U.S. Agricultural Cooperative Data in Excel Format

USDA collects U.S. agricultural cooperative statistical data annually. This data is analyzed in aggregate terms and an annual statistical report is developed (latest is 2016: https://www.rd.usda.gov/files/publications/SR80_CooperativeStatistics2016.pdf), as well as special studies including Top 100 ag co-ops, co-op State volume analysis, co-op employee status, etc.

To obtain an emailed excel file with historical aggregated data and recent year aggregated data **please request the file via email** from coopinfo@usda.gov

Thank you.
