AL	Tommy Tuberville, Richard Shelby	Robert Aderholt (04)	Town of Twin	\$25,000	\$75,000	This Rural Development investment will be used to purchase a facility to serve as a community center and storm shelter for the town of Twin. The 19-acre center will provide a place for residents to host events and community gatherings. It has accessible restrooms and can be used by all members of the community.	399
AL	Tommy Tuberville, Richard Shelby	Mo Brooks (05)	The Hazel Green Volunteer Fire and Rescue Department Incorporated	\$100,000		This Rural Development investment will be used to purchase two fire trucks and associated equipment. The trucks will enable the department to expand its service area and provide faster response times.	11,993
CA	Dianne Feinstein, Alex Padilla	Doug LaMalfa (01)	Plumas Alternative Learning Services	\$475,000		This USDA Rural Development investment will be used to acquire a different site to build a school for the Plumas Charter School. USDA earlier approved a \$2.4 million loan to build the school at a different site, but the school later determined that site was not feasible. Since the start of the COVID-19 pandemic, the school has had a growing list of parents who want to enroll their children in an online platform. It has a waiting list of 70 students.	4,217
GA	Jon Ossoff, Raphael Warnock	Drew Ferguson (03)	City of Hogansville	\$373,000		This Rural Development investment will be used to renovate a building for the relocation of city hall. The Hogansville Downtown Development Authority's mission is to revitalize downtown through sustainable economic growth, preservation and beautification. It works to support economic development while maintaining the community's small-town feel.	3,060
IA	Charles Grassley, Joni Ernst	Dave Loebsack (02)	WellSpire LLC	\$19,330,000		This Rural Development investment will be used to construct a 70-bed nursing home and a 21-unit assisted-living facility in DeWitt. The facility will have a memory care unit along with kitchens, a family dining area and communal spaces.	5,322
IL	Richard Durbin, Tammy Duckworth	Mary Miller (15)	Salem Fire Protection District	\$654,800		This Rural Development investment will be used to purchase a side-mount, 2,000-gallon pumper truck. The truck will replace one that is 33 years old and in need of costly repairs. The department serves a 125-square-mile area that includes Stevenson, Haines, Racoon, Tonti and Alma townships.	11,675
KS	Roger Marshall, Jerry Moran	Ron Estes (04)	City of Udall	\$440,000		This Rural Development investment will be used to construct a building to house the city's library. The new facility will have room for meeting spaces, children's reading programs, technology classes, a wellness facility with space for exercise equipment and exam rooms. When the library is completed, the city of Udall will give the current library space to the historical museum.	746
MI	Gary Peters, Debbie Stabenow	Fred Upton (06)	Allegan County Community Mental Health Services	\$5,635,000		This Rural Development investment will be used to purchase and renovate a building to consolidate Allegan County Community Mental Health Services in one building. The agency provides medical, behavioral health, care management, outreach and dental services.	111,408
MO	Roy Blunt, Josh Hawley	Sam Graves (06)	Memphis Community Betterment Organization	\$81,600		This Rural Development investment will be used to purchase a garbage truck to be leased to the city of Memphis. State	Sen.	Rep.	Recipient	Loans	Grant	Project Description	Population
NC	Richard Burr, Thom Tillis	Deborah Ross (02)	Middlesex Volunteer Fire Department	\$11,000		This Rural Development investment will be used to purchase a fully outfitted tanker truck. The department has three trucks that are 23 to 31 years old. Repair and maintenance costs are growing each year. Out-of-service time has increased with each breakdown. The department intends to replace all apparatus in the near future. The tanker truck will be the first vehicle to be replaced. The new truck will serve more than 60 businesses, four manufacturing facilities and one medical center in the response area.	<b>822</b>
NC	Richard Burr, Thom Tillis	Gregory Francis Murphy (03)	Town of Greenevers	\$197,000		This Rural Development investment will be used to resurface the town's streets. The streets have needed repairs for many years. Hurricane Florence caused significant flooding in 2018, further damaging the roads. This project will allow roughly 30,000 square yards of street resurfacing to provide safe travel for the town's residents.	<b>634</b>
NC	Richard Burr, Thom Tillis	Gregory Francis Murphy (03)	Scuffleton Rural Fire Association Inc.	\$101,000		This Rural Development investment will be used to purchase a pumper fire truck and to refinance debt. The new equipment will provide essential rescue and life-saving, emergency services.	<b>5,341</b>
NC	Richard Burr, Thom Tillis	David Rouzer (07)	Chinquapin Volunteer Fire and Rescue Squad Inc.	\$500,000		This Rural Development investment will be used to purchase a pumper truck and a pumper tanker truck for the Chinquapin Volunteer Fire and Rescue Squad Inc. Both trucks will be fully outfitted with all necessary equipment. The trucks will replace vehicles that are more than 20 years old and no longer meet the department's need.	<b>3,523</b>
NC	Richard Burr, Thom Tillis	David Rouzer (07)	Mount Olive Family Medicine Center Inc.	\$251,700	\$50,000	This Rural Development investment will be used to provide additional funding to construct an addition, and to refinance debt. The 3,403-square-foot addition will include nine exam rooms, four provider rooms, a work-up room, a conference room and restrooms. Refinancing the Center's debt will improve the organization's financial position.	<b>4,589</b>
NC	Richard Burr, Thom Tillis	David Rouzer (07)	Town of Fremont	\$29,900		This Rural Development investment will be used to purchase a tractor and cutter. The equipment will provide essential maintenance and public works services for Fremont's residents. The town's existing equipment has exceeded its useful life and has high maintenance and repair costs. The new equipment will be more reliable and less costly.	<b>1,255</b>
NJ	Cory Booker, Robert Menendez	Andy Kim (03)	Deborah Heart and Lung Center	\$88,174,000		This Rural Development investment will be used to construct an in-patient tower of private patient suites. This project also includes converting all double occupancy, in-patient rooms to private suites. Converting the rooms to private suites will improve patient and visitor safety, particularly during the COVID-19 pandemic.	<b>786,139</b>
NJ	Cory Booker, Robert Menendez	Jeff Van Drew (02)	Gloucester County Improvement Authority	\$60,980,000		This Rural Development investment will be used to create a fossil park in Mantua Township. The location contains prehistoric animal remains from the late cretaceous period more than 100 million years ago. The park will complement Rowan University's new College of Earth and Environment. It will include exhibition halls, museum preservation displays, community event spaces, a hands-on learning lab, a virtual reality theater, nature trails, a visitor center and recreation spaces. The park also will provide venues to train students in the growing field of green technology.	<b>288,288</b>
