

Emergency Rural Health Care Grants Arizona Projects

State	Senators	Representatives	Program	Recipient	Project Description
AZ	Mark Kelly, Krysten Sinema	Paul Gosar (04)	Steps to Recovery Homes	\$506,000	This Rural Development investment will be used to help Steps to Recovery, located in Cottonwood, Arizona, add telehealth to its menu of services provided to remote clients across the state. The expanded telehealth menu will be supported by upgrades to information technology, COVID testing, personal protection equipment, and program development.
AZ	Mark Kelly, Krysten Sinema	Ann Kirpatrick (02)	Bisbee Hospital Association	\$831,470	This Rural Development investment will be used to purchase medical equipment and supplies to increase medical surge capacity during the ongoing challenges of the COVID-19 pandemic in Bisbee and Douglas, Arizona, and surrounding communities.
AZ	Mark Kelly, Krysten Sinema	Paul Gosar (04)	Black Canyon Community Health Center Inc.	\$31,827	This Rural Development investment will be used to purchase equipment and make fiberoptic upgrades for telecommunications equipment. This will enable the health center to expand telehealth services during the COVID-19 pandemic. The health center serves rural patients in underserved communities in Yavapai and Maricopa counties.
AZ	Mark Kelly, Krysten Sinema	Tom O'Halleran (01)	Gila River Health Care Corp.	\$1,000,000	This Rural Development investment will be used to broaden access to COVID-19 testing and lab services for Gila River Health Care patients and employees on the Gila River Reservation.
AZ	Mark Kelly, Krysten Sinema	Tom O'Halleran (01)	White Mountain Communities Hospital Inc.	\$435,625	This Rural Development investment will be used to purchase medical devices and equipment. The new materials will enable the hospital to increase COVID-19 testing and vaccinations and increase bed capacity during COVID-19 surges.
AZ	Mark Kelly, Krysten Sinema	Raul Grijalva (03)	Regional Center for Border Health Inc.	\$268,300	This Rural Development investment will be used to purchase five modular mobile units, equipment, supplies and furnishings, and add staffing to support COVID vaccines and testing for clients in the region of the Colorado River Indian Tribe.

Emergency Rural Health Care Grants Arizona Projects

State	Senators	Representatives	Program	Recipient	Project Description
AZ	Mark Kelly, Krysten Sinema	Raul Grijalva (03)	Regional Center for Border Health Inc.	\$373,200	This Rural Development investment will be used to purchase equipment and provide training for a comprehensive, integrated primary and behavioral telehealth clinic for individuals being treated for COVID-19 in Yuma and La Paz counties.
AZ	Mark Kelly, Krysten Sinema	Paul Gosar (04), Paul Grijalva (03)	Regional Center for Border Health Inc.	\$358,500	This Rural Development investment will be used to purchase two modular mobile units, equipment, supplies, and add staffing to provide COVID-19 testing, vaccines and primary care services to the medically underserved residents in Parker in La Paz County, Dateland in Yuma County, and in other outlying areas.
AZ	Mark Kelly, Krysten Sinema	Paul Gosar (04)	Community Hospital Association Inc.	\$397,500	This Rural Development investment will be used to purchase a mobile medical unit to provide COVID-19 testing and vaccines at community centers, businesses, fire stations and schools in and around Wickenburg, Arizona.
AZ	Mark Kelly, Krysten Sinema	Ann Kirkpatrick (02), Tom O'Halleran (01)	Pinal Hispanic Council Inc.	\$40,000	This Rural Development investment will be used to expand telehealth mental health care services. The Council will purchase work stations and essential information technology equipment, and will retrofit conference rooms. The Council offers behavioral health services in Coolidge, Eloy and Douglas, Arizona.
AZ	Mark Kelly, Krysten Sinema	Ann Kirkpatrick (02)	Community Food Bank Inc.	\$54,000	This Rural Development investment will be used to purchase a 26-foot refrigerated truck to support the distribution and storage of food and commodities for the most vulnerable residents in the Bylas, Fort Thomas, San Carlos, and other smaller communities of the San Carlos Apache Reservation.
AZ	Mark Kelly, Krysten Sinema	Raul Grijalva (03)	AJO Center for Sustainable Agriculture	\$875,838	This Rural Development investment will be used to help the community open a new food bank. The previous one closed at the start of the COVID-19 pandemic. The Ajo Center for Sustainable Agriculture promotes and supports a sustainable local food system in Ajo, Arizona, and on the Tohono O'odham Nation.
