Loan: \$137,523,430
Grant: \$56,965,780
Total: \$194,489,210

States	Senators	Representatives	Program	Recipient	Loan Amount	Grant Amount	Project Description
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Grants for Rural and Native Alaskan Grants	State Of Alaska Department Of Environmental Conservation	\$0.00	\$39,000.00	This Rural Development investment will be used to fund a Preliminary Engineering Report (PER) Technical Memo for the community of Pelican, Alaska. The State of Alaska's Department of Environmental Conservation Village Safe Water Program will complete the report, which will evaluate wastewater treatment alternatives for homes in the Mussel Heights subdivision. An Environmental Report will also be prepared for the selected alternative.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Grants for Rural and Native Alaskan Grants	State Of Alaska Department Of Environmental Conservation	\$0.00	\$75,000.00	This Rural Development investment will be used to fund a Preliminary Engineering Report for the community of Thorne Bay, Alaska. The State of Alaska Department of Environmental Conservation Village Safe Water Program will evaluate alternatives to address deficiencies in the wastewater treatment plant, specifically focusing on freeze protection and redundancy for the clarifier. An Environmental Report will also be completed for the selected alternative.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Grants for Rural and Native Alaskan Grants	State Of Alaska Department Of Environmental Conservation	\$0.00	\$75,000.00	This Rural Development investment will be used to fund a Preliminary Engineering Report for the community of Tanana, Alaska. The State of Alaska Department of Environmental Conservation Village Safe Water Program will evaluate alternatives for isolating sections of the water distribution system to facilitate repairs and maintenance, and assess the integrity of the wastewater collection system. An Environmental Report will also be completed for the selected alternatives.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Grants for Rural and Native Alaskan Grants	State Of Alaska Department Of Environmental Conservation	\$0.00	\$265,000.00	This Rural Development investment will be used to support the State of Alaska's Department of Environmental Conservation Remote Maintenance Worker (RMW) Program. The RMW program assists rural communities in developing the technical capacity needed to make essential infrastructure improvements.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Solid Waste Management Grants	Norton Sound Health Corporation	\$0.00	\$224,000.00	This Rural Development investment will be used to help Norton Sound Health Corporation implement the Water and Environmental Solid Waste Management Technical Assistance program in the Bering Strait/Norton Sound region of Alaska. The program will serve the communities of Brevig Mission, Diomedea, Elim, Gambell, Golovin, Koyuk, Nome, St. Michael, Savoonga, Shaktolik, Shishmaref, Stebbins, Teller, Unalakleet, Wales, and White Mountain.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$0.00	\$1,200,000.00	This Rural Development investment will be used to provide funds to complete a Rural Alaska Village Grant for the community of Yakutat, Alaska. The Alaska Native Tribal Health Consortium will finish the installation of new sewer lift stations.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$0.00	\$1,506,000.00	This Rural Development investment will be used to provide funds to complete a Rural Alaska Village Grant programs for the community of Hydaburg, Alaska. The Alaska Native Tribal Health Consortium will complete the upgrades to South Main Street Settling Tanks and New Sewage Effluent Station, in Hydaburg, Alaska.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$0.00	\$114,000.00	This Rural Development investment will be used to fund a Preliminary Engineering Report (PER) for the community of Saint Michael, Alaska. The Alaska Native Tribal Health Consortium will complete the report to evaluate alternative locations and configurations for a new central vacuum station facility, ensuring adequate service for 16 homes and improving vacuum sewer reliability for the entire community. The report will also assess necessary utilidor modifications, leveling improvements, and new force main routing to the lagoon. An Environmental Report will be prepared for the selected alternative.

**Rural Partners Network Bundle 3

 118 Projects
 Loan: \$137,523,430
 Grant: \$56,965,780
 Total: \$194,489,210

AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$0.00	\$177,000.00	This Rural Development investment will be used to fund a Preliminary Engineering Report (PER) for the community of Port Lions, Alaska. The Alaska Native Tribal Health Consortium will complete the report to evaluate alternatives for a full-scale rehabilitation or replacement of the impoundment structure and reservoir, leading to a capital project based on the recommended alternative. The report will include a hydrology study, geotechnical study, and reservoir assessment. An Environmental Report will be completed for the selected alternative.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$0.00	\$234,000.00	This Rural Development investment will be used to fund a Preliminary Engineering Report (PER) for the community of Golovin, Alaska. The Alaska Native Tribal Health Consortium will complete the report to evaluate and select alternative solutions for water and wastewater infrastructure for the new site. Geotechnical investigations will also be conducted as part of the project. An Environmental Report will be completed for the selected alternative.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$0.00	\$120,000.00	This Rural Development investment will be used to fund a Preliminary Engineering Report (PER) for the community of Angoon, Alaska. The Alaska Native Tribal Health Consortium will complete the Angoon Water Storage Tank PER, evaluating alternatives for addressing deficiencies in all of the water storage tanks. The report will assess options for repair or replacement and explore possible consolidation of tanks to meet the community's storage needs. Updated cost estimates will be included for all alternatives. An Environmental Report will be completed for the selected alternative.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$0.00	\$99,000.00	This Rural Development investment will be used to fund a Preliminary Engineering Report (PER) for the community of Koyukuk, Alaska. The Alaska Native Tribal Health Consortium will evaluate alternatives to address the sludge disposal deficiencies. The report will include cost estimates, a life cycle cost analysis, geotechnical investigation, and an environmental review of the preferred alternative, enhancing the community's health through improved sanitation infrastructure.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Community Facilities Grants	Norton Sound Health Corporation	\$0.00	\$2,265,000.00	This Rural Development will be used to construct an employee child care facility, which will include a variety of classroom sizes, administrative spaces, storage, a staff lounge, work areas and a warming kitchen to meet the needs of both employees and children. The facility will also feature a large outdoor play area with adjacent access to classrooms. Classrooms will be sized according to state of Alaska regulations and will have direct access to the exterior. This project is vital to the applicant and the broader community.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Rural Business Development Grants	Southeast Conference	\$0.00	\$51,780.00	This Rural Development investment will be used to provide technical support for local forestry sector, transportation, and sawmill companies, creating new jobs by stimulating and accelerating rural bio-based economic development in the area centered in Thorne Bay, Alaska.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	BBL Hydro Inc.	\$0.00	\$112,291.00	This Rural Development investment will be used to provide help to BBL Hydro Inc. which owns and operates the Black Bear Lake hydroelectric facility on Prince of Wales Island near Klawock and Craig. The project will refurbish the facility to provide an additional 12.5 percent electric generation capacity, equating to 673,281 kilowatt-hours (kWh) per year. This is equivalent to the electricity demand of 92 homes annually.

