Rural Decentralized Water Systems Grant Program

What does this program do?

This program helps qualified nonprofits and tribes create a revolving loan fund to increase access to clean, reliable water and septic systems for households in eligible rural areas.

Who may apply for these grants?

Nonprofits that have:

- Expertise and experience promoting the safe, productive use of individually-owned household water wells systems
- Legal authority to act as a lender
- Sufficient expertise and experience in lending activities
- Financial, technical, and managerial capacity to comply with relevant federal and state laws and regulations

How may grant funds be used?

Grant funds may be used to help a nonprofit create a revolving loan fund for eligible individuals who own and occupy a home in an eligible rural area. The fund may be used to construct, refurbish, or service individually-owned household water well and septic systems. Terms for the loans include one percent fixed interest rate, 20-year maximum term, and an $15,000 maximum loan per household.

What is an eligible area?

- Rural areas and towns with populations of 50,000 or less – check eligible addresses
- Tribal lands in rural areas
- Colonias

Are matching funds required for the grant?

Yes. The nonprofit must contribute at least 10 percent. Matching funds may be from the nonprofit applicant or a third party and matching funds may not be in-kind.

How do we get started?

- Electronic applications are accepted through Grants.gov.
- Paper applications may be sent to Water Programs Division, Rural Utilities Service, Stop: 1570, Room 2234-S, 1400 Independence Avenue SW, Washington, DC 20250-1570.
