AL MS	Tommy Tuberville (AL) Katie Britt (AL) Roger Wicker (MS) Cindy Hyde-Smith (MS)	Jerry Carl (AL 01) Mike Ezell (MS 04)	Singing River Electric Power Association	\$125,000,000	This Rural Development investment will be used to connect 13,191 consumers, and build and improve 770 miles of line. This loan includes \$19,174,940 in smart grid technologies. Singing River Electric Power Association is headquartered in Lucedale, Mississippi, and serves 77,164 members over 7,629 miles of line in George, Greene, Harrison, Jackson, Perry, Stone, Wayne counties in the state of Mississippi, as well as parts of Mobile and Washington counties in the state of Alabama.
AR	John Boozman Tom Cotton	Rick Crawford (01) Bruce Westerman (04)	C & L Electric Cooperative Corporation	\$45,235,000	This Rural Development investment will be used to connect 2,964 consumers and build and improve 331 miles of line. This loan includes various smart grid projects in the amount of \$11,467,700 including the installation of 273 miles of fiber cable for the backbone communications network. C & L Electric is headquartered in Star City, Arkansas and provides service to an average of 22,549 consumers over 4,497 miles of line in eight Arkansas counties.
AR	John Boozman Tom Cotton	Rick Crawford (01)	Woodruff Electric Cooperative Corporation	\$42,000,000	This Rural Development investment will be used to connect 1,479 consumers, and build and improve 145 miles of line. This loan includes various smart grid projects in the amount of \$19,114,300 including the installation of 458.23 miles of backbone fiber to bring fiber communication to all its district offices. Woodruff Electric is headquartered in Forrest City, Arkansas, and serves an average of 19,881 consumers through 4,946 miles of line in seven counties in east-central Arkansas.
AR OK	John Boozman (AR) Tom Cotton (AR) James Lankford (OK) Markwayne Mullin (OK)	Bruce Westerman (AR 04) Steve Womack (AR 03) Josh Brecheen (OK 02)	Arkansas Valley Electric Cooperative Corporation	\$50,000,000	This Rural Development investment will be used to connect 4,923 consumers and build and improve 360 miles of line. This loan includes \$1,577,460 in smart grid technologies. Arkansas Valley Electric is headquartered in the city of Ozark, Arkansas serving an average of 61,397 consumers through 6,764 miles of line in ten counties in Arkansas and two counties in Oklahoma.
CO	Michael Bennet John Hickenlooper	Lauren Boebert (03) Doug Lamborn (05)	Sangre De Cristo Electric Association	\$26,841,000	This Rural Development investment will be used to connect 1,431 consumers, and build and improve 195 miles of line. This loan includes \$858,100 in smart grid technologies. Sangre De Cristo Electric is headquartered in Buena Vista, Colorado, and serves 13,329 consumers over 1,799.16 miles of line in Lake, Fremont, Custer, Saguache and Chaffee counties in Colorado.

CO	Michael Bennet John Hickenlooper	Ken Buck (04) Diana DeGette (01) Jason Crow (06) Brittany Pettersen (07)	Morgan County Rural Electric Association	\$21,568,000	This Rural Development investment will be used to connect 144 consumers, and build and improve 301 miles of line. This loan includes \$1,691,212 in smart grid technologies. Morgan County is headquartered in Fort Morgan, Colorado, and serves 8,986 consumers over 2,919 miles of line throughout six counties in northeastern Colorado.
FL	Marco Rubio Rick Scott	Neal Dunn (02) Kat Cammack (03)	Central Florida Electric Cooperative	\$39,000,000	This Rural Development investment will be used to connect 2,181 consumers, and build and improve 171 miles of line. This loan includes \$3,479,006 in smart grid technologies. Central Florida Electric is headquartered in the city of Chiefland, Florida, and serving an average of 34,982 consumers through 4,371 miles of line in Alachua, Dixie, Gilchrist and Levy counties in western Florida.
FL	Marco Rubio Rick Scott	Neal Dunn (02) John Rutherford (05)	Talquin Electric Cooperative Inc.	\$39,000,000	This Rural Development investment will be used to connect 1,720 consumers, and build and improve 144 miles of line. This loan includes \$1,545,764 in smart grid technologies. Talquin Electric is headquartered in Quincy, Florida, and serves 55,517 consumers over 4,253 miles of distribution line and 53 miles of transmission line in Gadsden, Leon, Liberty, and Wakulla counties in Florida.
