\$126,041,930 Loan; \$17,644,559 Grant; Total \$143,686,489

States	Senators	Representatives	Program	Recipient	Loan Amount	Grant Amount	Project Description
NC	Thom Tillis Ted Budd	Wiley Nickel (13)	Business and Industry Loan Guarantee	S8 Hospitality LLC	\$4,748,000		This Rural Development investment will be used to obtain an interim note (\$4,383,312) used to finance the purchase of a two-story, 80 room, Super 8 by Wyndham franchised hotel located in Smithfield, North Carolina. These funds will also be used to fund a PIP, working capital and pay a portion of the closing fees. The borrower's equity has been used to fund a portion of the cost to purchase the real estate. The current owners are not active in the day-to-day operations and are selling the property to focus on their primary career interest. The borrower anticipates an increase in occupancy with active management and marketing of the property in Smithfield.
NC	Thom Tillis Ted Budd	Don Davis (01)	Business and Industry Loan Guarantee	Carolina Star Hospitality LLC	\$13,085,930		This Rural Development investment will be used to provide funding to assist in the acquisition of the property and the construction of the facility. Carolina Star Hospitality LLC was formed in March 2021, for the purpose of acquiring property and construction of a 96 room Fairfield Inn by Marriott in Weldon, North Carolina. Travelers along this major interstate create high demand for hospitality and other commercial services in the Halifax County area.
WI	Ron Johnson Tammy Baldwin	Tom Tiffany (07)	Community Facilities Grant	Laona Rescue Unit Incorporated		\$2,093,000	This Rural Development investment will be used to design and construct a new emergency management system (EMS) station. The EMS building located in Laona, Wisconsin failed to pass inspection. The building owners determined building improvements are not financially feasible, which resulted in an eviction from the building. This left 911 ambulance services to area townships and the Forest County Potawatomi reservation including the hotel and casino, unmaintainable. The funds will be used to consolidate two current stations into one new central location to supply 911 services to the townships of Blackwell, Caswell, Carter, Laona, Ross and Wabeno, and the Forest County Potawatomi Reservation. This new facility will be capable of housing six ambulances, will include a classroom training space, walk-in triage room, dayroom kitchen and an operations emergency command center.
KY	Mitch McConnell Rand Paul	Hal Rogers (05)	Distance Learning and Telemedicine Grant	Trinity Family Health Incorporated		\$76,322	This Rural Development investment will be used to equip three hub/end-user sites in Knox and Clay counties in Kentucky with telemedicine equipment and software to support telemedicine capacity enhancement. Medical professionals located at Trinity Family Health will provide primary care, behavioral health care, chronic case management, psychiatric mental health treatment and voluntary family planning services to three locations benefiting 1,000 patients.

