

**Electric Loan Program
March 4, 2020**

State	Sen.	Rep.	Recipient	Loans	Project Description
AR	Tom Cotton, John Boozman	Rick Crawford (01)	Chicot Solar	\$57,750,000	This Rural Development investment will be used to develop a 100 megawatt (mW) solar photovoltaic farm in Chicot County, Ark. NextEra Energy Resources, LLC is the parent company of Chicot Solar, LLC. this loan will serve 10,636 customers in southeastern Arkansas.
CA, OR and NV	Dianne Feinstein, Kamala Harris (CA) Jeff Merkley, Ron Wyden (OR) Catherine Cortez Masto, Jacky Rosen (NV)	Doug LaMalfa (CA-01), Greg Walden (OR-02), Mark Amodei (NV-02)	Surprise Valley Electric Corp.	\$1,700,000	This Rural Development investment will be used to purchase and make improvements to a headquarters facility. Surprise Valley Electrification Corp. is located in Alturas, Calif. It serves more than 6,443 customers over 7,650 miles of line in four counties in California, Nevada and Oregon.
GA	Kelly Loeffler, David Perdue	Rick Allen (12)	Altamaha Electric Membership Corp.	\$16,500,000	This Rural Development investment will be used to connect 1,834 consumers, and build and improve 621 miles of line. This loan includes \$835,201 in smart grid technologies. Altamaha, headquartered in Lyons, Ga., provides service to 20,700 customers over 3,298 miles of line in seven counties in southeastern Georgia.
KY	Mitch McConnell, Rand Paul	Garland Andy Barr (06)	East Kentucky Power Cooperative Inc.	\$347,049,000	This Rural Development loan guarantee investment will be used to make generation system improvements to enhance system reliability. Eastern Kentucky Power generates wholesale electricity and provides bulk transmission services to 16 distribution member cooperatives, which in turn serve the power needs of approximately 595,016 meters and 541,382 member-consumers in the eastern two-thirds of Kentucky. Its member consumers are located in 89 of Kentucky's 120 counties.
IN	Mike Braun, Todd Young	Greg Pence (06)	Decatur County REMC	\$6,500,000	This Rural Development investment will be used to connect 372 consumers, and build and improve 101 miles of line. Decatur, headquartered in Greensburg, Ind., serves 7,995 customers over 1,058 miles of line in six counties in southeastern Indiana.

**Electric Loan Program
March 4, 2020**

State	Sen.	Rep.	Recipient	Loans	Project Description
MN SD	Amy Klobuchar, Tina Smith (MN), Mike Rounds, John Thune (SD)	Collin Peterson (MN-07), Dusty Johnson (SD-At Large)	East River Electric Power Cooperative	\$198,910,000	This Rural Development investment will be used to build substations, update others, improve headquarters facilities, and build and improve 604 miles of transmission line. The project also includes smart grid technologies, including 65 miles of fiber cable between substations to enhance communications capability. East River is a generation and transmission electric cooperative headquartered in Madison, S.D. It provides power to 25 rural electric utilities that serve 41 counties in eastern South Dakota and 22 counties in western Minnesota.
NC	Richard Burr, Thom Tillis	Gregory Murphy (03)	Cape Hatteras EMC	\$13,499,000	This Rural Development investment will be used to install a 115 kilovolt transmission line associated with the Rodanthe Bridge, and make transmission system improvements. Cape Hatteras, headquartered in Buxton, N.C., serves 7,800 customers over 350 miles of line along North Carolina's Outer Banks.
NC	Richard Burr, Thom Tillis	Patrick McHenry (10)	Rutherford Electric Membership Corp.	\$25,000,000	This Rural Development investment will be used to connect 2,796 consumers, and build 105 miles of line. Rutherford, headquartered in Forset City, N.C., serves 70,150 customers over 7,363 miles of line in 10 counties in southwestern North Carolina.
NC	Richard Burr, Thom Tillis	David Rouzer (07)	Brunswick Electric Membership Corp.	\$77,760,000	This Rural Development investment will be used to connect 10,288 consumers, and build and improve 274 miles of line. This loan includes \$3.5 million in smart grid technologies. Brunswick, headquartered in Shallotte, N.C., serves 93,154 customers over 6,814 miles of line in Bladen, Brunswick, Columbus and Robeson counties in southeastern North Carolina.
ND	Kevin Cramer, John Hoeven	Kelly Armstrong (At Large)	Burke-Divide Electric Cooperative	\$10,000,000	This Rural Development investment will be used to connect 68 consumers, and build and improve 84 miles of line. The project includes \$59,285 in smart grid technologies. Burke-Divide, headquartered in Columbus, N.D., serves approximately 3,500 customers over 2,642 miles of line in six counties in northwest North Dakota.
ND	Kevin Cramer, John Hoeven	Kelly Armstrong (At Large)	Nodak Electric Cooperative	\$29,737,000	This Rural Development investment will be used to connect 1,431 consumers, and build and improve 247 miles of line. This project includes \$1.2 million in smart grid technologies. Nodak is headquartered in Grand Forks, N.D. It serves more than 19,500 customers over 8,200 miles of line in 13 counties in northeast North Dakota.
NE	Deb Fischer, Ben Sasse	Arian Smith (03)	KBR Rural Public Power District	\$8,218,000	This Rural Development investment will be used to connect 260 consumers, and build and improve 65 miles of line. This project includes \$418,338 in smart grid technologies. KBR is headquartered in Ainsworth, Neb. It serves 4,847 customers over 2,604 miles of line in five counties in north central Nebraska.

