Recent Agricultural Cooperative Statistics and Reports

USDA collects cooperative statistical data from the population of U.S. agricultural cooperatives annually. Aggregated statistical results are published in an annual comprehensive statistical report, and as well, includes a section on the Nation's Top 100 cooperatives as ranked by total business volume.

For the long versions of the above bulletins, please request at: coopinfo@usda.gov

The tables and charts that are in the 2022 bulletins are available in Excel workbook format (***USDA Historical Farmer Cooperative Statistics, 1913-2022***).

Also available by request is an Excel workbook of **United States maps of the 2022 state-level data**. (Note that it is a rather large file.)

U.S. Agricultural Cooperative Directory in Excel Format

The "Directory of Rural Farmer, Rancher, and Fishery Cooperatives" (previously Service Report 22) is updated on a regular basis and is available in Excel workbook format (the hard copy reports found online are dated).

Historical Agricultural Cooperative Data in Excel Format

As mentioned above, USDA has available an Excel workbook file of aggregated historical data and aggregated data from more recent years. ***USDA Farmer Cooperative Statistics 1913-2022*** is the latest.
