtain an Excel workbook file with historical aggregated data and recent year aggregated data (USDA Farmer Cooperative Statistics 1913-2017 is latest) **please request the file via email** from coopinfo@wdc.usda.gov

Thank you.