Rural Partners Network Bundle 3
12.04.24

118 Projects
Loan: \$137,523,430
Grant: \$56,965,780
Total: \$194,489,210

AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Community Facilities Grants	City of Craig	\$0.00	\$4,125,000.00	This Rural Development investment will be used to construct a firehouse and emergency medical system facility with equipment in the city of Craig, Alaska. The facility will centralize emergency response operations, protect essential equipment and supplies, and improve response times to emergencies in the area.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Community Facilities Grants	Alaska Municipal League	\$0.00	\$4,023,000.00	This Rural Development investment will be used to purchase heavy equipment to support rural maintenance needs for the city of Delta Junction, city of Galena, Haines Borough, city of Hooper Bay, city of Houston, city of Pilot Station, city of Sand Point, and city and borough of Yakutat.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Community Facilities Technical Assistance Training Grant	Alaska Municipal League	\$0.00	\$47,903.00	This Rural Development investment will be used to assist ten communities in the Kusilvak Census Area, Alaska. Through the support of the Alaska Municipal League, selected communities will develop reports and surveys essential for requesting financial assistance for future community facility projects.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Hope Properties LLC	\$0.00	\$17,775.00	This Rural Development investment will be used to install a new 8.1-kilowatt, roof-mounted solar photovoltaic system for Hope Properties LLC, which leases its building in Fairbanks to a counseling business. The project is expected to save \$2,173 annually and offset 7,193 kilowatt hours (kWh) of electricity, covering 99 percent of the company's energy use.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Water and Waste Disposal Loans and Grants	City of Ruby	\$0.00	\$525,000.00	This Rural Development investment will be used to construct a new municipal class III landfill, close the landfill and construction an access road, in the community of Ruby, Alaska.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Community Facilities Direct Loans and Grants	Gustavus Community Center	\$0.00	\$18,110.00	This Rural Development investment will be used to purchase gutters, downspouts, and re-vegetate the outdoor play area, as well as replace outdoor safety lighting damaged by storm runoff at the Gustavus Community Center. The center plays a vital role in this dispersed community, serving as a hub for social programs, civic events, and emergency preparedness.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Gene's, Inc.	\$0.00	\$458,063.00	This Rural Development investment will be used to install a 288.04 kilowatt (kW) roof-mounted solar photovoltaic (PV) array. Gene's Inc. is a car dealership in Fairbanks, Alaska. The project is expected to save \$38,836 annually and will replace 226,731 kilowatt-hours (kWh) per year, covering 52 percent of the company's energy use, enough to power 31 homes.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	High Energy Cost Grants	Alaska Village Electric Coop	\$0.00	\$1,490,000.00	This Rural Development investment will be used to fund a battery energy storage system to be integrated into an existing wind-diesel microgrid serving Toksook Bay, Nightmute and Tununak, Alaska.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	Community Facilities Direct Loans and Grants	City Of Nulato	\$0.00	\$28,700.00	This Rural Development investment will be used to purchase a boiler for the lower water treatment plant in Nulato, Alaska, which serves the local school and 21 homes. This equipment is critical in maintaining essential services for the community, preventing the imminent threat of service disruptions to the school and rural residents.
AK	Lisa Murkowski (AK) Dan Sullivan (AK)	Mary Peltola (AK01)	High Energy Cost Grants	Inside Passage Electric Cooperative, Inc.	\$0.00	\$1,500,000.00	This Rural Development investment will be used to fund a diesel generator replacement for Inside Passage Electric Cooperative Inc. Hoonah, Alaska.
AZ	Kyrsten Sinema (AZ) Mark Kelly (AZ)	Ruben Gallego (AZ03)	Water and Waste Disposal Technical Assistance and Training Grants	Inter Tribal Council Of Arizona Inc.	\$0.00	\$600,000.00	This Rural Development investment will be used to provide technical assistance and training to Tribal water utilities, to address compliance with federal regulations and strengthen resiliency of operation.

