Non-Electronic Loan Closing and Paper Check Guide
Submitting the Closing Package

This guide provides delivery instructions for the closing documents and paper checks for the upfront Guarantee Fee and Technology fee for lenders not using the electronic Lender Loan Closing (LLC) System. The lender must follow the steps precisely to receive their Loan Note Guarantee (LNG) without additional delays. All documents in the closing package must be legible. The lender will submit the closing documents and paper checks for the upfront Guarantee fee and Technology Fee within 30 days of loan closing. After Agency review of the closing documents, the Loan Note Guarantee will be delivered electronically.

Using the Non-Electronic Loan Closing Checklist (page three of this guide) as a cover sheet, the lender will submit the following documents via encrypted email to the Rural Development Production Team that issued the Conditional Commitment. Production Team Contact information is located at https://www.rd.usda.gov/page/sfh-guaranteed-lender.

- A photocopy of the Upfront Guarantee Fee and Technology Fee checks (failure to include a photocopy of the checks will result in delay of receipt of the Loan Note Guarantee);
- Completed and signed Form RD 1980-19 Guaranteed Loan Closing Report, (The Borrower(s) name/State Code/County Code and RHS Borrower ID must match the State, County code and RHS Borrower ID reflected on page one of the Conditional Commitment);

- Final Closing Disclosure, which is not required to be signed;
- Promissory note, copy with appropriate riders, if any;
- Any other necessary documentation as specified in the Conditional Commitment.
