

**Certification Under section 1511 of the American Recovery and Reinvestment Act**

Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act (Pub. L.111-5(Feb. 172009)) ( "ARRA" )

I, Duncan Ross, Chairman of the; Town of Oak Bluffs, MA; hereby certify that the following infrastructure investment has received the full review and vetting required by law and that I accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars. I further certify that the specific information required by Section 1511 concerning these investments is as follows:

- To construct 2 open 160 foot square sand beds on the Leonardo property for effluent disposal on adjacent wastewater treatment facility property and the installation of a new pumping station on this site. This will replace the failed Ocean park beds.
- The project also includes a 14,000 foot 4" forced main & pumping station to the islands' high school and community complex buildings. This will reduce the amount of nitrogen entering the Lagoon Pond watershed as well as Zone II public water supply wells.
- Total project costs are estimated at \$2,444,000. This project represents 45% ARRA funds.

I understand that the Town of Oak Bluffs may not receive infrastructure investment funding from funds made available in this Act unless this certification is made and posted by Rural Development

  
Duncan Ross, Chairman