118 Projects
Loan: \$137,523,430
Grant: \$56,965,780
Total: \$194,489,210

AZ	Kyrsten Sinema (AZ) Mark Kelly (AZ)	David Schweikert (AZ01) Ruben Gallego (AZ03) Greg Stanton (AZ04) Eli Crane (AZ02) Raul Grijalva (AZ07)	Rural Energy Savings Program (RESP)	Trico Electric Coop	\$10,000,000.00	\$0.00	This Rural Development investment will be used to finance a relending program to qualified consumers who will implement energy efficiency measures for or at property served by qualified consumers. Trico is headquartered in Marana, Arizona serving an average of 52,952 members surrounding the city of Tucson, including portions of Pima, Pinal, and Santa Cruz counties.
AZ	Kyrsten Sinema (AZ) Mark Kelly (AZ)	Raul Grijalva (AZ07)	SEARCH - Special Evaluation Assistance for Rural Communities and Households	Wild Flower Water Co-Op	\$0.00	\$30,000.00	This Rural Development investment will be used to provide the resources for the Preliminary Engineering Report to address the issues associated with their aging water system. Wildflower Water Co-op serves the rural areas surrounding Tucson in Pima County, Arizona.
AZ	Kyrsten Sinema (AZ) Mark Kelly (AZ)	Eli Crane (AZ02)	Distance Learning and Telemedicine Grants	Cobre Valley Regional Medical Center	\$0.00	\$817,463.00	This Rural Development investment will be used to expand a telemedicine network in five hub/end-user sites in Gila and Pinal counties in Arizona. Telemedicine equipment will be added to Cobre Valley Regional Medical Center (CVRMC) hospital inpatient rooms and clinic patient rooms to support live telemedicine services for patients. The expansion of the telemedicine network will enable CVRMC to deliver high quality chronic care management, preventive care services, opioid and other drug treatment and health education benefiting 13,429 individuals.
AZ	Kyrsten Sinema (AZ) Mark Kelly (AZ)	Juan Ciscomani (AZ06) Raul Grijalva (AZ07)	Housing Preservation Grants	Pima County	\$0.00	\$75,727.00	This Rural Development investment will be used to finance the two-year term repair and rehabilitation of five units throughout Pima County, Arizona.
DC;MN;WA;WI	Amy Klobuchar (MN) Tina Smith (MN) Maria Cantwell (WA) Patty Murray (WA) Ron Johnson (WI) Tammy Baldwin (WI)	Eleanor Norton (DC01) Tom Emmer (MN06) Pete Stauber (MN08) Derek Kilmer (WA06) Dan Newhouse (WA04) Rick Larsen (WA02) Cathy McMorris Rodgers (WA05) Glenn Grothman (WI06) Tony Wied (WI08)	Rural Cooperative Development Grants	Cooperative Development Foundation	\$0.00	\$200,000.00	This Rural Development Investment will be used to assist with existing and new health care cooperatives in multiple states with enhanced technical assistance capacity, building partnerships that create cooperative solutions, raise awareness of the role cooperatives play in our national economy, host conferences, and compile and analyze data. This will build the capacity of home care worker-owners, extend home care cooperatives in rural area, and foster research and resources to make cooperatives a dominant force in home care.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Sanford Bishop (GA02)	Household Water and Well System Grants	Golden Triangle Resource Conservation And Development Area, Inc.	\$0.00	\$239,233.00	This Rural Development investment will be used to enable the grantee to assist with the immediate household water well, water testing, and septic needs within rural individual households targeting Southwest Georgia.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Austin Scott (GA08)	Rural Business Development Grants	Wiregrass Georgia Technical College	\$0.00	\$94,223.00	The Rural Development investment will be used to purchase a Motor Grader Simulator System to increase the number of certified operators in the South Georgia Area. Finding and employing certified a Motor Grader Operator is difficult which often leads to delays in job completions and/or high contract prices which are passed on to the customer/consumer. The 2023 GASF A economic conditions and outlook report identifies a heavy equipment labor shortage of up to 50 percent.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Austin Scott (GA08)	Rural Business Development Grants	Wiregrass Georgia Technical College	\$0.00	\$82,634.00	This rural development investment will be used to purchase welding booths which includes self-contained fume ventilation equipment for each booth. With the funding for the booths and ventilation equipment, the college will be able to update the current lab to accommodate more students, and thus more graduates, to meet the needs of the community and surrounding areas. The goal is to provide well prepared welders for the workforce within Ben Hill - Irwin and contiguous counties.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Austin Scott (GA08) Rick Allen (GA12) Mike Collins (GA10)	Electric Infrastructure Loan and Loan Guarantee Program	Washington Electric Membership Corp	\$24,179,000.00	\$0.00	This Rural Development investment will be used to connect 1,726 consumers, and build and improve 139 miles of line. This loan includes \$464,000 in smart grid technologies. Washington Electric Membership Corp is headquartered in Sandersville, Georgia, and serves on average 16,211 consumers through 3,088 miles of throughout ten counties in central Georgia.

Loan: \$137,523,430
Grant: \$56,965,780
Total: \$194,489,210

GA	Jon Ossoff (GA) Raphael Warnock (GA)	Rick Allen (GA12)	SEARCH - Special Evaluation Assistance for Rural Communities and Households	City Of Twin City	\$0.00	\$24,000.00	This Rural Development investment will be used to fund a Preliminary Engineering Report and Environmental Report to thoroughly evaluate the alternatives available to the city of Twin City to replace and/or repair the collection lines and other aspects of the City's sewerage system. The goal is to eliminate as much inflow and infiltration as possible and to have an efficient and cost-effective sewerage system for the city.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Rick Allen (GA12) Buddy Carter (GA01)	Electric Infrastructure Loan and Loan Guarantee Program	Canoochee Electric Membership Corp	\$83,726,000.00	\$0.00	This Rural Development investment will be used to connect 4,090 consumers, and build and improve 233 miles of line. This loan includes \$6,018,840 in smart grid technologies including 142 miles of backbone fiber. Canoochee EMC is headquartered in Reidsville, Georgia, and serves an average of 24,578 members over 2,722 miles of line in nine counties in the State of Georgia. .
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Rick Allen (GA12)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Brannen, Amanda	\$0.00	\$185,250.00	This Rural Development investment will be used to make energy efficiency improvements with the replacement of two center pivot irrigation systems and one diesel to electric pivot motor conversion. Amanda Brannen operates a small family farm specializing in row crop farming in Twin City, Bulloch County, Georgia. This project will realize \$13,800.24 per year in savings and will save the equivalent of 190,736 kilowatt hours (kWh) of electricity per year (91.84 percent), which is enough electricity to power 17 homes.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Sanford Bishop (GA02)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Harrell, Rodney	\$0.00	\$357,447.00	This Rural Development investment will be used upgrade diesel to electric. Rodney Harrell is a corn and peanut farmer located in Smithville, Lee County, Georgia and project funds will reduce irrigation energy costs. This project will realize \$106,808 per year in savings and will save the equivalent of 1,319,665 kilowatt hours (kWh) of electricity per year (94.87 percent), which is enough electricity to power 122 homes.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Sanford Bishop (GA02)	Value-Added Producer Grants	American Peanut Growers Group, LLC	\$0.00	\$250,000.00	This Rural Development investment will be used to provide working capital to process runner peanuts into roasted split peanuts. The project is in Donalsonville, Seminole County, Georgia.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Austin Scott (GA08) Sanford Bishop (GA02) Rick Allen (GA12) Buddy Carter (GA01) Mike Collins (GA10)	Distance Learning and Telemedicine Grants	Augusta University	\$0.00	\$332,010.00	This Rural Development investment will be used to equip one hub site and 14 rural end-user sites with Tele-Obstetrician emergency equipment in Appling, Bacon, Burke, Candler, Dodge, Decatur, Emanuel, Evans, Jasper, Jefferson, Jenkins, Richmond, Screven, Washington and Wilkes counties in Georgia. Medical professionals at Wellstar MCG Health in Augusta, Georgia will provide 24/7 emergency obstetric care to 14 locations benefiting 16,032 individuals.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Austin Scott (GA08) Sanford Bishop (GA02)	Distance Learning and Telemedicine Grants	Albany State University	\$0.00	\$767,922.00	This Rural Development investment will be used to equip two hub sites and four end-user sites throughout Dougherty, Crisp, Grady, Randolph and Lee counties in Georgia with synchronous conferencing systems and mobile video conferencing equipment. Instructors at Albany State University in Dougherty County, Georgia will deliver technical courses to four locations benefiting 25,049 residents.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Rick Allen (GA12) Barry Loudermilk (GA11)	Distance Learning and Telemedicine Grants	Emanuel County Hospital Authority	\$0.00	\$399,540.00	This Rural Development investment will be used to equip one end-user site located in Emanuel County, Georgia with telemedicine workstations and carts. Medical professionals in Fulton and Richmond counties in Georgia will deliver continuous monitoring and treatment recommendations to one location benefiting 62,671 individuals.