Projects: 56

\$126,041,930 Loan; \$17,644,559 Grant; Total \$143,686,489

States	Senators	Representatives	Program	Recipient	Loan Amount	Grant Amount	Project Description
MS	Roger Wicker Cindy Hyde-Smith	Bennie Thompson (02) Trent Kelly (01)	Distance Learning and Telemedicine Grant	Delta Health Alliance Incorporated		\$471,978	This Rural Development investment will be used to equip one hub site and two hub/end-user sites located in Washington and DeSoto counties in Mississippi with updates to a telehealth network, to offer new services and functionality for our rural clinicians, and offer new distance learning opportunities. Professionals located at Leland Medical Clinic, Delta Health Alliance Headquarters and The Endocrine Clinic will provide two fixed locations access to and completion of evidence-based chronic disease, diabetes and chronic pain educational programs that specifically teach participants important self-management skills to engage them in the development of customized health goals and activities to achieve those goals. It is anticipated that this project will benefit approximately 5,000 residents.
SC NC	Lindsey Graham Tim Scott (SC), Thom Tillis Ted Budd (NC)	Russell Fry (SC 07) David Rouzer (NC 07) Richardson Hudson (NC 09)	Distance Learning and Telemedicine Grant	Scotland Memorial Hospital Incorporated		\$742,432	This Rural Development investment will be used to equip seven hub/end-user sites and two end-user sites throughout Scotland and Robeson counties in North Carolina and Marlboro County in South Carolina. This project will use telemedicine equipment and software to provide Scotland Memorial Hospital with a robust telehealth and updated communications network to focus on patients receiving quality care for their mental health issues, chronic diseases and general issues that can be treated through telehealth visits. With telehealth services delivered to nine locations, it is expected that this project will benefit 31,270 patients.
WV	Joe Manchin Shelley Moore Capito	Carol Miller (01) Alex Mooney (02)	Distance Learning and Telemedicine Grant	Camden-On-Gauley Medical Center Incorporated		\$416,907	This Rural Development investment will be used to equip two hub/end-user sites and 12 end-user sites throughout the counties of Webster, Nicholas, Lewis and Fayette in West Virginia with telehealth equipment for primary care and mental health service. Medical professionals at Camden Family Health in Summersville and Camden-on-Gauley will deliver primary care and mental health services to the 14 locations benefiting 13,867 individuals.

AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grant	Alaska Native Tribal Health Consortium		\$66,000	This Rural Development investment will be used to help the community of Manley Hot Springs, Alaska, develop a preliminary engineering report and environmental report to evaluate alternatives for providing water and sewer service to 15 homes.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grant	Alaska Native Tribal Health Consortium		\$44,296	This Rural Development investment will be used to help the community of Alatna, Alaska, repair their failing sewer lagoon.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grant	Alaska Native Tribal Health Consortium		\$622,500	This Rural Development investment will be used to improve the water distribution system in the community of Galena, Alaska. The project will replace a buried water main with HDPE arctic pipe, and add 14 fire hydrants, and nine gate valves. The new water main will replace 39 water service lines and add three water service line connections for unserved homes. Water service arctic boxes will be removed.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grant	Alaska Native Tribal Health Consortium		\$4,001,042	This Rural Development investment will be used to assist the community of Thorne Bay, Alaska, to design and construct replacement of mechanical, electrical and control systems in four lift stations, reconstruct 40 manholes, and seal an additional 70 manholes with hydrophobic foam sealant.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grant	Alaska Native Tribal Health Consortium		\$383,486	This Rural Development investment will be used improve the sewage collection system in Hyدابurg, Alaska. The project includes replacing four South Main Street settling tanks with larger tanks designed for community-wide sewage collection, installing an effluent pump station downstream of the tanks to pump effluent through the southern outfall, and performing cleanup and restoration of the lagoon.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grant	Alaska Native Tribal Health Consortium		\$1,851,104	This Rural Development investment will be used to complete sewer lift stations in Yakutat, Alaska.

