

United States Department of Agriculture

**Rural Business Development Grant
Applications Requested**

VERMONT – OUTSIDE THE NEK

LETTER OF INTENT DUE: Friday, January 17, 2020

APPLICATION DEADLINE: Tuesday, March 31, 2020

Application Cycle Open: The United States Department of Agriculture (USDA) Rural Development invites applications to compete for fiscal year 2020 (FY20) funding for the Rural Business Development Grant (RBDG) program. Applications are being accepted for all counties outside the Northeast Kingdom (Caledonia, Essex and Orleans) of the State of Vermont (**Applicants in the NEK REAP Zone have separate instructions.** Please note program funds are not available at this time, however USDA Rural Development anticipates level program funding for FY20. If there are any changes to funding, USDA Rural Development will notify applicants.

Eligible applicants for grant funds include non-profits, municipalities, development corporations, and state agencies.

The RBDG program funds two types of eligible projects:

Rural Business Enterprise Activities: Rural Business Enterprise Grants (RBEG) funds may be used for the acquisition and development of land, easements and rights-of-way; construction or repairs of buildings, machinery, equipment, roadways, utilities, and pollution control and abatement facilities; provision of loans for startup operating cost and working capital; professional services necessary for project planning and development; establishment of a revolving loan fund; development or operation of rural distance learning networks and/or programs for adult students; technical assistance for small and emerging businesses; technical assistance and training to rural communities related to passenger transportation services; loan participations.

Rural Business Opportunity Activities: Rural Business Opportunity Grant (RBOG) funds may be used for the identification and analysis of business opportunities that will use local rural materials or human resources (including feasibility and business plan studies); technical assistance or leadership development training to rural entrepreneurs and managers; establish business support centers; conduct local or multi-county economic development planning; establish training centers which provide training to rural businesses in the utilization of interactive communication technologies to develop international trade and markets; pay fees and charges for professional services necessary to conduct technical assistance, training, or planning functions.

Additional information on project eligibility can be found in the program regulations [§4280.417](#).

Please note: *USDA Rural Development anticipates making approximately six grants using this notice. Due to limited statewide funding, applications of \$30,000 or less are encouraged.*
