

## **STAKEHOLDERS ANNOUNCEMENT**

### **We're open for business!**

Just a quick reminder. Since we at USDA Rural Development began working from our homes last month because of the COVID-19 pandemic, we've been successful to provide service to obligate funding for home and business loans and for infrastructure projects. We're committed to continue to provide these opportunities to the public even under these most unusual circumstances.

Go to: ["We're open for business"](#) weblink to see us at work.

You can go to the top of the New Mexico RD webpage to get the latest information on our funding programs that have been affected by the COVID-19 pandemic.

Thank you.
