

Oregon Performance Report

In Fiscal Year 2020, the U.S. Department of Agriculture (USDA) Rural Development invested **\$680 million** in loans, loan guarantees, and grants to improve the economy and quality of life in rural Oregon.

Single Family Housing Programs

Rural Development helped 2,225 low-income rural Oregonians purchase, build, or repair their homes through \$542.6 million in loans and loan guarantees and nearly \$195,000 in grants.

Multi-Family Housing Programs

Rural Development invested \$14.1 million to preserve affordable rental housing in rural Oregon and provided \$25.1 million in rental assistance to 4,050 families living at USDA-financed apartments.

Electric Programs

Rural Development invested \$3 million in loans to support electric utilities serving rural Oregon.

Telecommunications Programs

Rural Development invested \$19 million in grants to build high-speed broadband infrastructure in rural and frontier areas of Oregon and to create distance learning programs.

Business and Cooperative Programs

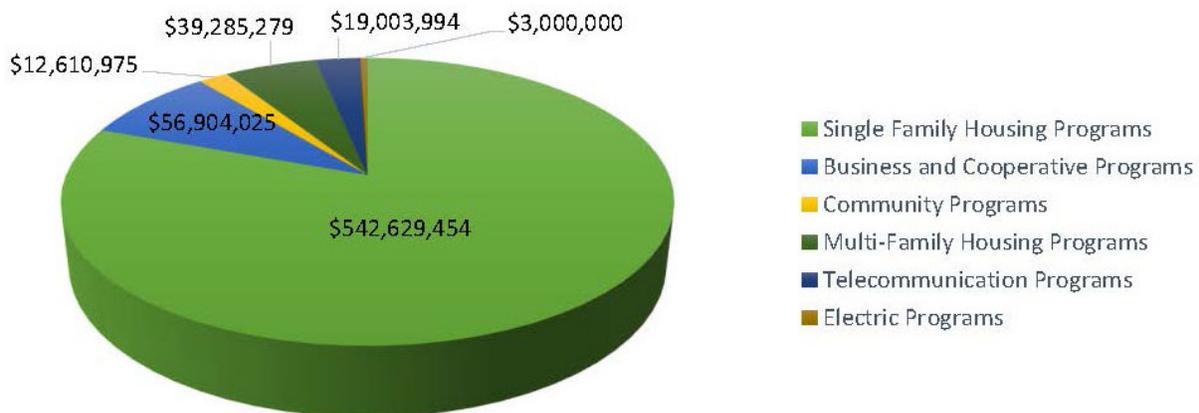

Rural Development invested \$50.9 million in loan guarantees, \$1 million in loans, and \$4.9 million in grants to assist with rural business start-up and expansion, job creation and retention, adoption of renewable energy and energy efficiency improvements, and access to capital across rural Oregon.

Community Programs

Rural Development invested \$5.5 million in loans and \$1.8 million in grants to build or improve community facilities, such as fire stations and health clinics, providing essential services to nearly 49,000 rural Oregonians.

Rural Development also invested \$2.5 million in loans and \$2.8 million in grants in three projects that will provide reliable, clean drinking water or waste disposal to more than 5,050 rural Oregon residents.
