Effective from April 1, 2024, through June 30, 2024, the interest rates for Water and Waste Disposal loans approved on or after May 23, 2008 are as follows:

Poverty Line....decreased to.....2.125%
Intermediate....decreased to.....2.750%
Market.....decreased to.....3.500%

Also, the rate for Watershed Protection and Flood Prevention loans and Resource Conservation and Development loans is set by the same method as outlined above for current Water and Waste Disposal market rate loans and is as follows:

CURRENT RATE	NEW RATE