NC	Thom Tillis Ted Budd	David Rouzer (07)	Rural Economic Development Loan Program	Lumbee River EMC	\$2,000,000		This Rural Development investment will be used to provide a loan to Lumbee River EMC to assist Metcon Inc. with the construction of a 7,500 square foot expansion of the headquarters building in Pembroke, North Carolina. Metcon Inc. is the largest minority contractors in the Carolinas. Metcon has a total of 102 current employees and has completed over 800 projects with a focus on K-12 21st century learning environments. Loan funds will assist in the expansion of office space and working capital to purchase equipment for additional hires. Metcon estimates 21 FTEs will be created as a result of the project.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Rural Energy for America Program (REAP) Renewable Energy and Energy Efficiency Grant	Arctic Wild LLC		\$22,413	This Rural Development investment will be used to help Arctic Wild LLC install a 10.2 kilowatt (kW) photovoltaic solar system in Fairbanks, Alaska. Arctic Wild LLC is a family-owned wilderness guiding company.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Rural Energy for America Program (REAP) Renewable Energy and Energy Efficiency Grant	Metropolitan Garage LLC		\$41,021	This Rural Development investment will be used to help Metropolitan Garage LLC install a 24.8 kilowatt (kW) roof-mounted solar panel system in Fairbanks, Alaska. Metropolitan Garage has been in operation for over 20 years.
GA	Jon Ossoff Raphael Warnock	Sanford Bishop (02)	Rural Energy for America Program (REAP) Renewable Energy and Energy Efficiency Grant	Georgia Cold Storage Incorporated		\$322,550	This Rural Development investment will be used to purchase and install a 330 kilowatt (kW) solar array for Georgia Cold Storage Inc., a large warehouse used to cool peanuts, and cool and freeze other foods in Blakely, Early County, Georgia. This project will realize \$41,570 per year in savings and will replace 490,420 kilowatt hours (kWh) per year, enough to power 45 homes.
GA	Jon Ossoff Raphael Warnock	Sanford Bishop (02)	Rural Energy for America Program (REAP) Renewable Energy and Energy Efficiency Grant	Modern Gas Company Incorporated		\$80,000	This Rural Development investment will be used to purchase and install a 50 kilowatt (kW) solar array for their company facility. Modern Gas Company is a propane gas supply company in Leesburg, Lee County, Georgia. This project will realize \$8,845 per year in savings and will replace 490,420 kilowatt hours (kWh) per year, enough to power 45 homes.

Projects: 56

\$126,041,930 Loan; \$17,644,559 Grant; Total \$143,686,489

States	Senators	Representatives	Program	Recipient	Loan Amount	Grant Amount	Project Description
NC	Thom Tillis Ted Budd	David Rouzer (NC 07)	Rural Energy for America Program (REAP) Renewable Energy and Energy Efficiency Grant	C Roberts Farms LLC		\$251,321	This Rural Development investment will be used to improve C. Roberts Farms LLC's poultry farm operations. Project funds will be used to purchase and install personnel doors, lights, ceiling insulation, controllers, cool cells, service doors, fans, tunnel doors, vent doors, and improve heaters and wall curtains. This project will save the farm \$9,679 per year and will save 72,385 kilowatt hours (kWh) per year, which is enough electricity to power six homes.
NC	Thom Tillis Ted Budd	Richard Hudson (09)	Rural Energy for America Program (REAP) Renewable Energy and Energy Efficiency Grant	James Randall Smith		\$75,912	This Rural Development investment will be used to purchase and install insulation, replace service doors, install attic vents and improve heaters at the James R. Smith poultry farm operation. This project will save the farm \$10,483 per year and will reduce energy use by 14,356 kilowatt hours (kWh) per year, which is enough electricity to power one home.
NM	Martin Heinrich Ben Ray Lujan	Gabe Vasquez (02)	Rural Energy for America Program (REAP) Renewable Energy and Energy Efficiency Grant	Dona Ana Biogas LLC		\$1,000,000	This Rural Development investment is being used to assist Dona Ana Biofuel and Nutrient Recovery Facility (DABNRF) purchase and install a state-of-the-art waste to energy project anaerobic digestion system including tanks. Located outside of Mesquite, in southern New Mexico, this facility will take cow manure from 20,000 cows located on four dairy farms within a six-mile radius of the project site and convert the raw material into natural gas and solid fertilizer. This gas will be injected into the Kinder Morgan pipeline approximately 3.2 miles to the southwest of the DABNRF via a pipeline interconnection. The digestate liquids will be sent to an evaporation pond. Digestate solids will be windrowed and turned for four to six weeks and then sold in bulk. All four farms, Mountain View, Bright Star, Del Oro and Sunset Dairy, are owned by the DeRuyter family.
NM	Martin Heinrich Ben Ray Lujan	Teresa Leger Fernandez (03)	Rural Energy for America Program (REAP) Renewable Energy and Energy Efficiency Grant	Brett Chomer LLC		\$23,913	This Rural Development investment will be used to assist Brett Chomer LLC purchase and install a R-28 roof insulation system. Brett Chomer LLC is an art studio located in Cimarron, New Mexico. After the energy efficiency improvement is completed, the business will see \$173 savings in the annual electric bill. It will save 931 kilowatt hours (kWh) of electricity which is more than 38 percent of the electricity the business uses every year.

