Structures Simulation

Photograph Information

Typical Structure

Photographic Simulation: Preliminary Engineering Preferred Route

View Location: View from Bromley Lane overpass east of I-76 looking west-southwest.
Photographic Simulation:
Preliminary Engineering
Preferred Route

View Location: View from I-76 northbound lane looking northeast, approximately 0.7 miles southwest of the Bromley Lane exit.
Photograph Information
- Photo Point Number: 52
- Date of Photograph: 2/16/2011
- Time of Photograph: 12:49 PM
- Weather Condition: Mostly Sunny
- Viewing Direction: N
- Latitude: 39° 57' 38.005" N
- Longitude: 104° 45' 48.544" W

View Location: View from two-track road looking north between I-76 and BNSF Railway, 0.5 miles northeast of 144th Avenue.

Photographic Simulation: Preliminary Engineering Preferred Route

View Location: View from two-track road looking north between I-76 and BNSF Railway, 0.5 miles northeast of 144th Avenue.
