

USDA Program Investments for Broadband Access in Iowa January 1, 2018 to August 21, 2023

Date	Borrower	Grant Amount	Loan Amount	Program	Description
11/15/2019	Heartland Telecommunication s Company of	\$7,210,117.00		ReConnect Grant	This Rural Development investment will be used to build a state-of-the-art fiber optic cable infrastructure in rural Iowa and South Dakota. The project will create new opportunities for medical care services, education, and agriculture. This funding will enable patients to participate in health care monitoring, interactive video sessions, and pharmaceutical support. It will allow medical providers to monitor individuals with chronic conditions and improve their quality of life while in the comfort of their own home. The availability of high-quality broadband will also create new educational opportunities. Teachers will be able to conduct video monitoring during online class testing and facilitate easier collaboration between students for group projects, while students will have easier access to information and will be able to conduct online research. Additionally, farmers operating in the funded service area will be able to take advantage of world-class tools and resources currently not available to them, including Next Generation Precision Agriculture technologies.
01/17/2020	Harmony Telephone Company	\$2,712,002.00	\$2,712,002.00	ReConnect Loan and Grant Combination	This Rural Development investment will be used to provide Harmony Telephone Company with the opportunity to deploy a fiber-to-the-premise (FTTP) network in rural areas in Minnesota and Iowa. The proposed project will result in Harmony Telephone Company deploying a Home Run, Passive Optical Network FTTP model to the funded service area. The funded service area includes 577 households, one health care center, and one critical community facility spread over 144 square miles.
01/17/2020	Osage Municipal Utilities	\$397,749.00		ReConnect Grant	This Rural Development investment will provide Osage Municipal Utilities with the opportunity to use ReConnect Program grant funding to deploy Fiber-to-the-Premise and Hybrid-Fiber-Coax infrastructure to serve farms, residents, and businesses located in rural areas of Mitchell County, Iowa. The funded service area includes 151 households spread over 20 square miles.

03/24/2020	Grand River Mutual Telephone Corporation	\$20,801,007.00		ReConnect Loan and Grant Combination	This Rural Development investment will provide Grand River Mutual Telephone Corporation with the opportunity to deploy a fiber-to-the-premise (FTTP) broadband network capable of simultaneous transmission rates of 100 megabits per second (Mbps) in rural Missouri and Iowa. The funded service areas include 2,288 households, 17 businesses, 39 farms, two educational facilities, four health care centers, and two critical community facilities spread over 518 square miles.
05/14/2020	BREDA TELEPHONE CORPORATION	\$523,749.00		ReConnect Grant	This Rural Development investment will be used to deploy a Fiber-to-the-Home (FTTH) network in rural Iowa. The funded service areas include 52 households. The total project cost is \$1,047,498. Breda Telephone Corp. substituted the 50% loan amount with matching funds of \$523,749.
10/13/2020	South Slope Cooperative Telephone Company	\$2,706,480.00	\$2,706,480.00	ReConnect Loan and Grant Combination	This Rural Development investment will be used to deploy fiber-to-the-premises broadband service in rural Iowa. The funded service area includes 763 households spread over 74.29 square miles. This awardee's headquarters is located in North Liberty, Johnson County, Iowa in Congressional District IA-02. Additionally, the total funded amount for this project is \$5,412,960.
10/21/2020	Harmony Telephone Company	\$4,876,561.00	\$4,876,561.00	ReConnect Loan and Grant Combination	This Rural Development investment will be used to deploy fiber-to-the-premises broadband service in rural Iowa. The funded service areas include 619 households spread over 51.65 square miles. This awardee's headquarters is located in Harmony, Fillmore County, MN in Congressional District MN-01. Additionally, the total funded amount for this project is \$9,753,122.
10/26/2020	Farmers' Mutual Telephone Company of Stanton, Iowa	\$2,389,260.00	\$2,389,260.00	ReConnect Loan and Grant Combination	This Rural Development investment will be used to deploy fiber-to-the-premises broadband service in rural Iowa. The funded service areas include 383 households spread over 89.35 square miles. This awardee's headquarters is located in Stanton, Montgomery County, Iowa in Congressional District IA-03. Additionally, the total funded amount for this project is \$4,778,520.

10/26/2020	Farmers Mutual Cooperative Telephone Company of Moulton, Iowa	\$4,983,753.00	\$4,983,753.00	ReConnect Loan and Grant Combination	This Rural Development investment will be used to deploy fiber-to-the-premises broadband service in rural Iowa. The funded service areas include 1,334 households and two healthcare facilities spread over 167.7 square miles. This awardee's headquarters is located in Moulton, Appanoose County, Iowa in Congressional District IA-02. Additionally, the total funded amount for this project is \$9,967,506.
10/28/2020	C-M-L TELEPHONE COOPERATIVE ASSOCIATION	\$744,004.00		ReConnect Grant	This Rural Development investment will be used to deploy fiber-to-the-premises broadband service in rural Iowa. The funded service areas include nine households spread over 1.99 square miles. The awardee's headquarters is located in Meriden, Cherokee County, Iowa in Congressional District IA-04.
10/28/2020	Citizens Mutual Telephone Cooperative)	\$731,500.00		ReConnect Loan and Grant Combination	This Rural Development investment will be used to deploy fiber-to-the-premises broadband service in rural Iowa. The funded service area includes 388 households spread over 23.86 square miles. This awardee's headquarters is located in Bloomfield, Davis County, Iowa in Congressional District IA-02.
10/28/2020	Osage Municipal Utilities	\$368,845.00		ReConnect Grant	This Rural Development investment will be used to deploy fiber-to-the-premises broadband service in rural Iowa. The funded service area includes 154 households and one essential community facility spread over 16.03 square miles. This awardee's headquarters is located in Osage, Mitchell County, IA in Congressional District IA-01.
01/25/2021	Farmers Mutual Telephone Company of Stanton Iowa	\$3,209,422.00	\$3,209,422.00	ReConnect Loan and Grant Combination	This Rural Development investment will provide Farmers Mutual Telephone Company of Stanton, Iowa with the opportunity to expand service to underserved rural areas in Red Oak, Iowa. The funded service area includes 477 households spread over 214 square miles.
12/16/2021	SAC & FOX TRIBE OF THE MISSISSIPPI IN IA	\$206,538.00		Community Connect Grants	This Rural Development investment will be used to construct a Fiber-to-the Premises system to benefit 220 residents in the Meskwaki Settlement, Tama County, Iowa. Access to this system Subscribers will expand access to economic, educational, health care, and public safety opportunities.