WI	Ron Johnson Tammy Baldwin	Tom Tiffany (07)	Rural Energy for America Program (REAP) Renewable Energy and Energy Efficiency Grant	Northwoods Dentistry SC		\$28,101	This Rural Development investment will be used to help Northwoods Dentistry install a solar electric array in Phillips, Wisconsin. This project is expected to save the business more than \$5,000 per year in electrical costs and replace 35,000 kilowatt hours (kWh) (87 percent of the business' energy use) per year, which is enough to power three homes.
WI	Ron Johnson Tammy Baldwin	Derrick Van Orden (03)	Rural Energy for America Program (REAP) Renewable Energy and Energy Efficiency Grant	Poeschel Hidden Valley LLC		\$97,350	This Rural Development investment will be used to help Poeschel Hidden Valley LLC purchase and install a more energy-efficient grain dryer. Poeschel Hidden Valley LLC is an agricultural producer in Durand, Wisconsin. The new system is expected to save the company \$5,422 per year in electrical costs.
WI	Ron Johnson Tammy Baldwin	Derrick Van Orden (03)	Rural Energy for America Program (REAP) Renewable Energy and Energy Efficiency Grant	Vicki Berger		\$14,716	This Rural Development investment will be used to help Vicki Berger install a small solar electric array. This rural small business operates in Strum, Wisconsin and the project is expected to save the company \$1,426 per year in electrical costs. It will replace 24,646 kilowatt hours (kWh) (100 percent of the business's energy use) per year, which is enough energy to power two homes.
WI	Ron Johnson Tammy Baldwin	Tom Tiffany (07)	Rural Energy for America Program (REAP) Renewable Energy and Energy Efficiency Grant	Wisconsin Truss Incorporated		\$132,770	This Rural Development investment will be used to help Wisconsin Truss Inc. install a solar electric array. This rural small business operates in Cornell, Wisconsin and the project is expected to save \$14,328 per year. It will replace 179,556 kilowatt-hours (kWh) (100 percent of the business's energy use) per year, which is enough energy to power 16 homes.
WI	Ron Johnson Tammy Baldwin	Tom Tiffany (07)	Rural Energy for America Program (REAP) Renewable Energy and Energy Efficiency Grant	Hilger Farms Incorporated		\$181,527	This Rural Development investment will be used to help Hilger Farms Inc. install a more energy efficient grain dryer. The farming operation is based in Bloomer, Wisconsin and this project is expected to save \$8,987 per year. It will save 143,469 kilowatt hours (kWh) (50 percent of the farm's energy use) per year, which is enough energy to power 13 homes.

PR		Jennifer Gonzalez-Colon	Water and Waste Disposal Grant - Disaster	Acueducto Rural Palmarito Cintron Incorporated		\$226,000	This Rural Development investment will be used to acquire a 30 thousand volt amp electrical generator. After the passing of Hurricane Maria, the Island of Puerto Rico was left with a completely demolished power grid. In some areas, it took over a year to reestablish electric power and water. These funds will assist in the mitigation measure to ensure the ability to provide safe drinking water to Acueducto Rural Palmarito Cintron Inc.'s community members in the event of any future power outages.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Solid Waste Management Grant	Norton Sound Health Corporation		\$176,000	This Rural Development investment will be used to support two solid waste management workshops near Nome, Alaska. Participants from 16 communities will learn to conduct environmental assessments of solid waste sites, focusing on contamination threats to water resources and air quality.
				Totals	\$126,041,930	\$17,644,559	
				Combined Loan/Grant Total	\$143,686,489
