

Denali Commission High Energy Cost Grants

What does this program do?

This program assists the Denali Commission in lowering the cost of energy for families and individuals in areas with extremely high per-household energy costs (275% of the national average or higher).

Who may apply for this program?

- **A legally organized for-profit or non-profit organization**
- **A sole proprietorship**
- **State or local government entities**
- **Federally recognized Tribes**
- **An individual or group of individuals**
- **See the Denali Commission website for further eligibility details**

How may funds be used?

- Funds may be used to finance energy generation, transmission, and distribution initiatives
- See Code of Federal Regulations 7 CFR 1709

Additional requirements include:

- Borrowers must have legal authority to provide, construct, operate, and maintain the proposed facilities or services
- All facilities receiving federal financing must be used for a public purpose
- Partnerships with other federal, state, local, private and nonprofit entities are encouraged

How do we get started?

- Applications accepted through the Rural Development National Office
- Call (202) 720-9545 for details
 - The application deadline is set each year by a NOFA
 - The deadline for Fiscal Year 2014 is August 1st, 2014 NOFA 2014
- Program Resources are available online (i.e. forms, guidance, certifications, etc.)

Who can answer questions?

- Call the Rural Electric Program staff at (202) 720-9545

What governs this program?

- Rural Electrification Act of 1936, as amended in 7 U.S.C. 901
- Code of Federal Regulations 7 CFR 1709