FL	Marco Rubio Rick Scott	Gus Bilirakis (12) Vern Buchanan (16) Kathy Castor (14) Bill Posey (08) Laurel Lee (15) Darren Soto (09) Greg Steube (17)	Peace River Electric Cooperative	\$46,000,000	This Rural Development investment will be used to connect 10,541 consumers and build and improve 789 miles of line. This loan includes \$1,299,000 in smart grid technologies. Peace River Electric is headquartered in Wauchula, Florida and serves an average of 53,698 consumers over 4,151 miles of line in 10 counties in the east center of the state of Florida.
FL	Marco Rubio Rick Scott	Gus Bilirakis (12) Darren Soto (09) Laurel Lee (15) Greg Steube (17) Daniel Webster (11)	Withlacoochee River Electric Cooperative	\$225,000,000	This Rural Development investment will be used to connect 18,673 consumers and build and improve 580 miles of line. This loan includes various smart grid projects in the amount of \$30,547,838 including the installation of 60 miles of fiber cable and communications equipment necessary to create and operate fiber communications to connect utility owned/leased facilities. Withlacoochee River Electric is headquartered in Dade City, Florida and provides service to an average of 229,911 members over 11,505 miles of line in five counties in Florida.
FL	Marco Rubio Rick Scott	Kat Cammack (03)	Suwanee Valley Electric Cooperative	\$19,000,000	This Rural Development investment will be used to connect 1,997 consumers and build and improve 338 miles of line. This loan includes \$6,821,184 in smart grid technologies. Suwanee Valley Electric is headquartered in Live Oak, Florida and serves an average of 27,099 consumers with over 4,675 miles of line in Columbia, Hamilton, Lafayette, and Suwanee counties in Florida.

This loan includes \$850,689 in smart grid technologies. Franklin REC is headquartered in Hampton, Iowa, serving 1,946 customers over approximately 856 miles of line in the six counties in north central Iowa.
IA MN	Chuck Grassley (IA) Joni Ernst (IA) Amy Klobuchar (MN) Tina Smith (MN)	Mariannette Miller-Meeks (IA 01) Brad Finstad (MN 01)	Freeborn-Mower Electric Cooperative	\$17,000,000	This Rural Development investment will be used to connect 450 consumers and build and improve 185 miles of line. This loan includes \$2,284,785 in smart grid technologies. Freeborn-Mower Electric is headquartered in Albert Lea, Minnesota serving an average of 20,871 consumers over 2,961 miles of line in six counties in southeastern Minnesota and one county in north central Iowa.
IN	Todd Young Mike Braun	Victoria Spartz (05) Jim Baird (04)	Tipmont Rural Electric Membership Corporation	\$42,000,000	This Rural Development investment will be used to connect 1,350 consumers, and improve 678 miles of line. This loan includes various smart grid projects in the amount of \$16,689,068 including the installation of 573 miles of fiber to connect the cooperative headquarters with its substations. Tipmont REMC is headquartered in Linden, Indiana, and provides service to 28,850 consumers over 2,700 miles of line in eight counties in western Indiana.
IN	Todd Young Mike Braun	Larry Bucshon (08) Erin Houchin (09)	Harrison County Rural Electric Membership Corporation	\$23,000,000	This Rural Development investment will be used to connect 1,454 consumers, and build and improve 137 miles of line. This loan includes \$2,830,292 in smart grid technologies. Harrison County is headquartered in Corydon, Indiana, and serves an average of 23,633 members through 2,490 miles of energized line in Harrison, Floyd, Crawford, Clark and Washington counties in Southern Indiana.
IN	Todd Young Mike Braun	Rudy Yakym (02) Jim Banks (03)	Marshall County Rural Electric Membership Corporation	\$10,000,000	This Rural Development investment will be used to connect 220 consumers, and build and improve 75 miles of line. This loan includes \$993,809 in smart grid technologies. Marshall County REMC is headquartered in Plymouth, Indiana, and serves 7,334 consumers over 1,043 miles of line in six counties in northern Indiana.
IN	Todd Young Mike Braun	Larry Bucshon (08) Erin Houchin (09)	Southern Indiana Power	\$16,000,000	This Rural Development investment will be used to connect 600 consumers, and build and improve 98 miles of line. This loan includes \$1,087,286 in smart grid technologies. Southern Indiana is headquartered in Tell City, Indiana, and serving on average 9,460 consumers over 1,673 of line throughout five counties in southern Indiana.
