**Inspection (41 CFR 102-74.370).** Federal agencies may, at their discretion, inspect packages, briefcases and other containers in the immediate possession of visitors, employees or other persons entering on, working at, visiting, or departing from Federal property. - (b) Close property to the public during working hours only when situations require the action to ensure the orderly conduct of Government business. The designated official under the Occupant Agency Program may make such decision only after consultation with the buildings manager and the highest ranking representative of the law enforcement organization responsible for protection of the property or the area. The designated official is defined in Sec. 102-71.20 of this chapter as the highest ranking official of the primary occupant agency, or the alternate high-level ranking official or designee selected by mutual agreement by other occupant agency officials; and
- (c) When property or a portion thereof is closed to the public, restrict admission to the property or the affected portion to authorized persons who must register upon entry to the property and must, when requested, display Government or other authorized identification to Federal police officers or other authorized individuals when entering, leaving or while on the property.
