BioPreferred®

Pamper Mom… And Pamper the Planet!

When Mom cares as much about the planet as she cares about her people, it makes sense to shop biobased. The BioPreferred® Program Catalog has a variety of biobased gift ideas perfect for the Mom in your life.

CANDLES & WAX MELTS

There are more than **7** candles and wax melts made of such biobased materials as soy, coconut, and beeswax listed in our Catalog, all manufactured by American-based businesses.

PERFUMES, OILS & AROMATHERAPY

O'right offers 6 different perfume products. Choose from warm, earthy accents of cedarwood or top notes of lavender and rose, or a scent of lemon, peach and nectarine. We also have **3** massage oils, including lightly scented options of ginger and lemongrass. You'll also find **11** aromatherapy products by such makers as Homedics and Muse, with exotic names like Moroccan Magic, Parisian Affair, and Aspen Fir.

SKIN & FACIAL CARE

From masks to age-defying creams and cleansers, there are more than **124** biobased facial care products in our Catalog by **22** different companies, like the Honest Company, California Natural Living, and Pacifica Beauty. You can also choose from **77** lotions, more than **40** different types of cosmetics, and **79** bath products. These product categories tend to be made from the most unique raw materials, including coriander, yam, artichoke, basil, and even weeds like clover and invasive species like Kudzu!