12.04.24

118 Projects
Loan: \$137,523,430
Grant: \$56,965,780
Total: \$194,489,210

GA	Jon Ossoff (GA) Raphael Warnock (GA)	Austin Scott (GA08) Rick Allen (GA12) Nikema Williams (GA05)	Distance Learning and Telemedicine Grants	Johnson County Board Of Education	\$0.00	\$589,179.00	This Rural Development investment will be used to equip six hub/end-user sites throughout Johnson County, Georgia with advanced two-way interactive video conferencing technology. Instructors at Johnson County Schools will be able to deliver and facilitate virtual field trips, dual enrollment and professional development. The Johnson County Schools Distance Learning Project will enhance educational and community partnerships with local organizations and universities across Emanuel, Fulton, Tift, Toombs and Washington counties in Georgia. This project will benefit 12,524 rural residents, improving access to educational resources for students, teachers and community members.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Austin Scott (GA08)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Thanh Duong Farm LLC	\$0.00	\$122,500.00	This Rural Development investment will used to install a 100 kilowatt (kW) solar array. Thanh Duong Farm LLC is a small poultry farm in Moultrie, Colquitt County, Georgia. This project will realize \$17,811 per year in savings and will replace 167,167 kilowatt hours (kWh) per year, enough to power 15 homes.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Sanford Bishop (GA02)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Sunnyland Farms Inc.	\$0.00	\$213,613.00	This Rural Development investment will used to install a 176.5 kilowatt (kW) solar array. Sunnyland Farms Inc. is a small pecan farm in Albany, Dougherty County, Georgia. This project will realize \$47,291 per year in savings and will replace 105,626 kilowatt hours (kWh) per year, enough to power 22 homes.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Austin Scott (GA08)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Zorelda Holdings LLC	\$0.00	\$263,501.00	This Rural Development investment will be used to upgrade washer and dryers at Zorelda Holdings Inc., a small laundry mat. Zorelda Holding Inc. is located in Moultrie, Colquitt County, Georgia. This project will save the company \$4,873 per year and will result in an energy savings of 35,284 kilowatt hours (kWh) (37.99 percent) per year, which is enough electricity to power three homes.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Sanford Bishop (GA02)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Workman, James G	\$0.00	\$190,600.00	This Rural Development investment will used to install a 178 kilowatt (kW) solar array. James Workman operates a small poultry farm in Pelham, Mitchell County, Georgia. This project will realize \$20,536 per year in savings and will replace 285,801 kilowatt hours (kWh) per year, enough to power 26 homes.
GA	Jon Ossoff (GA) Raphael Warnock (GA)	Sanford Bishop (GA02)	Housing Preservation Grants	Southwest Georgia Regional Commission	\$0.00	\$190,191.00	This Rural Development investment will be used to provide housing preservation and rehabilitation assistance to approximately 15 low-income homeowners in the following counties and cities Baker, Calhoun, Miller, Seminole, Terrell, Newton, Arlington, Edison, Leary, Morgan, Berlin, Doerun, Ellenton, Funston, Norman Park, Attapulgus, Brinson, Climax, Blakely, Damascus, Jakin, Whigham, Leesburg, Smithville, Colquitt, Baconton, Camilla, Pelham, Sale City, Donalsonville, Iron City, Bronwood, Dawson, Parrott, Sasser, Boston, Coolidge, Meigs, Ochlocknee, Poulan, Sumner, Sylvester, and Warwick. We will serve approximately fifteen (15) minority homeowners from the service area. The average amount spent on each home will range from \$10,000 to \$15,000. This amount depends on the age of the house and the written assessments.
KY	Mitch McConnell (KY) Rand Paul (KY)	James Comer (KY01)	Business and Industry Loan Guarantees	Jackson Purchase Distillery LLC	\$3,343,404.00	\$0.00	This Rural Development investment will be used to further expand existing distillery operations through the construction of a second rick house. The distillery functions as a contract distiller producing distillate for existing and start-up brands. In addition, the recipient has the ability to warehouse or store barrels for customers off site.

