State	Senators	Reps	Borrower	Loan	Grant	Description
AL	Doug Jones, Richard Shelby	Robert Aderholt (04)	Littleville Volunteer Fire Department	\$116,000		This Rural Development investment will be used to purchase a new fire truck and equipment and to provide additional funding. The new mini pumper truck and equipment will provide access to water in areas that lack fire hydrants. This addition to the fleet will enable the department to provide fire protection to more rural residents.
AL	Doug Jones, Richard Shelby	Robert Aderholt (04)	Town of Forkland	\$12,800		This Rural Development investment will be used to purchase two fully equipped police vehicles and office equipment. The police department has been closed since 2009 due to lack of funding. This funding will allow the police department to reopen and provide service to Forkland's residents . The new patrol vehicles also will respond to calls up to two miles outside the city limits.
AL	Doug Jones, Richard Shelby	Mo Brooks (05)	The Hazel Green Volunteer Fire and Rescue Department Inc.	\$221,500		This Rural Development investment will be used to purchase 30 air packs with supplemental tanks, four thermal imagers and three cases of mask filters for the Hazel Green Volunteer Fire and Rescue Department. The new equipment will allow first responders to improve response times and better serve the rural community.
GA	Johnny Isakson, David Perdue	Austin Scott (08)	City of Poulan	\$32,000	\$25,000	This Rural Development investment will be used to purchase two fully-equipped patrol vehicles for the police department. The current vehicles are older and require constant repairs. The new vehicles will be used to serve the citizens of Poulan, Georgia and Worth County. The police department currently has five employees.
IA	Joni Ernst, Charles Grassley	Steve King (04)	City of Brayton	\$33,200	\$17,800	This Rural Development investment will be used to purchase a skid loader and attachments such as a snow pusher, salt and sand applicator, and bucket for snow removal and maintenance. The city does not currently have adequate snow removal equipment. These new pieces of equipment will make snow removal more efficient and allow residents to travel safely during winter weather.
IA	Joni Ernst, Charles Grassley	Steve King (04)	Eventide Lutheran Home for the Aged, Missouri Synod	\$18,375,000		This Rural Development investment will be used to make improvements to the Eventide campus. An 84-bed skilled nursing facility will be constructed, and 16 beds for memory care support will be added to the assisted-living facility. This project will improve the health care options for rural Iowans.
IA	Joni Ernst, Charles Grassley	Steve King (04)	Sioux Center Health	\$25,000,000		This Rural Development investment will be used to expand Sioux Center Health's clinic and senior-living facilities. The clinic will add 18 exam rooms, a family practice and support space for specialty physicians. An addition will be built to include a kitchen, dining room, a café, salon, bank, post office and theater area. The nursing facility will add 32 units. The assisted-living facility will update garages and common areas, add a new main entrance, and add 24 assisted-living and 16 memory care units.

IL	Tammy Duckworth, Richard Durbin	Mike Bost (12)	Greater Egypt Regional Planning and Development Commission	\$1,800,000		This Rural Development investment will be used to construct a new office building for the Greater Egypt Regional Planning and Development Commission (GERPC). GERPC will operate from this facility and will lease a portion of the office space to Man-Tra-Con, another nonprofit agency with similar services and goals for the community. Both organizations provide technical assistance and economic development to the five counties of Jackson, Franklin, Jefferson, Perry and Williamson. GERPC has been providing services since 1961.
KY	Mitch McConnell, Rand Paul	James Comer (01)	City of Bardwell	\$15,500		This Rural Development investment will be used to purchase one 2019 four-wheel drive vehicle equipped with a snow plow, dump bed and salt spreader. The city street department will use the vehicle for traffic control, emergency fire responses, and automobile accidents, thereby providing greater public safety and clean roadways.
ME	Susan Collins, Angus King	Jared Golden (02)	DFD Russell Medical Center Inc.	\$371,000		This Rural Development investment will be used to renovate the medical clinic in the town of Leeds, Maine. A psychiatric nurse practitioner has been added to the practice and additional exam rooms and support spaces are required to accommodate these services. The project will involve the construction of new offices, a conference/training room, and a restroom will be made ADA compliant. Completing these renovations will allow the new psychiatric exam rooms and support spaces to be located on the upper level, near other patient access spaces.
MI	Gary Peters, Debbie Stabenow	Jack Bergman (01)	City of Munising	\$170,000		This Rural Development investment will be used to purchase a loader for the city of Munising. It replaces a 15-year-old unit. The loader will be used for snow removal during the winter and for other public works activities during warmer weather.
MI	Gary Peters, Debbie Stabenow	John Moolenaar (04)	City of Beaverton Building Authority	\$545,000		This Rural Development investment will be used by the Beaverton Building Authority to convert a vacant library into the city hall. The new facility will have a chamber room, conference room, offices for city staff, adequate parking and sufficient space for future expansion.
MI	Gary Peters, Debbie Stabenow	Jack Bergman (01)	St. Ignace Building Authority	\$250,000		This Rural Development investment will be used to provide additional funding for the construction of the fire station. The authority is comprised of the city of St. Ignace, Moran Township and St. Ignace Township. The new 10,000-square-foot facility will replace the 3,900- square-foot station. There will be three drive-through apparatus bays, offices, a training room, men's' and women's' restrooms with showers, a storage room, a mechanical room and a mezzanine for storage.

