Certification Under Section 1511 of the American Recovery and Reinvestment Act

Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5(Feb. 17 2009)("ARRA") I, Trevor Bissey, President of the Village Board of The Village of Clay City, hereby certify that the following infrastructure investment has received the full review and vetting required by law and that I accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars. I further certify that the specific information required by Section 1511 concerning these investments is as follows:

Project Name: Village of Clay City, Sanitary Sewer Treatment Facility Project

Type of Work: This project will include a pumping station, force main, and treatment facility. The project would consist of an aerated lagoon system to treat Clay City sanitary sewage prior to discharge to the Little Wabash River. New pumping station at the existing treatment facility, new force main to the aerated lagoon system located north of Clay City, aerated lagoons and aerated rock filter, cascade aeration and disinfection. The flow from the collection system will discharge to a new pumping station at the existing treatment plant site. The flow will be pumped to an aerated lagoon system approximately ¾ mile north of Clay City.

Total Estimated Costs: \$ 1,412,000

ARRA Funds: \$ 1,062,000

I understand that The Village of Clay City may not receive infrastructure investment funding from funds made available in this Act unless this certification is made and posted.

Trevor Bissey, Village President