12.04.24

118 Projects
Loan: \$137,523,430
Grant: \$56,965,780
Total: \$194,489,210

KY	Mitch McConnell (KY) Rand Paul (KY)	Hal Rogers (KY05)	Appalachian Regional Commission Grants	City of Pineville	\$0.00	\$1,000,000.00	This Rural Development investment will be used to provide additional funding to replace sidewalks, widen streets around Courthouse Square, resurface crosswalks and parking areas with permeable pavers, burying overhead utilities, and installing public Wi-Fi. The improvements are being preformed in conjunction with sewer and stormwater improvements per an EPA consent judgement. The project will provide additional parking, improve downtown aesthetics, pedestrian safety, and add public Wi-Fi to support downtown activities and connect visitors and 1,700 residents with 27 businesses surrounding Courthouse square.
KY	Mitch McConnell (KY) Rand Paul (KY)	Hal Rogers (KY05)	Rural Business Development Grants	Kentucky Highlands Investment Corp	\$0.00	\$199,999.00	This Rural Development investment will be used to recapitalize a revolving loan fund through Kentucky Highlands Investment Corporation located in London, Laurel County, Kentucky. The project will serve 21 counties in Kentucky: Bell, Clay, Clinton, Cumberland, Estill, Harlan, Jackson, Knox, Laurel, Lee, Leslie, Letcher, Lincoln, McCreary, Owsley, Perry, Pulaski, Rockcastle, Russell, Wayne, and Whitley.
KY	Mitch McConnell (KY) Rand Paul (KY)	Hal Rogers (KY05)	Intermediary Relending Program	Kentucky Highlands Investment Corp	\$362,026.00	\$0.00	This Rural Development investment will be used to promote economic development through investment in viable businesses located in or which will locate within a 22-county service area located in southeastern Kentucky. The counties have been designated by the Appalachian Regional Commission as economically distressed. The goal is to make investments in start-up and business expansions that ultimately have the potential to create and retain at least 60 jobs. The service area includes the counties of Bell, Clay, Clinton, Cumberland, Estill, Harlan, Jackson, Knox, Laurel, Lee, Leslie, Letcher, Lincoln, Madison, McCreary, Owsley, Perry, Pulaski, Rockcastle, Russell, Wayne, and Whitley.
KY	Mitch McConnell (KY) Rand Paul (KY)	James Comer (KY01)	Community Facilities Direct Loans and Guaranteed Loans	City of Fulton	\$391,000.00	\$0.00	This Rural Development investment will be used to purchase a ladder fire truck, replacing the outdated existing fire truck. The new truck will allow for improved services by accommodating more equipment and a larger water storage tank. The project will serve more than 2,300 residents.
KY	Mitch McConnell (KY) Rand Paul (KY)	Hal Rogers (KY05)	ARC grants administered by WEP	Perry County Fiscal Court	\$0.00	\$920,800.00	This Appalachian Regional Commission investment, for which Rural Development is serving as the basic agency, will be for the renovation of six sewer lift stations. Lift stations located in the Darfork to Frogtown areas of Hazard will receive new pumps, controls, junction boxes, and other maintenance as needed. Renovations to the six lift stations will improve sewer service for about 75 businesses and 461 households.
KY	Mitch McConnell (KY) Rand Paul (KY)	Hal Rogers (KY05)	ARC grants administered by WEP	City of Harlan	\$0.00	\$1,351,416.00	This Appalachian Regional Commission investment, administered by Rural Development, will be used to install 5,500 linear feet of sewer pipe and a lift station in a distressed persistent poverty county. This project will serve nearly 27,000 people.
KY	Mitch McConnell (KY) Rand Paul (KY)	Hal Rogers (KY05)	Appalachian Regional Commission Grants	Discover Downtown Middlesboro	\$0.00	\$244,488.00	This Rural Development will be used to assist with the demolition and site cleanup of a four-story building located on Cumberland Avenue in downtown Middlesboro. This project includes one community improved through the removal of a 20,800-square-foot dilapidated building and by providing access to a 0.2-acre lot for future redevelopment.
KY	Mitch McConnell (KY) Rand Paul (KY)	Hal Rogers (KY05)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Tim Short Chrysler, LLC	\$0.00	\$198,220.00	This Rural Development investment will be used to purchase and install a combined 245.6-kilowatt solar system. The project is expected to save \$21,214 per year in energy costs and generate 161,942 kilowatt hours of energy per year, which is enough to power approximately 14 homes.