NC	Richard Burr, Thom Tillis	Mark Walker (06)	Willow Oak Montessori Foundation Inc.	\$184,000		This Rural Development investment will be used to construct three buildings for Willow Oak Montessori Charter School. Each building will be approximately 11,000 square feet in size. Each of the buildings will be used for varying education levels: preschool, lower elementary and middle elementary. The school anticipates growth and plans to add additional grade levels, but the current leased facility does not have the additional space. Willow Oak Montessori Foundation, Inc. originally requested funding from USDA Rural Development in 2017. In July 2019, they requested a subsequent loan for additional costs and the current request for a second subsequent loan will provide funds to cover modifications to the final design process as well as additional contingencies.
NC	Richard Burr, Thom Tillis	David Rouzer (07)	Calypso Volunteer Fire Department Inc.	\$171,400		This Rural Development investment will be used to construct two drive-through bays at the Calypso Volunteer Fire Department's station. The additional bays will provide the necessary space for the department to park all eight trucks and vehicles inside the station and will provide room for additional vehicles.
NC	Richard Burr, Thom Tillis	Gregory Murphy (03)	Comfort Rural Fire Department Inc.	\$101,200		This Rural Development investment will be used to purchase a building for the Comfort Rural Fire Department to house rescue equipment. The department currently operates out of a building that meets the needs for fire services; however, there is little storage space.
NC	Richard Burr, Thom Tillis	G.K Butterfield (01)	Town of Williamston	\$312,744		This Rural Development investment will be used to provide additional funds to purchase and renovate a 10,800 square foot building for the Williamston Police Department. The town currently operates out of a 78-year-old building that the department has outgrown.
NC	Richard Burr, Thom Tillis	G.K Butterfield (01)	Town of Williamston	\$409,045		This Rural Development investment will be used to provide additional funds to renovate the town of Williamston's fire station. The fire department plans to add a work room, storage, office space, an apparatus bay, an equipment bay, an enlarged meeting and training room, and will make improvements to the kitchen.
NC	Richard Burr, Thom Tillis	David Rouzer (07)	Town of Fremont	\$27,000		This Rural Development investment will be used to purchase two new police vehicles for the Fremont Police Department. The town's police department currently owns five vehicles, most of which have high mileage. One of their vehicles is currently out of service and another was totaled during Hurricane Florence.
OH	Sherrod Brown, Rob Portman	Steve Stivers (15)	City of Nelsonville	\$41,000	\$50,000	This Rural Development investment will be used to purchase two new police vehicles for the city of Nelsonville. Two of the department's six vehicles are out of commission.

OH	Sherrod Brown, Rob Portman	Bill Johnson (06)	Ohio Hills Health Services	\$117,000		This Rural Development investment will be used to help Ohio Hills Health Services purchase dental equipment necessary for the expansion and relocation of the Barnesville Family Dental Center. The clinics will be adjacent to each other. Open less than a year, the dental clinic has assisted about 2,000 low-income patients, and demand already exceeds the clinic's current capacity. By moving next to the Barnesville Family Health Center, providers anticipate a 25 percent increase in patient volume. Co-locating the clinics also will help reduce transportation challenges. A companion \$100,000 Community Facilities Disaster Grant also will be used to help purchase equipment. Previously, USDA Rural Development provided \$2,265,000 in Community Facilities financing for the Barnesville Family Health Center.
OH	Sherrod Brown, Rob Portman	Bill Johnson (06)	Village of Salineville	\$15,000		This Rural Development investment will be used to finance the purchase of a four-wheel drive law enforcement truck for the community of Salineville, located about 25 miles from the Pennsylvania and West Virginia borders in northeast Appalachian Ohio. Recent collaborations between USDA Rural Development and the village of Salineville include \$55,000 in Community Facilities funding to purchase a road service truck.
OH	Sherrod Brown, Rob Portman	Bill Johnson (06)	West Township	\$77,000	\$40,000	This Rural Development investment will be used to finance the purchase of a tractor and related equipment which will maintain more than 65 miles of area roads. The new tractor and equipment will replace older models. This is West Township's second collaboration with USDA Rural Development. Previous funding includes a combined \$115,000 Community Facilities loan and grant, also used for road equipment.
OH	Sherrod Brown, Rob Portman	Bill Johnson (06)	Green Township	\$189,000		This Rural Development investment will be used to purchase a road grader and backhoe to help maintain nearly 40 miles of rural Appalachian roads. The equipment will replace older, no longer serviceable units. Funding also includes a \$100,000 Community Facilities Disaster Grant. This is Green Township's first collaboration with USDA Rural Development.
OH	Sherrod Brown, Rob Portman	Bill Johnson (06)	Noble Township	\$45,500		The Rural Development investment will be used to finance the purchase of a truck with a snow plow and salt spreader, which will help the township maintain more than 40 miles of rural Appalachian roads. Additional funding for this project includes a \$24,500 Community Facilities Disaster grant. This is Noble Township's first collaboration with USDA Rural Development.
SD	Mike Rounds, John Thune	Dusty Johnson (At Large)	Reliance Fire Department	\$10,000		This Rural Development investment will be used to provide equipment to the Reliance Volunteer Fire Department. The equipment purchased will include six sets of self-contained breathing apparatus (SCBA) units and a filling facility for the units.
SD	Mike Rounds, John Thune	Dusty Johnson (At Large)	Town of Lesterville	\$50,000		This Rural Development investment will be used to purchase a payloador. The equipment will be used for snow removal, maintenance, repairs and town projects.
TN	Lamar Alexander, Marsha Blackburn	David Kustoff (08)	City of Martin	\$6,451,000		This Rural Development investment will be used to construct a state-of-the-art library in downtown Martin. The library will serve as a hub for the city. It will have space for conferences, concerts, meetings and private events. It will have Wi-Fi, children centers and technology areas.
