The Northeast Service Cooperative (NESC) proposes a Fiber-to-the-Home (FTTH) or last mile project on the Fond du Lac Reservation in order to address the lack of broadband availability to the rural population, critical public services and businesses. NESC will partner with the Fond du Lac Band of Superior Chippewa and provide broadband on portions of the Fond du Lac Reservation.

**Update:** This award was transferred to Fond du Lac Band of Ojibway in FY 2016. The project purpose remains intact, with Fond du lac as the recipient of grant funds. Fond du lac continued to work with NESC on the project.