KY	Mitch McConnell (KY) Rand Paul (KY)	Hal Rogers (KY05)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Sj Automotive Holdings, Inc.	\$0.00	\$234,538.00	This Rural Development investment will be used to purchase and install a combined 245.6-kilowatt solar system. The project is expected to save \$34,577 per year in energy costs and generate 270,054 kilowatt hours of energy per year, which is enough to power 24 homes.
KY	Mitch McConnell (KY) Rand Paul (KY)	James Comer (KY01)	Rural Business Development Grants	Sprocket, Inc.	\$0.00	\$45,596.00	This Rural Development investment will be used to expand a regional virtual business incubator in order to provide small and emerging businesses greater access to a virtual, interactive online platform. The project will serve 21 counties in western Kentucky: Ballard, Caldwell, Calloway, Carlisle, Christian, Crittenden, Fulton, Graves, Henderson, Hickman, Hopkins, Livingston, Lyon, Marshall, McCracken, McLean, Muhlenberg, Todd, Trigg, Union, and Webster. The project is expected to save or create 10 jobs.
KY	Mitch McConnell (KY) Rand Paul (KY)	Hal Rogers (KY05)	Community Facilities Grants	Wolfe County Fiscal Court	\$0.00	\$39,400.00	This Rural Development investment will be used to assist with the purchase of a law enforcement vehicle to be used by the Wolfe County Sheriff's Office. This project will assist nearly 6,600 people living in a persistent poverty area.
KY	Mitch McConnell (KY) Rand Paul (KY)	Hal Rogers (KY05)	Housing Preservation Grants	Partnership Housing 67 Lone Oak	\$0.00	\$200,000.00	This Rural Development investment will be used to assist very-low income homeowners, which will entail a variety of home repairs and improvement projects for owner-occupied homes.
KY	Mitch McConnell (KY) Rand Paul (KY)	Hal Rogers (KY05)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Md Investment Holdings LLC	\$0.00	\$95,475.00	This Rural Development investment will be used to assist MD Investment Holdings LLC located in Letcher County. Project funds will be used to purchase and install a 70.6-kilowatt solar system. The project is expected to save \$12,673 per year in energy costs and generate 101,380 kilowatt hours of energy per year, which is enough to power approximately 9.31 homes.
KY	Mitch McConnell (KY) Rand Paul (KY)	Hal Rogers (KY05)	Housing Preservation Grants	Leslie Knott Letcher Perry Ca	\$0.00	\$80,000.00	This Rural Development investment will be used to assist very-low income homeowners, which will entail a variety of home repairs and improvement projects for owner-occupied homes.
KY	Mitch McConnell (KY) Rand Paul (KY)	Hal Rogers (KY05)	Housing Preservation Grants	Housing Development Alliance	\$0.00	\$200,000.00	This Rural Development investment will be used to assist very-low income homeowners, which will entail a variety of home repairs and improvement projects for owner-occupied homes.
KY	Mitch McConnell (KY) Rand Paul (KY)	James Comer (KY01)	Community Facilities Direct Loans and Grants	City of Arlington	\$0.00	\$21,700.00	This Rural Development investment will be used to purchase a 24-kilowatt generator. The project will equip the city hall and fire department building with a generator in order to provide electrical backup in the event of an outage. The city hall and fire department building serves as a shelter for city residents in the case of a natural disaster or extended electrical outage. More than 200 people will have access.
MS	Roger Wicker (MS) Cindy Hyde-Smith (MS)	Bennie Thompson (MS02)	Rural Business Development Grants	Delta Regional Auth	\$0.00	\$315,000.00	This Rural Development investment will be used to administer technical assistance and facilitate outreach activities for communities located throughout the 252 counties and parishes that comprise the eight-state Delta Regional Authority region.
MS	Roger Wicker (MS) Cindy Hyde-Smith (MS)	Bennie Thompson (MS02)	Delta Health Care Services Grants	Delta Regional Auth	\$0.00	\$1,585,000.00	This Rural Development investment will be used to administer technical assistance and facilitate outreach activities for communities located throughout the 252 counties and parishes that comprise the eight-state Delta Regional Authority region.

MS	Roger Wicker (MS) Cindy Hyde-Smith (MS)	Bennie Thompson (MS02)	Rural Business Development Grants	Winrock International Institute For Ag	\$0.00	\$99,822.00	This Rural Development investment will be used to provide technical assistance to entrepreneurs and small businesses across 10 persistent poverty Mississippi counties. The technical assistance will offer crucial support and personalized business resources by improving access to business development resources and fostering the growth of these businesses, leading to increased revenues, expanded production, and the establishment of more robust enterprises. This will help support job creation and stability by nurturing the growth of small businesses in the region.
MS	Roger Wicker (MS) Cindy Hyde-Smith (MS)	Bennie Thompson (MS02)	Delta Health Care Services Grants	Delta Health Alliance, Inc.	\$0.00	\$1,000,000.00	This Rural Development investment will be used to assist the Delta Youth Wellness Collaborative program to help bring much-needed services to rural, minority, low-income families, pregnant women and children living in three persistent poverty counties of the Mississippi Delta Region. Services of the Delta Youth Wellness Collaborative program will include youth wellness exams, referrals for services related to child behavioral concerns or mental health needs, health screenings, student-focused classes and trainings covering health literacy and nutrition, and community-focused outreach and classes to educate and engage the community on positive health implications.
MS	Roger Wicker (MS) Cindy Hyde-Smith (MS)	Bennie Thompson (MS02)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Delta Grain Co., LLC	\$0.00	\$495,392.00	This Rural Development investment will be used to install a grain dryer in Sidon, Mississippi. This project will reduce energy costs by 1,704,149 kilowatt hours (kWh) of electricity, saving \$57,059 per year.
MS	Roger Wicker (MS) Cindy Hyde-Smith (MS)	Bennie Thompson (MS02)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Cannon Ford Lincoln, LLC	\$0.00	\$332,237.00	This Rural Development investment will be used to install a 282.750 kilowatt (kW) roof-mount photovoltaic (PV) solar system. The solar electric project, located in Cleveland, Mississippi, will generate 381,013 kilowatts hours (kWh) of electricity per year.
MS	Roger Wicker (MS) Cindy Hyde-Smith (MS)	Bennie Thompson (MS02)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Cannon CDJR, LLC	\$0.00	\$100,376.00	This Rural Development investment will be used to install a 50.4 kilowatts hours (kWh) roof-mount photovoltaic solar system. The project will generate solar electric power and is located in Greenwood, Mississippi. This project will generate 66,633 kilowatts hours (kWh) of electricity per year.
MS	Roger Wicker (MS) Cindy Hyde-Smith (MS)	Bennie Thompson (MS02)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Cannon Cleveland CDJR, LLC	\$0.00	\$148,275.00	This Rural Development investment will be used to install a 87.3 kW roof-mount photovoltaic solar system. The project will generate solar electric power located in Cleveland, Mississippi. The project will generate 117,260 kilowatts hours of electricity per year.
MS	Roger Wicker (MS) Cindy Hyde-Smith (MS)	Bennie Thompson (MS02)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Cannon Chevrolet Nissan, LLC	\$0.00	\$201,358.00	This Rural Development investment will be used to install a 143.305 kilowatt (kW) roof-mount photovoltaic (PV) solar system. The project will generate solar electric power and is in Greenwood, Mississippi. The project will generate 187,503 kilowatts hours (KWH) of electricity per year.
MS	Roger Wicker (MS) Cindy Hyde-Smith (MS)	Bennie Thompson (MS02)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Cannon Cleveland, LLC	\$0.00	\$73,265.00	This Rural Development investment will be used to install a 44.135 kilowatt (kW) roof-mount photovoltaic solar system. The solar electric power project, located in Cleveland, Mississippi, will generate 61,677 kilowatts hours (kWh) of electricity per year.
MS	Roger Wicker (MS) Cindy Hyde-Smith (MS)	Bennie Thompson (MS02)	Rural Business Development Grants	Economic Dev. Authority Of Coahoma Co.	\$0.00	\$263,118.00	This Rural Development investment will be used to help the Economic Development Authority of Coahoma County purchase and install brewing equipment for a small and emerging business, Red Panther Brewing Company, in Clarksdale, Mississippi. With this new equipment, the business can begin to manufacture its own products and distribute them. The equipment will also help them expand their operation and allow the company to hire an estimated eight new employees.