Electric Loan Program
March 4, 2020

State	Sen.	Rep.	Recipient	Loans	Project Description
OH	Sherrrod Brown, Rob Portman	Bill Johnson (06)	Washington Electric Cooperative	\$16,658,000	This Rural Development investment will be used to connect 500 consumers, and build and improve 44 miles of line. This project includes \$1.1 million in smart grid technologies. Washington Electric serves more than 10,500 customers over 1,767 miles of line in six counties in southeastern Ohio.
OH	Sherrrod Brown, Rob Portman	Brad Wenstrup (02)	Adams Rural Electric Cooperative	\$4,500,000	This Rural Development investment will be used to connect 400 consumers, and build and improve 44 miles of line. This project includes \$53,877 in smart grid technologies. Adams is headquartered in West Union, Ohio. It serves approximately 7,800 customers over 1,327 miles of line in five counties in southern Ohio.
OH	Sherrrod Brown, Rob Portman	Steve Stivers (15)	South Central Power Company	\$39,000,000	This Rural Development investment will be used to build two new headquarter facilities; (1) a service and warehouse facility in Fairfield County and (2) a new Hillsboro Service Center in Highland County. South Central's headquarter is located in Lancaster, Ohio, and provides service to 120,315 customers over 12,183 miles of line in 18 counties in Ohio.
OK	James Inhofe, James Lankford	Markwayne Mullin (02)	East Central Oklahoma Electric Cooperative	\$16,460,000	This Rural Development investment will be used to connect 1,188 consumers, and build 37 miles of line. East Central is headquartered in Okmulgee, Okla. It serves nearly 34,000 customers over 6,270 miles of line in seven counties in east central Oklahoma.
SC	Lindsey Graham, Tim Scott	Jeff Duncan (03)	Little River Electric Cooperative	\$16,000,000	This Rural Development investment will be used to connect 1,043 consumers, and build and improve 142 miles of line. This project includes \$3,376,175 in smart grid technologies. Little River is headquartered in Abbeville, S.C. It serves 14,257 customers over 2,082 miles of line in Abbeville, Anderson, Greenwood and McCormick counties.
SD	Mike Rounds, John Thune	Duty Johnson (At Large)	CAM-WAL Electric Cooperative Inc.	\$9,707,000	This Rural Development investment will be used to connect 150 consumers, and build and improve 335 miles of line. The loan includes \$181,800 in smart grid technologies. Cam-Wal, headquartered in Selby, S.D., serves 2,463 customers over 1,438 miles of line in six counties.
SD	Mike Rounds, John Thune	Duty Johnson (At Large)	Douglas Electric Cooperative	\$1,676,000	This Rural Development investment will be used to connect 36 consumers, and build and improve 38 miles of line. Douglas is headquartered in Armour, S.D., It serves 800 customers over 504 miles of line in Aurora, Charles Mix, Douglas and Hutchinson counties in southeastern South Dakota.
VA	Tim Kaine, Mark Warner	Ben Cline (06)	BARC Electric Cooperative Inc.	\$3,351,000	This Rural Development investment will be used to build 16 miles of line. BARC, headquartered in Millboro, Va., serves 13,000 customers over 2,031 miles of line in five counties in western Virginia.
			TOTAL	\$899,975,000