MS	Roger Wicker (MS) Cindy Hyde-Smith (MS)	Bennie Thompson (MS02)	Distance Learning and Telemedicine Grants	Tunica County School District	\$0.00	\$733,295.00	This Rural Development investment will be used to equip six hub/end-user sites throughout Tunica County, Mississippi with advanced equipment such as LED walls, audio speakers, microphones and web cameras. The project aims to add teleconferencing equipment that will support counseling students and family support activities. Instructors, administrators, and faculty located at six schools in Tunica County School District will enhance the learning experience by providing students with the necessary tools to engage fully in virtual and hybrid learning models, ensuring equal access to educational opportunities regardless of location. This project will benefit 1,896 students.
MS	Roger Wicker (MS) Cindy Hyde-Smith (MS)	Bennie Thompson (MS02)	Housing Preservation Grants	Home Again Inc.	\$0.00	\$115,040.00	This Rural Development investment will be used to help 12 qualified very-low income and low-income homeowners make needed repairs or improvement to their existing home throughout Leflore and Sunflower counties in Mississippi.
MS	Roger Wicker (MS) Cindy Hyde-Smith (MS)	Bennie Thompson (MS02)	Housing Preservation Grants	Sunflower County Board Of Supervisors	\$0.00	\$115,040.00	This Rural Development investment will be used to help 12 qualified very-low income and low-income homeowners make needed repairs or improvement to their existing home throughout Sunflower County, Mississippi.
NC	Thom Tillis (NC) Ted Budd (NC)	Don Davis (NC01)	Community Facilities Grants	Roper Fire Department, Inc.	\$0.00	\$720,000.00	This Rural Development investment will be used to purchase a pumper fire truck and equipment for the Roper Fire Department. The proposed project will consist of an 1,800 gallon water tank and a 1,500 gallon per minute pump to replace the current 1999 International pumper tanker that is currently utilized as first out on a call. Due to the aging vehicle, the department has incurred excessive repair costs and may face a reduction in their Insurance Services Office rating if the engine is not replaced soon. The proposed equipment for the truck includes hand lights, extension ladder, roof ladder, attic ladder, pike poles, 2000-gallon drop tank, and a preconnected intake valve for hydrant connections. The purchase of the new truck and equipment will assist the department in providing essential fire protection and emergency services for rural residents in the service area. The funds awarded for this project represent 2024 Congressionally Directed Spending grant funds.
NC	Thom Tillis (NC) Ted Budd (NC)	David Rouzer (NC07)	Rural Economic Development Loan and Grant Program	Lumbee River EMC	\$1,000,000.00	\$0.00	This Rural Development investment will be used to provide a pass thru loan to a utilities program borrower. They will in turn lend the money to Puppy Creek Fire Department (FD) to assist in the expansion of the current fire station. The expansion will provide sleeping quarters for 8-10 FT firefighters and a new ventilation area to comply with the new cancer health and safety initiative. The FD provides a vital community service for the rural area it serves.

NC	Thom Tillis (NC) Ted Budd (NC)	David Rouzer (NC07)	Rural Business Development Grants	Advancement Regional Business Lenders	\$0.00	\$190,000.00	This Rural Development investment will be used to create a revolving loan fund for two projects. Project 1 is A Sweet Discovery LLC. It is a start-up bakery project in Fair Bluff. The community of Fair Bluff was devastated by flooding from Hurricane Matthew and then again by Hurricane Florence two years later. The town of Fair Bluff got some grant money to establish a new business center to rebuild the downtown area. This bakery will be a project in that building. She will have 1,500 square feet in that facility. Advancement plans to loan her \$120,000 at 2.99 percent that will be used for supplies, and operating capital. that will be used for supplies, and operating capital. Project 2 is the purchase of Coastal Tire and Automotive Center in Whiteville, North Carolina by CPR Management LLC (dba R4Automotive). Coastal is a successful business that has been around for over 20 years. The owners want to retire, and our client has been a mechanic for over 20 years, and he wants to purchase it. However, this is an existing profitable business, and the current owners are pricing goodwill into the purchase price. It is anticipated that the land and building are not going to appraise for enough to cover the goodwill so there will be a short fall in the amount needed to fully collateralize the loan. Advancement plans to loan 80 percent to 90 percent of the appraised amount of the property and use the RBDG funds to buy down the goodwill portion of the loan.
NC	Thom Tillis (NC) Ted Budd (NC)	Wiley Nickel (NC13)	Water and Waste Disposal Loans and Grants	Town of Princeton	\$2,400,000.00	\$10,560,000.00	This Rural Development investment will be used to provide financing assistance for the expansion of the Wastewater Treatment Plant (WWTP) for the town of Princeton. The expansion includes repairs to the headworks and upgrades to the influent and effluent pump stations at the existing WWTP, and installation of an influent pump station, multi-step isometric expansion units, an equalization basin to serve the entire WWTP, disinfection system, office and lab building, sludge handling mechanism, tertiary disc filter, emergency generator and ATS, and associated electrical, site, yard piping, and miscellaneous work on the expanded WWTP site.
NC	Thom Tillis (NC) Ted Budd (NC)	David Rouzer (NC07) Don Davis (NC01) Chuck Edwards (NC11) Wiley Nickel (NC13) Virginia Foxx (NC05)	Distance Learning and Telemedicine Grants	East Carolina University	\$0.00	\$975,571.00	This Rural Development investment will be used to equip one hub site and seven end-user sites throughout Pitt, Hertford, Pasquotank, Harnett, Jackson, Robeson, Mitchell and Brunswick counties in northern North Carolina with distance education and new patient consultation equipment. Instructors at East Carolina University in Pitt County, North Carolina will deliver distance education and telemedicine guidance and consultation to seven locations benefiting 49,055 dental students and rural residents.
NC	Thom Tillis (NC) Ted Budd (NC)	Gregory Murphy (NC03) Don Davis (NC01)	Distance Learning and Telemedicine Grants	Pitt County Memorial Hospital, Inc.	\$0.00	\$991,338.00	This Rural Development investment will be used to equip one hub site and four end-user sites throughout Pitt, Bertie, Chowan, Duplin and Hertford counties in eastern North Carolina with 195 in-room telehealth systems and nine telehealth carts. The hub will receive two telehealth carts, and the end-user sites will receive the rest of the equipment. Medical professionals at Pitt County Memorial Hospital Inc. dba ECUH Medical Center in Pitt County, North Carolina will deliver multiple specialist physician services not available at the four end-user locations benefiting 232,005 individuals.

Loan: \$137,523,430
Grant: \$56,965,780
Total: \$194,489,210

WI	Ron Johnson (WI) Tammy Baldwin (WI)	Derrick Van Orden (WI03)	Rural Energy for America Program (REAP) Renewable and Energy Efficiency Program	Black's Valley Ag Supply Inc.	\$0.00	\$51,855.00	This Rural Development investment will be used by Black's Valley Ag Supply Inc. in Durand, Wisconsin to install a solar electric array. The project is expected to save the business \$7,800 in energy costs per year and generate 132,000 kilowatt hours (kWh) of electricity per year, which is enough energy to power 12 homes.
WI	Ron Johnson (WI) Tammy Baldwin (WI)	Tony Wied (WI08)	Household Water and Well System Grants	Newcap, Inc.	\$0.00	\$323,263.00	This Rural Development investment will be used to enable the grantee to establish a revolving loan program for homeowners in Florence, Forest, Langlade, Marinette, Menominee, Oconto, Oneida, Shawano, and Vilas Counties in Wisconsin, including six tribal nations.
WV	Joe Manchin (WV) Shelley Capito (WV)	Alex Mooney (WV02)	Rural Microentrepreneur Assistance Program	Woodlands Community Lenders, Inc.	\$0.00	\$46,576.00	This Rural Development investment will be used to provide technical assistance to small businesses. Woodlands Community Lenders Inc. is a non-profit lending institution in the Potomac Highlands region of the state. The funds will be used to provide technical support to small businesses in Barbour, Randolph, Tucker, Grant, Preston, Upshur, Pocahontas, Pendleton, and Webster counties.
WV	Joe Manchin (WV) Shelley Capito (WV)	Carol Miller (WV01)	Water and Waste Disposal Loans and Grants	Town Of Sophia	\$1,000,000.00	\$1,000,000.00	This Rural Development investment will be used to construct a new wastewater treatment plant out of a 100-year flood plain located in Sophia, West Virginia. This project is proposing to size the plant large enough to treat potential flows from the communities of Coal City and Princewick. These two communities just south of Sophia are located between the Piney Creek Watershed and the Upper Guyandotte Watershed. These communities do not have municipal sewer systems. This project is also being funded by a Clean Water State Revolving Fund (CWSRF) Loan of \$3,000,000; CWSRF Debt Forgiveness of \$2,000,000; West Virginia Infrastructure and Jobs grant of \$1,000,000; and grant funds of \$4,000,000 and \$250,000 from the Raleigh County Commission.
WV	Joe Manchin (WV) Shelley Capito (WV)	Carol Miller (WV01)	Community Facilities Grants	Mcdowell County Commission	\$0.00	\$50,000.00	This Rural Development investment will be used to assist the McDowell County Sheriff's Office in the purchase of a vehicle and the necessary emergency equipment in order to provide assistance and aid to the citizens and visitors throughout the county.
WV	Joe Manchin (WV) Shelley Capito (WV)	Carol Miller (WV01)	ARC grants administered by WEP	Mingo County PSD	\$0.00	\$748,520.00	Rural Development is administering this Appalachian Regional Commission investment to extend service to 61 new customers in the eastern area of Mingo County. The project will also rehabilitate existing lines to reduce inflow and infiltration.
WV	Joe Manchin (WV) Shelley Capito (WV)	Carol Miller (WV01)	Community Facilities Direct Loans and Guaranteed Loans	Burnsville Volunteer Fire Department, Inc.	\$115,000.00	\$0.00	This Rural Development investment will be used to build an emergency shelter and multi-purpose building on the Burnsville Volunteer Fire Department's (VFD) property, as such a facility does not exist in this area. The prefabricated building will be 30'x68'x14' with a concrete pad. The concrete pad will be built upon previously disturbed soil where a firehouse was razed to the ground. The new building will include insulation, basic utility usability, and three garage doors for access. When not used as an emergency shelter, the space can store VFD equipment and supplies.
WV	Joe Manchin (WV) Shelley Capito (WV)	Alex Mooney (WV02) Carol Miller (WV01)	Distance Learning and Telemedicine Grants	Westbrook Health Services, Inc.	\$0.00	\$175,428.00	This Rural Development investment will be used to equip one hub site, six hub/end-user sites and 10 end-user sites throughout Wood, Pleasants, Ritchie, Jackson, Roane and Calhoun counties in northern West Virginia with video conferencing equipment to provide telehealth services. Medical professionals at Westbrook Health Services Inc. sites in Wood, Roane, Jackson, Pleasants and Ritchie counties in West Virginia will deliver mental health care including substance and opioid use disorder treatment to 17 locations benefiting 2,554 rural individuals.
